No amendment shall alter the provisions of this Declaration regarding the specific rights and obligations of Lenders without the prior approval of the Lender(s) enjoying the benefit of such provisions. If the prior written approval by any governmental entity or governmental agency having jurisdiction over DEL WEBB SUNBRIDGE is required by applicable law or governmental regulation or land use or development condition of approval affecting DEL WEBB SUNBRIDGE for any amendment to this Declaration, then the prior written consent of such governmental entity or governmental agency must also be obtained. All amendments affecting the SWMS or any Conservation Easement Property must comply with Section 25.2 which benefits SFWMD pursuant to the Permit. No amendment shall be effective until it is recorded in the Public Records.

4.2 No Vested Rights. Each Owner by acceptance of a deed to a Home irrevocably waives any claim that such Owner has any vested rights pursuant to case law or statute with respect to this Declaration or any of the other Governing Documents, except as expressly provided by applicable law as it exists on the date this Declaration is recorded.

4.3 Amendments Prior to the Turnover. Prior to the Turnover, Declarant shall have the right to amend this Declaration as it deems appropriate, without the joinder or consent of any person or entity whatsoever, except as expressly limited by applicable law as it exists on the date this Declaration is recorded or except as expressly set forth herein. Such amendments may include, without limitation (i) the creation of easements for Telecommunications Systems, utility, drainage, ingress and egress and roof overhangs over any portion of DEL WEBB SUNBRIDGE; (ii) additions or deletions from DEL WEBB SUNBRIDGE and/or the properties comprising the Common Areas; (iii) changes in the Rules and Regulations; (iv) changes in maintenance, repair and replacement obligations; and (v) modifications of the Use Restrictions for Homes. Declarant's rights to amend under this provision is to be construed as broadly as possible. By way of example, and not as a limitation, Declarant may create easements over, under and across Lots conveyed to Owners provided that such easements do not materially and adversely impact the use of Homes on such Lots as residential dwellings. In the event the Association shall desire to amend this Declaration prior to the Turnover, the Association must first obtain Declarant's prior written consent to any proposed amendment, which can be withheld in Declarant's sole discretion. Thereafter, an amendment identical to that approved by Declarant may be adopted by the Association pursuant to the requirements for amendments from and after the Turnover. Declarant shall join in such identical amendment so that its consent to the same will be reflected in the Public Records. To the extent legally required, each Owner shall be deemed to have granted to Declarant and, thereafter, the Association an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

4.4 Amendments From and After the Turnover. After the Turnover, but subject to the general and specific restrictions on amendments set forth herein, this Declaration may be amended with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the Members of the Association at which there is a quorum.

4.5 Compliance with HUD, FHA, VA, FNMA, GNMA and SFWMD. Notwithstanding any provision of this Declaration to the contrary, prior to the Turnover, the Declarant shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SFWMD, or any other governmental agency or body as a condition to, or in connection with, such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Association, other Owners, any Lender or any other party shall be required or necessary to such amendment. After the Turnover, but subject to the general restrictions on amendments set forth above, the Board shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SFWMD or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Owners, or any other party shall be required or necessary to any such amendments by the Board.

4.6 Additional Restriction on Revocation, Termination or Amendments. Notwithstanding any provision of this Declaration to the contrary, for a period of thirty (30) years from the date of recording of this Declaration, this Declaration may not be revoked, terminated or amended (i) to permit any person under the age of nineteen (19) to Occupy a Home or (ii) in any other manner which would (a) result in DEL WEBB SUNBRIDGE no longer being in compliance with the Act, (b) impact the DEL WEBB SUNBRIDGE'S ability to comply with the requirements of the Act for the purpose of maintaining the age restrictions set forth in Section 16.1 hereof, or (c) result in DEL WEBB SUNBRIDGE no longer being in compliance with Section 16.7 below exempting DEL WEBB SUNBRIDGE from payment of School Impact Fees under the Impact Fee Ordinance (as those terms are defined in Section 16.7 below) while it is being operated as "housing for older persons" under the Impact Fee Ordinance and applicable Federal law.

4.7 Amendments Requiring Consent of Tavistock. Notwithstanding any other provision of this Declaration, for so long as the Tavistock Deed Use Restriction (as defined in Section 16.8) is in effect, Sections 5, 10, 11, 12, 16, 19, and 29 shall not be amended without the written consent of Tavistock (or the successor or assign of Tavistock) on such amendment, which consent shall not be unreasonably withheld, conditioned, or delayed and shall be evidenced by Tavistock's execution of a joinder to the amendment confirming its consent to same. Such written consent shall be requested by delivery of written request for such consent along with a copy of such proposed amendment to Tavistock at the address for Tavistock and the address for the registered agent of Tavistock specified in the official records of the Florida Secretary of State listed on sunbiz.org or such other substitute official records if said website is no longer in existence. In the event Tavistock receives a request for such written consent and fails to deliver written notice denying same to the party requesting such consent within twenty (20) days of Tavistock's receipt of such

request, such proposed amendment to the Declaration shall be deemed approved by Tavistock and may be recorded with an affidavit signed by a representative of Declarant or the Association certifying that such amendment has been approved by Tavistock by virtue of delivery of same to Tavistock and Tavistock's failure to deliver written notice denying approval of the proposed amendment within the foregoing time period for same.

5. Annexation and Withdrawal.

5.1 Annexation by Declarant. Up to the date that is five (5) years after the Community Completion Date, additional lands may be made part of DEL WEBB SUNBRIDGE by Declarant and the addition of such lands shall automatically extend the Community Completion Date to allow the development of same. Except for applicable governmental approvals (if any), and the joinder of the Owner of the annexed lands, if other than Declarant, no other consent to such annexation shall be required from any other party (including, but not limited to, the Association, Owners or any Lenders). Such annexed lands shall be brought within the provisions and applicability of this Declaration by the recording of a Supplemental Declaration to this Declaration in the Public Records. The Supplemental Declaration shall subject the annexed lands to the covenants, conditions, and restrictions contained in this Declaration as fully as though the annexed lands were described herein as a portion of DEL WEBB SUNBRIDGE at the time of execution and recordation of this Declaration. Such Supplemental Declaration may contain additions to, modifications of, or omissions from the covenants, conditions, and restrictions contained in this Declaration as deemed appropriate by Declarant and as may be necessary to reflect the different character, if any, of the annexed lands. If the annexed lands were acquired by Declarant in a deed from Tavistock or an affiliate of Tavistock, then such Supplemental Declaration may contain additions to, modifications of, or omissions from the covenants, conditions, and restrictions contained in this Declaration only if such Supplemental Declaration contains the written consent of Tavistock or an affiliate of Tavistock, as applicable, or their successors or assigns, provided that such consent shall not be unreasonably withheld, conditioned, or delayed and provided further that such consent shall be requested, given or denied pursuant to the same procedures applicable to Tavistock's consent to amendments to this Declaration as set forth in Section 4.7 above. Except as otherwise provided herein, prior to the Community Completion Date, only Declarant may add additional lands to DEL WEBB SUNBRIDGE.

5.2 Annexation by Tavistock. Declarant has an option to purchase the additional property contiguous to DEL WEBB SUNBRIDGE and described on Exhibit 5 attached hereto (the "**Additional Purchase Property**") under the governing purchase agreement between Declarant and Tavistock (the "**Tavistock Purchase Agreement**"). In the event (i) Declarant fails to purchase any portion of the Additional Purchase Property from Tavistock pursuant to the Tavistock Purchase Agreement and (ii) Tavistock develops or restricts the development of such portion of the Additional Purchase Property to the Permitted Use, Tavistock shall have the unilateral right to make such portion of the Additional Purchase Property owned by Tavistock or an affiliate of Tavistock a part of DEL WEBB SUNBRIDGE and the addition of such lands shall automatically extend the Community Completion Date to allow the development of same. Except for applicable governmental approvals (if any), no other consent to such annexation shall be required from any other party (including, but not limited to, the Declarant, the Association, Owners or any Lenders).

Such annexed lands shall be brought within the provisions and applicability of this Declaration by the recording of a Supplemental Declaration to this Declaration in the Public Records. The Supplemental Declaration shall subject the annexed lands to the covenants, conditions, and restrictions contained in this Declaration as fully as though the annexed lands were described herein as a portion of DEL WEBB SUNBRIDGE at the time of execution and recordation of this Declaration; provided, however, such Supplemental Declaration may contain additions to, modifications of, or omissions from the covenants, conditions, and restrictions contained in this Declaration as deemed appropriate by Tavistock and as may be necessary to reflect the different character, if any, of the annexed lands, provided further, however, that such annexed lands shall be subject to the requirement that said lands shall be developed, used and occupied in compliance with the Permitted Use and the terms and conditions of Section 16 of this Declaration. In the event Tavistock annexes any land pursuant to this section, Tavistock shall be considered a co-Declarant under this Declaration with respect to same.

5.3 Annexation by the Association. After the Community Completion Date, subject to applicable governmental approvals (if any) required for same and the joinder of the Owner of the annexed lands, additional lands may be annexed with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the Members of the Association at which there is a quorum.

5.4 Withdrawal. Prior to the Community Completion Date, Declarant may withdraw any portions of DEL WEBB SUNBRIDGE (or any additions thereto) from the provisions and applicability of this Declaration by the recording of an amendment to this Declaration in the Public Records which amendment shall require the joinder and consent of the owner of record title to such lands being withdrawn if other than Declarant. The right of Declarant to withdraw portions of DEL WEBB SUNBRIDGE shall not apply to any Lot that has been conveyed to an Owner unless that right is specifically reserved in the instrument of conveyance or the prior written consent of the Owner is obtained. Except as provided above, the withdrawal of any portion of DEL WEBB SUNBRIDGE shall not require the consent or joinder of any other party (including without limitation, the Association, Owners, or any Lenders). Association shall have no right to withdraw land from DEL WEBB SUNBRIDGE.

5.5 Effect of Filing Supplemental Declaration. Any Supplemental Declaration filed pursuant to this Section 5 shall be effective upon recording in the Public Records, unless otherwise specified in such Supplemental Declaration. On the effective date of the Supplemental Declaration, any additional property subjected to this Declaration shall be assigned voting rights in the Association and Assessment liability in accordance with the provisions of the Supplemental Declaration and this Declaration.

5.6 Future Development Tracts. The Plat may from time to time include Parcels designated as Future Development Tracts or similar term indicating that such Parcels are set aside for future development (each a “**Future Development Tract**”). At Declarant’s sole discretion, prior to the Community Completion Date, all or any portion of any Future Development Tract may be replatted into Lots or Common Areas, withdrawn from the provisions and applicability of this Declaration or dedicated to the County or any other governmental agency. Upon replatting of such Future Development Tract into Lots or Common Areas, such Parcels shall automatically convert to and be treated as Lots and Common Areas, respectively, under this Declaration for all purposes

without the need for (i) recordation of a Supplemental Declaration or Amendment to this Declaration to confirm or effect same or (ii) the joinder and consent of the Association or any Owners to same. Future Development Tracts shall not be subject to Assessments as provided under Section 17 until same have been platted into Lots.

6. Dissolution.

6.1 Generally. In event of dissolution of the Association, the SWMS shall be transferred to and maintained by one of the entities identified in sections 12.3.1(a) through (f), who has the powers listed in section 12.3.4(b)1. through 8., the covenants and restrictions required in section 12.3.4(c)1. through 9., and the ability to accept responsibility for the operation and maintenance of the SWMS described in section 12.3.4(d)1. or 2., all of SFWMD's Environmental Resource Permit Applicant's Handbook Volume I (General and Environmental). In addition to and not in place of the preceding sentence, in the event of the dissolution of the Association without reinstatement within thirty (30) days, other than incident to a merger or consolidation, any Owner may petition the Circuit Court of the appropriate Judicial Circuit of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and to manage the Common Areas in the place and stead of the Association, and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association.

6.2 Applicability of Declaration after Dissolution. In the event of dissolution of the Association, DEL WEBB SUNBRIDGE and each Lot therein shall continue to be subject to the provisions of this Declaration, including without limitation, the provisions respecting Assessments specified in this Declaration. Each Owner shall continue to be personally obligated to the successors or assigns of the Association for Assessments to the extent that Assessments are required to enable the successors or assigns of the Association to properly maintain, operate and preserve the Common Areas. The provisions of this Section only shall apply with regard to the maintenance, operation, and preservation of those portions of DEL WEBB SUNBRIDGE that had been Common Areas and continue to be so used for the common use and enjoyment of the Owners.

7. Binding Effect and Membership.

7.1 Term. Subject to the Declarant's right to amend this Declaration prior to Turnover and the Association's right to amend this Declaration after Turnover, the covenants, conditions and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association, or the owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded in the Public Records, after which time the covenants, conditions and restrictions contained in this Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the end of such twenty-five (25) year period, or each successive ten (10) year period, an instrument signed by eighty percent (80%) of the total Voting Interests agreeing to terminate this Declaration has been recorded in the Public Records. Notwithstanding the preceding sentence, prior to any such termination of the Declaration, ownership of the portion of the SWMS owned by the Association and the responsibility for the operation and maintenance of the SWMS must be transferred to and accepted by an entity in accordance with the rules and regulations of SFWMD and any such transfer and acceptance must be approved in writing by SFWMD. Provided, however, that no such agreement to terminate the

covenants, conditions and restrictions shall be effective unless made and recorded at least ninety (90) days in advance of the effective date of such change.

7.2 Transfer. The transfer of the fee simple title to a Home or Lot, whether voluntary or by operation of law, terminating an Owner's title to that Home or Lot, shall terminate the Owner's rights to use and enjoy the Common Areas and shall terminate such Owner's Membership in the Association. An Owner's rights and privileges under this Declaration are not assignable separately from a Lot. The record title owner of a Lot is entitled to the benefits of, and is burdened with the duties and responsibilities set forth in the provisions of this Declaration. All parties acquiring any right, title and interest in and to any Lot shall be fully bound by the provisions of this Declaration. In no event shall any Owner acquire any rights that are greater than the rights granted to, and limitations placed upon its predecessor in title pursuant to the provisions of this Declaration. The transferor of any Lot shall remain jointly and severally liable with the transferee for all obligations pursuant to this Declaration that accrue prior to the date of such transfer, including without limitation, payment of all Assessments accruing prior to the date of transfer.

7.3 Membership and Voting Rights.

7.3.1 In addition to the Declarant, upon acceptance of title to a Lot, and as more fully provided in the Articles and Bylaws, each Owner shall be a Member of the Association. Membership rights are governed by the provisions of this Declaration, the Articles and Bylaws. Membership shall be an appurtenance to and may not be separated from the ownership of a Lot. Declarant rights with respect to Membership in the Association are set forth in this Declaration, the Articles and Bylaws. The Association shall have the following two (2) classes of voting Membership:

7.3.1.1 Class A Members. Class A Members shall be all Owners. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot as an "Owner," all such persons shall be Members. The vote for such Lot shall be exercised as such persons determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

7.3.1.2 Class B Members. Declarant shall be the Class B Member and shall be entitled to ten (10) votes for each Lot owned; provided, however, as to land which is annexed or added pursuant to the terms of this Declaration or any Parcel designated as a Future Development Tract (or similar term) or set aside for future development under the Plat, Declarant shall be entitled to fifteen (15) votes per acre or fraction thereof contained within such Parcel owned by Declarant, until such time as the Parcel is platted into Lots, whereupon Declarant shall be entitled to ten (10) votes per Lot in lieu of the votes per acre. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall be entitled to one (1) vote for each Lot owned. "Turnover" shall mean the transfer of control and operation of the Association by the Declarant to Owners. The Turnover of the Association by the Declarant shall occur on the Turnover Date at the Turnover meeting. At the Turnover meeting, Owners shall elect a majority of the Directors. No more than sixty (60) days and no less than thirty (30) days prior to the Turnover meeting, the Association shall notify in writing all Class A Members of the date, location, and

purpose of the Turnover meeting. The Turnover shall take place within three (3) months of the occurrence of the following events, whichever occurs earliest:

- (a) When ninety percent (90%) of the Lots ultimately planned for DEL WEBB SUNBRIDGE are conveyed to Owners; or
- (b) When the Declarant makes the election, in its sole and absolute discretion, to give written notice to the Association of its decision to cause the Turnover to occur; or
- (c) as otherwise required under the Florida Statutes.

7.3.1.3 Declarant Election of Director. Notwithstanding the foregoing, from and after Turnover, for so long as Declarant holds at least five percent (5%) of the total number of Lots planned for DEL WEBB SUNBRIDGE out for sale, Declarant, at Declarant's sole option, may elect one (1) member of the Board. Nothing herein shall require Declarant to elect or place any members on the Board after Turnover.

7.4 Ownership by Entity. In the event that an Owner is other than a natural person, that Owner shall, prior to Occupancy of the Home, designate one or more persons who are to be the Occupants of the Home and register such persons with the Association. All provisions of this Declaration and other Governing Documents shall apply to both such Owner and the designated Occupants.

7.5 Voting Interests. Voting Interests in the Association are governed by this Declaration, the Articles and Bylaws.

7.6 Document Recordation Prohibited. Neither the Association nor any Owner, nor group of Owners, may record any documents that, in any way, affect or restrict the rights of Declarant or conflict with the provisions of this Declaration or the other Governing Documents.

7.7 Conflicts. In the event of any conflict among this Declaration, the Articles, the Bylaws or any of the other Governing Documents, this Declaration shall control.

8. Paramount Right of Declarant. Notwithstanding anything to the contrary herein, prior to the Community Completion Date, Declarant shall have the paramount right to dedicate, transfer, and/or convey (by absolute conveyance, easement, or otherwise) portions of DEL WEBB SUNBRIDGE for various public purposes or for the provision of Telecommunications Systems, or to make any portions of DEL WEBB SUNBRIDGE part of the Common Areas, or to create and implement a special taxing district which may include all or any portion of DEL WEBB SUNBRIDGE. SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT IMPROVEMENTS, IF ANY, WILL BE INCLUDED WITHIN THE COMMON AREAS. DECLARANT SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION, AND DESIGN OF ANY AND ALL COMMON AREAS, INCLUDING RECREATIONAL FACILITIES, OR TO MODIFY, RELOCATE OR ELIMINATE COMMON AREAS OR

RECREATIONAL FACILITIES AT ANY TIME, WITHOUT NOTICE AND AT ITS DISCRETION.

9. Common Areas.

9.1 Prior to Conveyance. Common Areas shall include, without limitation, (i) Tracts A-1, A-3, B-1, B-3, C-1, J-1, K-1, L-1, M-1, M-2, N-1, N-2, O-1, O-2, P-2, Q-2, R-1, R-2, RW-1, S-2, T-2, U-2 and V-2 as depicted on the Phase 1 Plat, (ii) Private Drainage Easements, Access and Maintenance Easements, Perimeter Buffer Easements and Perimeter Wall/Fence Easements, as depicted on the Plat, and (iii) all Tracts dedicated or conveyed to the Association and all easements in favor of the Association created under the Plat, this Declaration or by separate instrument recorded in the Public Records, and such Tracts and easements are hereby dedicated and granted to the Association. Prior to the conveyance of the Common Areas to the Association or SSD, as appropriate, as set forth in Section 9.4 herein, any portion of the Common Areas owned by Declarant shall be operated, maintained, and administered at the sole cost of the Association for all purposes and uses reasonably intended, as Declarant in its sole discretion deems appropriate. During such period, Declarant shall own, operate, and administer the Common Areas without interference from any Owner or any other person or entity whatsoever. Owners shall have no right in or to any Common Areas referred to in this Declaration unless and until same are actually constructed, completed, and conveyed to the Association. The current conceptual plans and/or representations, if any, regarding the composition of the Common Areas are not a guarantee of the final composition of the Common Areas. No party should rely upon any statement contained herein as a representation or warranty as to the extent of the Common Areas to be constructed by Declarant and owned and operated by the Association as part of DEL WEBB SUNBRIDGE. Declarant, so long as it controls Association, further specifically retains the right to add to, delete from, or modify any of the Common Areas referred to herein at its discretion without notice. It is anticipated by the Declarant that some of the facilities to be constructed within DEL WEBB SUNBRIDGE for the common use and enjoyment of all Owners may be owned by the SSD or located within an easement granted to the SSD and that same may be operated, maintained and managed by the Association pursuant to an agreement between the Association and the SSD.

9.2 Construction of Common Areas Improvements. Declarant anticipates it will construct, at its sole cost and expense, certain improvements as part of the Common Areas as Declarant determines in its sole discretion, which may include, without limitation, a community recreational center with pool, clubhouse, tennis courts, and card room, fitness center, meeting rooms, café, restaurant and bar (together the “**Community Amenity**”), a dog park, passive parks and other parks and recreational facilities (collectively, the “**Recreational Facilities**”) for the use and benefit of Declarant, Owners, Lessees and their respective (as applicable) Immediate Family Members and Guests and invitees as provided in and subject to the Governing Documents. Declarant shall be the sole judge of the composition of any Common Area improvements comprising the Recreational Facilities. Prior to the Community Completion Date, Declarant reserves the absolute right to construct additional Common Area improvements (including Recreational Facilities) within DEL WEBB SUNBRIDGE, from time to time, in its sole discretion, and to remove, add to, modify and change the boundaries, facilities and improvements now or then part of the Common Areas (including Recreational Facilities). Declarant is not obligated to, nor has it represented that it will construct any Common Area improvements or Recreational Facilities. Declarant is the sole judge of the Common Area improvements and Recreational Facilities,

including the plans, specifications, design, location, completion schedule, materials, size, and contents of the facilities, improvements, appurtenances, personal property (e.g., furniture), color, textures, finishes or changes or modifications to any of them.

9.3 Use of Common Areas by Declarant. Until the Community Completion Date, Declarant shall have the right to use any portion of the Common Areas, without charge, for any purpose deemed appropriate by Declarant.

9.4 Conveyance.

9.4.1 Generally. The Common Areas may be designated by the Plat, created in the form of easements, or conveyed to the Association by quitclaim deed or other instrument of conveyance as determined by the Declarant in its sole and absolute discretion. Association shall pay all costs of the conveyance at the Declarant's request. The designation of Common Areas, creation by easement, or conveyance shall be subject to easements, restrictions, reservations, conditions, limitations, and declarations of record, real estate taxes for the year of conveyance, zoning, land use regulations and survey matters. Association shall be deemed to have assumed and agreed to pay all continuing obligations and service and similar contracts relating to the ownership operation, maintenance, and administration of the conveyed portions of Common Areas and other obligations relating to the Common Areas imposed herein, and Association shall, and does hereby, indemnify and hold Declarant and the Declarant Indemnified Parties harmless on account thereof. Association, by its joinder to this Declaration, hereby accepts such dedication(s) or conveyance(s) without setoff, condition, or qualification of any nature. Association shall accept any and all transfer of permits and development agreements from Declarant or any other permittee, of any permit or development agreement required by a governmental agency in connection with the development or operation of DEL WEBB SUNBRIDGE, including, without limitation, the Permit, as modified and/or amended. Association shall cooperate with Declarant or any other permittee of such permits or party to such development agreements, as same may be modified and/or amended, with any applications, certifications, documents or consents required to effectuate any such transfer of permits and development agreements to the Association and the Association's assumption of all obligations thereunder. THE COMMON AREAS, PERSONAL PROPERTY AND EQUIPMENT THEREON AND APPURTENANCES THERETO SHALL BE CONVEYED TO THE ASSOCIATION IN "AS IS, WHERE IS" CONDITION WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, IN FACT OR BY LAW, AS TO THE CONDITION, FITNESS OR MERCHANTABILITY OF SUCH COMMON AREAS PERSONAL PROPERTY, EQUIPMENT AND APPURTENANCES BEING CONVEYED. Notwithstanding the foregoing, any such conveyance or encumbrance of such Common Areas is subject to an irrevocable ingress and egress easement in favor of each Owner granting access to their respective Lots.

9.4.2 Common Area Reservations. Each deed of the Common Areas shall be subject to the following provisions:

9.4.2.1 a perpetual nonexclusive easement in favor of governmental agencies for the maintenance and repair of existing road, speed and directional signs, if any;

9.4.2.2 matters reflected on the Plat;

9.4.2.3 perpetual non-exclusive easements in favor of Declarant and its successors and assigns in, to, upon and over all of the Common Areas for the purposes of vehicular and pedestrian ingress and egress, installation of improvements, utilities, landscaping and/or drainage, without charge, including, without limitation, the right to use such roadways for construction vehicles and equipment. These easements shall run in favor of Declarant and its employees, representatives, agents, licensees, guests, invitees, successors and/or assigns;

9.4.2.4 the terms and conditions of the Governing Documents and all other restrictions, easements, covenants and other matters of record;

9.4.2.5 in the event that Association believes that Declarant shall have failed in any respect to meet Declarant's obligations under this Declaration or has failed to comply with any of Declarant's obligations under law, or the Common Areas conveyed herein are defective in any respect, the Association shall give written notice to Declarant detailing the alleged failure or defect. Once the Association has given written notice to Declarant pursuant to this Section, the Association shall be obligated to permit Declarant and its agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Declarant to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 8 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Declarant to repair or address, in Declarant's sole option and expense, any aspect of the Common Areas deemed defective by Declarant during its inspections of the Common Areas. Association acknowledges and agrees that Association's failure to give the notice and/or otherwise comply with the provisions of this Section will irretrievably damage Declarant; and

9.4.2.6 a reservation of right in favor of Declarant (so long as Declarant owns any portion of DEL WEBB SUNBRIDGE) to require that Association re-convey all or a portion of the Common Areas by quitclaim deed in favor of Declarant in the event that such property is required to be owned by Declarant for any purpose, including without limitation, the reconfiguration of any adjacent property by replatting or otherwise. To the extent legally required, Association shall be deemed to have granted to Declarant an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

9.5 Operation After Conveyance. Subject to the Association's right to grant easements and other interests as provided herein, and subject to the approval rights of the SFWMD and the County under Section 25.1.7 below with respect to Common Areas containing or affecting the

SWMS, the Association may not convey, abandon, alienate, encumber, or transfer all or a portion of the Common Areas to a third party without (i) if prior to the Turnover, (a) the approval of a majority of the Board; and (b) the written consent of Declarant, or (ii) from and after the Turnover, approval of (x) a majority of the Board; and (y) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the Members.

9.6 Paved Common Areas. The Common Areas may contain certain paved areas. Without limiting any other provision of this Declaration, the Association is responsible for the maintenance, repair and/or resurfacing of all paved surfaces, including but not limited to streets, alleyways, driveways, parking areas, pathways, bicycle paths, and sidewalks forming a part of the Common Areas, if any. Although pavement appears to be a durable material, it requires maintenance. Association shall have the right, but not the obligation, to arrange for a periodic inspection of all paved surfaces forming a part of the Common Areas by a licensed paving contractor and/or engineer. The cost of such inspection shall be a part of the Operating Expenses of the Association. The Association shall determine periodically the parameters of the inspection to be performed, if any. Any patching, grading, or other maintenance work should be performed by a company licensed to perform the work and shall be an Operating Expense of the Association.

9.7 Delegation. Once conveyed to the Association, the Common Areas and improvements located thereon shall at all times be under the complete supervision, operation, control, and management of the Association. Notwithstanding the foregoing, the Association may delegate all or a portion of its obligations hereunder to a licensed manager or professional management company. Association specifically shall have the right to pay for management services on any basis approved by the Board (including bonuses or special fee arrangements for meeting financial or other goals). Declarant, its affiliates and/or subsidiaries shall have the right and option to manage Association at all times prior to Turnover. Owners and Association acknowledge that it is fair and reasonable to have Declarant, its affiliates and/or subsidiaries manage the Association prior to Turnover. Further, in the event that Common Area is created by easement, Association's obligations and rights with respect to such Common Area may be limited by the terms of the document creating such easement.

9.8 Use.

9.8.1 Nonexclusive Use. Except as provided herein, the Common Areas shall be used and enjoyed by the Owners on a non-exclusive basis in common with other persons, entities and corporations (who may, but are not required to be, Members of the Association) entitled to use those portions of the Common Areas as provided in this Declaration and subject to the Rules and Regulations applicable with respect to same. Prior to the Community Completion Date, Declarant, and thereafter, Association have the right, at any and all times, and from time to time, to further additionally provide and make the Common Areas available to other individuals, persons, firms, or corporations, as it deems appropriate. The granting of such rights shall not invalidate this Declaration, reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements or obligations to be performed hereunder.

9.8.2 Right to Allow Use. Declarant and/or the Association may enter into easement agreements or other use or possession agreements whereby the Owners,

Telecommunications Providers, and/or Association and/or others may obtain the use, possession of, or other rights regarding certain property, on an exclusive or non-exclusive basis, for certain specified purposes. Association may agree to maintain and pay the taxes, insurance, administration, upkeep, repair, and replacement of such property, the expenses of which shall be Operating Expenses. Any such agreement by the Association prior to the Community Completion Date shall require the prior written consent of Declarant. THERE IS NO GUARANTEE BY DECLARANT OR ASSOCIATION OR THE SSD THAT WATER QUALITY OR WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT; AT TIMES WATER LEVELS MAY BE MUCH HIGHER THAN OTHER TIMES. Without limiting the foregoing, all persons using the Common Areas or SSD Facilities, including, without limitation, the Recreational Facilities and all Retention Areas, lakes, canals or areas adjacent to any water body, do so at their own risk. Nothing herein shall be deemed to grant any such Owner, Lessee, Immediate Family Member, Guest, invitee or member of the general public any rights of access to or use of any such Retention Area, lake, canal or water body unless such right is expressly granted by this Declaration, the Association or SSD, and all such access and use shall be subject to the Rules and Regulations applicable with respect to same. Any special taxing district shall be created pursuant to all applicable ordinances of the County and all other applicable governing entities having jurisdiction with respect to the same.

9.13 Driveway Repair or Replacement. In the event the SSD or the County or any of its subdivisions, agencies, and/or divisions must remove any portion of an Owner's driveway, sidewalk, walkway or other paved surface on a Lot, then the Owner of such Lot shall be responsible to replace or repair the driveway, sidewalk, walkway or other paved surface at such Owner's expense, if such expenses are not paid for by the SSD or the County. In the event an Owner does not comply with this Section 9.13, the Association may perform the necessary maintenance or replacement and charge the costs thereof to the non-complying Owner as an Individual Assessment. The costs and expense of fulfilling this covenant of indemnification shall be Operating Expenses to the extent such matters are not covered by insurance maintained by the Association.

9.15 Site Plans and Plats. The Plat may identify some of the Common Areas (including Recreational Facilities) and SSD Facilities within DEL WEBB SUNBRIDGE. The description of the Common Areas and any SSD Facilities on the Plat is subject to change and the notes on the Plat are not a guarantee of what facilities will be constructed on such Common Areas or as SSD Facilities. Site plans used by Declarant in its marketing efforts illustrate the types of facilities which may be constructed on the Common Areas or as SSD Facilities, but such site plans are not a guarantee of what facilities will actually be constructed. Each Owner should not rely on the Plat or any site plans used for illustration purposes as the Declaration governs the rights and obligations of Declarant and Owners with respect to the Common Areas (including Recreational Facilities) and any SSD Facilities.

9.16 Recreational Facilities.

Neither the Declarant nor the Association shall be responsible for any loss or damage to any private property used, placed or stored on the Recreational Facilities. Further, any person entering the Recreational Facilities assumes all risk of loss with respect to his or her equipment, jewelry or other possessions, including without limitation, purses, backpacks, wallets, phones, portable electronic devices, books, clothing, sports equipment or other items left in the Recreational Facilities.

9.16.1.3 Activities. Any Owner, Lessee, Immediate Family Member, Guest, invitee or other person who, in any manner, makes use of the Recreational Facilities, or who engages in any contest, game, function, exercise, competition or other activity operated, organized, arranged or sponsored either on or off the Recreational Facilities, shall do so at their own risk. Every Owner shall be liable for any property damage and/or personal injury at the Recreational Facilities, caused by any Owner, his Lessee, and their respective Immediate Family Members, Guests or invitees. Guests must be residing in the Owner's Home while the Owner is also residing in the Home in order to use the Community Amenity. House sitters and Guests residing in the Home when the Owner is not residing in the Home are not eligible to use the Community Amenity. If an Owner is not eligible to use the Community Amenity for any reason, their Guests may not use the Community Amenity. The Community Manager, Manager or Association may monitor usage of the Community Amenity by Guests and compliance of same with this Declaration and any applicable Rules and Regulations and may suspend or terminate any Guest's use privileges for the Community Amenity for any violations of this Declaration or such Rules and Regulations.

9.16.2.2 Guest Use of the Community Amenity. The Board may promulgate and amend from time to time in its discretion Rules and Regulations regarding Guest use of the Community Amenity. Such Rules and Regulations may provide for the issuance of cards (the "**Guest Activity Card**") allowing such Guests to access and use the Community Amenity.

9.16.3 Use of Community Amenity by Lessees and Their Guests. Subject to compliance with the requirements of Section 26.7.3 below, Lessees shall have the right of access to and use of the Community Amenity on the same basis as an Owner, including access and use rights for their Immediate Family Members and their permitted Guests and invitees all as more particularly set forth in Section 26.7.3 below. Lessees and their Immediate Family Members, Guests and invitees may use all other Recreational Facilities, subject to compliance with the Governing Documents.

9.16.4 Recreational Facilities Personal Property. Property or furniture used in connection with the Recreational Facilities shall not be removed from the location in which it is placed or from the Recreational Facilities.

9.16.5 Indemnification. By the use of the Recreational Facilities, as applicable, each Owner, Lessee, Immediate Family Member, Guest and invitee agrees to indemnify and hold harmless the Indemnified Parties against all Losses incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to use of the Recreational Facilities by Owners, Lessees, their respective Immediate Family Members, Guests and invitees and/or from any act or omission of the any of the Indemnified Parties. Losses shall include the deductible payable under any of the Association's insurance policies.

9.16.6 Attorney's Fees. Should any Owner, Lessee or Immediate Family Member, Guest or invitee bring suit against the Indemnified Parties for any claim or matter and fail to obtain judgment therein against such Indemnified Parties, the Owner, Lessee, and/or Immediate Family Member shall be liable to such parties for all Losses, costs and expenses incurred by the Indemnified Parties in the defense of such suit, including attorneys' fees and paraprofessional fees at trial and upon appeal.

9.16.7 Basis For Suspension. The rights of an Owner, Lessee, Immediate Family Member, Guest, invitee or other individual to use the Recreational Facilities (including the Community Amenity) may be suspended by the Association if, in the sole judgment of the Association:

9.16.7.1 such person is not an Owner or a Lessee or an Immediate Family Member or permitted Guest of an Owner or Lessee;

9.16.7.2 the Owner, Lessee, Immediate Family Member, Guest, invitee or other person for whom an Owner or Lessee is responsible violates one or more of the Association's Rules and Regulations;

9.16.7.3 an Owner, Lessee, Immediate Family Member and/or Guest or invitee has injured, harmed or threatened to injure or harm any person within the Recreational Facilities, or harmed, destroyed or stolen any personal property within the Recreational Facilities, whether belonging to an Owner, third party or to the Association: or

9.16.7.4 an Owner fails to pay Assessments due.

9.16.8 Types of Suspension. The Association may restrict or suspend, for cause or causes described herein, any Owner's privileges to use any or all of the Recreational Facilities. By way of example, and not as a limitation, the Association may suspend a Lessee's privileges to use any or all of the Recreational Facilities if such Lessee's Owner fails to pay Assessments due in connection with a leased Home. In addition, the Association may suspend the rights of a particular Owner or Lessee (and/or Immediate Family Member) or prohibit an Owner or Lessee (and/or Immediate Family Member) from using a portion of the Recreational Facilities. No Owner whose privileges have been fully

or partially suspended shall, on account of any such restriction or suspension, be entitled to any refund or abatement of Assessments or any other fees. During the restriction or suspension, Assessments shall continue to accrue and be payable each month. Under no circumstance will an Owner be reinstated until all Assessments and other amounts due to the Association are paid in full. The Board may suspend an Owner's or Lessee's right to use the Recreational Facilities as a result of failure to pay Assessments without prior notice or a hearing. Any suspension of an Owner's or Lessee's rights to use the Recreational Facilities for any other reason shall be imposed after fourteen (14) days' notice to such Owner or Lessee and an opportunity for a hearing before a committee of the Board which is comprised of three (3) members who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother, or sister of an officer, director, or employee of the Association, and such suspension may not be imposed without the approval of a majority of the members of such committee. If the Association imposes a suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee.

10.2 Villa Maintenance. For Villa Lots and Villas only, the Association shall be responsible for the following maintenance (together the "**Villa Maintenance**"):

10.2.1 painting of all exterior painted portions of any dwelling, except exterior doors, which shall be painted as needed by the Villa Lot Owner, including any garage, garage door, gutters, downspouts, shutters and fascia on the dwelling;

The installation of any apparatus on the roof of Villas, covered porches or garages shall be prohibited except for satellite dishes if a rooftop location is the only location for proper reception. In the event an Owner receives approval for any installation of a satellite dish on the roof of their Villa, covered porch or garage, the Owner shall be responsible for any damages, including damage to any other Villas, including roof leaks, resulting from such installation, and the cost of repairing same, if conducted by the Association, shall be an Individual Assessment against such Owner's Lot.

The Villa Lot Owner, and not the Association, shall be responsible for cleaning and removal of debris from gutters and downspouts and shall be responsible for any repair (and replacement if required) for any damage to the gutters, downspouts, shutters and fascia on their Villa resulting from such Villa Lot Owner's failure to clean and remove debris (with respect to gutters and downspouts) or the negligent or willful acts of the Villa Lot Owner, their Lessees and their respective Immediate Family Members, Guests and invitees. If any such Owner fails to conduct such repair and replacement, the Association may (but shall not be obligated to) conduct same and the Association's costs incurred in connection with same shall be an Individual Assessment against such Owner's Villa Lot;

10.2.4 at the Association's option (but without any obligation to provide same) termite treatment of all exterior walls and foundations of dwellings and garages provided that the Association shall not be liable if such treatment proves to be ineffective;

10.2.5 repair or replacement of any mail kiosk for the Villa originally installed by Declarant, whether on the Lot or in the Common Area; and

10.2.6 maintenance, repair and replacement, of sidewalks located on any Villa Lots and installed as part of the original construction on the Villa Lots, however, each Owner agrees to reimburse the Association any expense incurred in repairing any damage to any such sidewalk in the event that the negligent or willful acts of such Owner, their Lessees, Immediately Family Members, Guests or invitees caused such damage. Failure of an Owner to reimburse the Association any costs necessitated by such negligent or willful acts shall subject the Owner to an Individual Assessment for such costs.

All items of Villa Maintenance to be conducted by the Association as set forth above (i) shall be conducted exclusively by the Association and Owners shall have no right to conduct such maintenance, repair and replacement and (ii) shall be conducted at such times, in such manner and to such standards as are determined by the Board in its sole and exclusive discretion.

The cost and expenses of all Villa Maintenance shall be paid by Villa Assessments against Villa Lots as provided in Section 17.2.2 below or by Individual Assessments against Villa Lots as provided in Section 17.2.6 below.

Except for Villa Maintenance conducted by the Association pursuant to this Section 10.2 and Lot Landscaping and Irrigation Maintenance conducted by the Association pursuant to Section 10.15 below, all other portions of the Villa Lots and Villas, including any porches, patios or courtyards, shall be the responsibility of the respective Owners, including, without limitation, maintenance, repair, and replacement, as necessary, of all pipes, lines, wires, conduits, or other apparatus which serve only the Villa Lot, whether located within or outside the Villa Lot's boundaries (including all utility lines and courtyard drains and associated pipes serving only the Villa Lot).

10.3 Natural Buffers. The Plat designates portions of Lots or Tracts as "Upland Preserves" or "Vegetative/Natural Buffer" or which are subject to an easement for "Perimeter

Natural Buffer” or similar purposes (each portion a “**Perimeter Buffer Easement**”). Except as provided in Section 11.9 below, no Owner or Lessee shall clear, install, remove, modify, disturb or alter any landscaping located within any Perimeter Buffer Easement, it being the intent that such areas remain in their natural vegetative state.

10.4 Landscape Maintenance. The Association shall maintain as an Operating Expense all landscaping within any “Landscape and Maintenance Easement” “Landscape Buffer Tract” or other portion of any Lot or Tract (a) dedicated to the Association for landscape purposes (“**Landscape Tract**”) or (b) subject to a landscaping easement in favor of the Association (a “**Landscape Easement**”) as designated on the Plat or by separate recorded easement. Except as provided in Section 11.9 below, no Owner or Lessee shall install, remove, maintain, modify, disturb or alter any landscaping installed within any Landscape Easement. Except as provided in this Declaration, the Owner of each such Lot shall be responsible for maintenance of the elevation, grade and slope of the Lot, maintenance of the portion of the SWMS located on the Lot and repairing any damage to sidewalks, utilities or the SWMS resulting from any trees or landscaping on the Lot.

THE ROADWAYS ADJACENT OR IN PROXIMITY TO DEL WEBB SUNBRIDGE ARE PART OF THE PUBLIC SYSTEM OF ROADWAYS TO BE MAINTAINED BY THE COUNTY OR ITS AGENCIES. EACH OWNER BY THE ACCEPTANCE OF A DEED TO THEIR LOT ACKNOWLEDGES AND AGREES THAT THE ASSOCIATION AND DECLARANT HAVE NO CONTROL WITH REGARD TO (i) ACCESS AND USAGE OF SUCH ROADWAYS BY THE GENERAL PUBLIC, (ii) MAINTENANCE OF SUCH ROADWAYS BY THE COUNTY OR (iii) ENFORCEMENT OF TRAFFIC CONTROL OR PARKING RESTRICTIONS WITH RESPECT TO SUCH ROADWAYS BY THE COUNTY.

10.6 Adjoining Areas. The Association shall maintain those drainage areas, swales, lake maintenance easements, lake slopes and banks, and landscape areas that are within the Common Areas; provided, that, such areas are readily accessible to the Association. Under no circumstances shall Association be responsible for maintaining any inaccessible areas within fences or walls that form a part of a Lot. Further, the Association may undertake maintenance of the landscaped areas adjoining Retention Areas that comprise the SWMS dedicated to the Association by Plat, including, without limitation irrigation, planting, maintaining and trimming trees, plants, shrubs and other landscaping, mowing, mulch, installation of benches, sidewalks and walkways, installation, operation and repair of fountains and aquatic maintenance. The Association’s right to maintain any portion of the SWMS dedicated to the County by Plat, if any, shall be if necessary pursuant to a separate “Use Agreement” with the County or maintenance agreement with the SSD. The cost of maintenance of any such areas shall be deemed part of the Operating Expenses.

10.7 Repair of Damage Caused by Owners. The expense of any maintenance, repair, construction or replacement of any portion of the Common Areas, SSD Facilities or damage to any landscaping or irrigation systems or other improvements located on Lots to be maintained by the Association necessitated by the negligent or willful acts of an Owner, or persons utilizing the Common Areas or SSD Facilities through or under an Owner, including Lessees, Immediate Family Members, Guests and invitees, shall be borne solely by such Owner and the Lot owned by

such Owner shall be subject to an Individual Assessment for that expense. By way of example, and not of limitation, an Owner shall be responsible for the removal of all landscaping and structures placed within easements or Common Areas or SSD Facilities by such Owner or their Lessees without the prior written approval of the Association or SSD, as applicable.

10.8 Right of Entry. Declarant, the SSD and the Association are granted a perpetual and irrevocable easement over, under and across all of DEL WEBB SUNBRIDGE for the purposes herein expressed, including, without limitation, for inspections to ascertain compliance with the provisions of this Declaration, and for the performance of any maintenance, alteration or repair which they are entitled to perform including, without limitation conducting Villa Maintenance and Lot Landscaping and Irrigation Maintenance. The Association may establish Rules and Regulations to ensure that pets, minor children and any activities of Owners and Lessees on Lots, such as approved renovations or additions or installation of other improvements, do not interfere with Villa Maintenance or Lot Landscaping and Irrigation Maintenance. Without limiting the foregoing, Declarant specifically reserves easements for all purposes necessary to comply with any governmental requirement or to satisfy any condition that is a prerequisite for a governmental approval. By way of example, and not of limitation, Declarant may construct, maintain, repair, alter, replace and/or remove improvements; install landscaping; install utilities; and/or remove structures on any portion of DEL WEBB SUNBRIDGE if Declarant is required to do so in order to obtain the release of any bond posted with any governmental agency.

10.9 Maintenance of Property Owned by Others. Association shall, if provided herein or designated by Declarant (or by the Association after the Community Completion Date) by amendment to this Declaration or any document of record, maintain vegetation, landscaping, wetlands, conservation areas, irrigation systems, community identification/features and/or other improvements, areas or elements designated by Declarant (or by the Association after the Community Completion Date) upon areas that are within or outside of DEL WEBB SUNBRIDGE. Such areas may abut, or be proximate to, DEL WEBB SUNBRIDGE, and may be owned by, or be dedicated to, others including, but not limited to, the SSD, a utility, governmental or quasi-governmental entity or a property owner's association. These areas may include (for example and not limitation) parks, swale areas, landscape buffer areas, berm areas or median areas within the right-of-way of public streets, roads, wetlands, conservation areas, drainage areas, community identification or entrance features, community signage or other identification and/or areas within canal rights-of-ways or other abutting waterways. To the extent provided in any agreement between Declarant and Association for the maintenance of any lakes or ponds outside DEL WEBB SUNBRIDGE, the Association shall maintain the same and the costs thereof shall be paid by Owners as part of the Operating Expenses. The Association shall have the right to enter into new agreements or arrangements from time to time for improvements and facilities serving the Members of the Association or to amend the foregoing if the Board deems the same reasonable and appropriate for the continued use and benefit of any part of the Common Areas.

10.10 Perimeter Walls and Fences. The Declarant or SSD may install perimeter walls or fences, including a retaining wall, within any Landscape Tract, Landscape Easement or within any Common Area Tract or any fence or wall easement (the "**Perimeter Wall/Fence Easement**") within DEL WEBB SUNBRIDGE as set forth on the Plat or created pursuant to this Declaration or by separate easement instrument (the "**Perimeter Walls/Fences**"). The Association at all times shall have the exclusive right to maintain, repair, replace any Perimeter Walls/Fences within DEL

WEBB SUNBRIDGE, including Perimeter Walls/Fences located on or facing Lots; however, each Owner shall maintain the interior of any Perimeter Walls/Fences or portion thereof located on or immediately adjacent to such Owner's Lot. Owners may install fences on their Lot which abut perpendicularly (or at such other angles as are consistent with the angles of intersection of the lot lines of such Owner's Lot with the Perimeter Wall/Fence) against any Perimeter Walls/Fences, but no such fence or any other improvements installed by any Owner may be affixed or attached to any Perimeter Walls/Fences or otherwise located within a Perimeter Wall/Fence Easement. In addition, the Association, in conducting any maintenance, repair or replacement of any Perimeter Walls/Fences, shall not be responsible for any damage to or removal of any fences installed by any Owner or any landscaping or improvements located within the Perimeter Wall/Fence Easement. No Owner may install or permit to grow any trees, shrubs or landscaping other than sod on their Lot within any Perimeter Wall/Fence Easement or within five (5) feet of any Perimeter Walls/Fences without approval of the ARC pursuant to Section 19 below. The Association may perform (and is hereby granted an easement of ingress and egress and temporary construction over all Lots as reasonably necessary to perform) any such maintenance, repairs or replacement of the Perimeter Walls/Fences at the Board's discretion and the costs of such maintenance, repairs or replacement shall be Operating Expenses. Failure of the Association to undertake any such maintenance, replacement or repair of the Perimeter Walls/Fences shall in no event be deemed a waiver of the right to do so thereafter. Owners shall provide prompt written notice to the Association in the event any portion of any Perimeter Wall/Fence is damaged or destroyed by the action of such Owner, its Lessees or Immediate Family Members or their respective Guests and invitees, and shall promptly repair, replace and restore such Perimeter Wall/Fence to its prior condition, failing which the Association may repair, replace or restore such Perimeter Wall/Fence and all costs incurred by the Association in connection with same shall be an Individual Assessment against such Owner's Lot. Notwithstanding anything contained in this Section to the contrary, the Declarant neither commits to, nor shall hereby be obligated to, construct such Perimeter Walls/Fences.

10.11 Right-of-Way. The Association may undertake responsibility for the irrigation and maintenance of landscaping and maintenance of improvements located in the public right-of-way adjacent to any portion of DEL WEBB SUNBRIDGE, including, without limitation, any sidewalks, trees, landscaping, irrigation, hardscape, fountains, signage, entrance features, pavers, walls, lighting and electrical lines and systems. Such maintenance may include, but shall not be limited to, (a) maintenance and irrigation of landscaping of and maintenance of signage, lighting and entrance features within the right of way at the entrance to DEL WEBB SUNBRIDGE and (b) maintenance and irrigation of landscaping within the unpaved portion of the rights of way adjacent to perimeter buffering in DEL WEBB SUNBRIDGE. The Association's right to maintain such landscaping and improvements shall be pursuant to a separate "Use Agreement" with the County. The cost associated with any such maintenance and irrigation of landscaping and maintenance of improvements within the public right-of-way adjacent to DEL WEBB SUNBRIDGE shall be deemed part of the Operating Expenses.

10.12 Sidewalks. The Association shall be responsible for the maintenance and repair of all sidewalks within DEL WEBB SUNBRIDGE located in the Common Areas; however, each Owner agrees to reimburse the Association any expense incurred in repairing any damage to such sidewalk in the event that the negligent or willful acts of such Owner, their Lessees, Immediate Family Members, Guests or invitees caused such damage to any sidewalk area. Failure of an

Owner to reimburse the Association any costs necessitated by such negligent or willful acts shall subject the Owner to an Individual Assessment for such costs. Maintenance, repair and replacement of sidewalks and walkways located on any Lot, including walkways from the driveway to the Home, shall be the responsibility of the Lot Owner unless expressly the responsibility of the Association as part of Villa Maintenance pursuant to Section 10.2 above.

10.13 Water Body Slopes. The rear yard of some Lots adjacent to Retention Areas, ponds or lakes may contain water body slopes. Such water body slopes will be regulated by the Association and, except to the extent same is the responsibility of the Association, including, without limitation, Lot Landscaping and Irrigation Maintenance as provide in Section 10.15 below, maintained by the Owner of such Lot. In the event any Owner fails to maintain any water body slopes on such Owner's Lot, or in the event the slopes, banks or berms of any adjacent Retention Areas are damaged as a result of erosion of or stormwater runoff from such Owner's Lot, the Association may maintain, repair or restore same and the costs incurred in connection with such maintenance and restoration shall be an Individual Assessment against such Owner's Lot pursuant to Section 17.2.6 below. The Declarant hereby grants the Association an easement of ingress and egress across all Lots adjacent to water body areas for the purpose of regulating and maintaining such water body slopes.

10.14 SSD Facilities. The SSD may contract with the Association for the maintenance, repair, and replacement of the SSD Facilities in the SSD's sole and absolute discretion and subject to any written agreement accepted by the Association in its sole and absolute discretion. In addition, if the Association desires that the SSD Facilities, or any portion thereof, be maintained, repaired and/or replaced to a higher level or standard than that which the SSD provides, the Association shall have the right, with the written consent of the SSD, to perform such additional maintenance, repair, and/or replacement as the Association desires. The costs and expenses incurred by the Association pursuant to such maintenance arrangement with the SSD shall be a part of the Operating Expenses and, as applicable, the Reserves of the Association.

10.15 Lot Landscaping and Irrigation Maintenance. For all Lots the Association shall be responsible for the following maintenance (together the "**Lot Landscaping and Irrigation Maintenance**"):

10.15.1 operation, maintenance, repair and replacement of any irrigation equipment (including, without limitation, any sprinklers, pumps, water lines and time clocks, wherever located) serving the Lots and installed on the Lots by Declarant as part of the initial construction on the Lots. (the "**Lot Irrigation System**"), except that the Association shall have no responsibility for any sprinklers or other irrigation equipment installed by the Owner or Occupant of any Lot or for any such systems installed within any enclosed courtyard or screened in patio area or any other area not readily accessible from outside the dwelling. The costs of operation, maintenance, repair and replacement of the Lot Irrigation System (excluding electric, water and reclaimed water charges for same, which shall be separately billed to each Lot Owner) shall be an Individual Assessment against applicable Lots as provided in Sections 10.15.5 and 17.2.6 below. The operation and maintenance of the Lot Irrigation System shall be under the exclusive control of the Association and any landscaping or irrigation contractor retained by the Association. No Owner, Lessee, Immediate Family Member or other Guest or invitee shall attempt to

program, tamper with, alter or modify any Lot Irrigation System or the spray field or hours of operation of any Lot Irrigation System. If any portion of an Owner's Lot Irrigation System is malfunctioning, such Owner or their Lessee shall promptly notify the Association with respect to same;

10.15.2 maintenance (including, mowing, edging, fertilizing, watering, mulching, pruning, and replacing, and controlling disease and insects), of all lawns and landscaping installed on the Lots as part of the initial construction on the Lots, specifically excluding any landscaping located within any enclosed courtyard, patio, screened or fenced area or other area not readily accessible from outside the dwelling (the "**Enclosure Landscaping**"). All Enclosure Landscaping must be approved by the ARC and shall be irrigated and maintained by the Lot Owner at their sole cost and expense. Notwithstanding the foregoing, Lot Owners, and not the Association or the Association's landscape maintenance contractor, shall be responsible for repair and restoration, including installation of fill and replacing landscaping as necessary, of any areas of the Lots in which landscaping, paved areas or any other improvements are washed out, subject to erosion or settling or otherwise damaged or altered as a result of discharge or runoff of water from rain, storms, pressure cleaning or other sources, including all runoff and discharges of water from roofs, gutters or downspouts or from any paved areas in and around such Lot;

10.15.3 Maintenance and operation of irrigation facilities and maintenance of trees and landscaping (including irrigation of same) located in private street rights of way adjacent to the Lots.

10.15.4 No Owner or Lessee shall install any additional landscaping, including flowers, trees or shrubs, installed on any Lot after completion of initial construction on any Lot without approval of the ARC. Any such landscaping installed by an Owner (including prior Owners) on any Lot (the "**Owner Installed Landscaping**"), regardless of whether such Owner Installed Landscaping is permitted pursuant to this Section 10.15.4, shall be maintained exclusively by the Association's landscape maintenance contractor. No Owner or Lessee shall maintain, trim, prune, fertilize, spray, replace, or in any other way maintain any Owner Installed Landscaping on their Lots and shall not engage or permit any party other than the Association's landscape maintenance contractor to conduct any such activities or otherwise maintain any Owner Installed Landscaping on such Owner's Lot. All additional costs of maintaining any such Owner Installed Landscaping shall be an additional Individual Assessment against such Owner's Lot. Prior to requesting ARC approval for Owner Installed Landscaping, the Owner or Lessee shall obtain and deliver to the ARC the written approval of such Owner Installed Landscaping and the additional costs to be incurred in connection with same from the Association's landscape maintenance contractor. If the Association's landscape maintenance contractor does not approve such Owner Installed Landscaping, same may not be installed. The ARC may deny approval, condition its approval or limit locations for installation of any Owner Installed Landscaping in its sole discretion, and may deny installation of Owner Installed Landscaping if, in the ARC's sole judgment, it determines any such Owner Installed Landscaping shall interfere with or increase the cost of Villa Maintenance or Lot Landscaping or Irrigation Maintenance or other activities conducted by the Association on such Lot or interfere with the maintenance or operation of any portion of the SWMS located on or adjacent to such

Lot. The ARC may deny approval of Owner Installed Landscaping even if the Association's landscape maintenance contractor has approved and agreed to maintain same. It is anticipated that no approvals will be granted for installation of Owner Installed Landscaping on any Villa Lots other than Enclosure Landscaping to be maintained and irrigated by the Owner of the Villa Lot. In addition, no Owner Installed Landscaping, including mulched areas, may be installed in any Landscape Tract, Landscape Easement, Access and Maintenance Easement or Private Drainage Easement or on or in proximity to Lot lines or within or in proximity to drainage slopes and swales. The Association may also elect to discontinue irrigation and maintenance of Owner Installed Landscaping at any time in its sole discretion, at which point the Owner of the Lot shall thereafter be responsible for and permitted to maintain same. Any (i) Owner Installed Landscaping installed or maintained on any Lot and (ii) Association irrigation or maintenance of any Owner Installed Landscaping on any Lot shall be at such Lot Owner's sole expense and risk. The Association shall not be responsible for damage to, or obligated to replace any, Owner Installed Landscaping under any circumstances. Nothing herein shall be deemed to authorize the installation of Owner Installed Landscaping on any Lot without ARC approval of same, which can be withheld in the ARC's sole discretion. The additional costs of the Association's landscape maintenance contractor to maintain any Owner Installed Landscaping shall be an additional Individual Assessment against such Owner's Lot pursuant to Section 17.2.6 below.

10.15.5 The cost of Lot Landscaping and Irrigation Maintenance shall be an Individual Assessment against each Lot pursuant to Section 17.2.6 below and shall vary based upon the size categories for such Lots established by the Association, but shall be uniform for all Lots within each size category, subject to additional Individual Assessments relating to Owner Installed Landscaping as provided in Section 10.15.4 above.

10.15.6 Except as expressly provided to the contrary in this Declaration or in any Rules and Regulations with respect to same set forth by the Board, all of the items of Lot Landscaping and Irrigation and Maintenance set forth in this Sections 10.15 (i) shall be conducted exclusively by the Association, and Owners shall have no right to conduct any such Lot Landscaping and Irrigation Maintenance on their Lots and (ii) shall be conducted at such times, in such manner and to such standards as are determined by the Board in its sole and exclusive discretion.

10.15.7 Subject to prohibition or limitations on same pursuant to Rules and Regulations adopted by the Declarant or Board as provided in this Declaration, Lot Owners and Lessees are permitted to supplement the Lot Landscaping and Irrigation Maintenance conducted by the Association by conducting themselves or engaging a landscaping contractor at their sole cost and expense to conduct (i) installation of additional mulch of the same type and in the same locations as installed by the Association's landscaping contractor with prior written approval from the ARC, (ii) weeding flower and landscape beds, (iii) trimming shrubs and bushes, (iv) deadheading roses, (v) additional fertilization or pest control in a manner and type and at such times and in such volume as approved in writing by the Association's landscaping contractor and (vi) such other landscaping maintenance as is authorized by Rules and Regulations adopted by the Declarant or the Board as provided in this Declaration (together the "Permitted Owner/Lessee Lot

Landscaping Activities”). All Permitted Owner/Lessee Lot Landscaping Activities shall be conducted at the sole risk and expense of the Owner of the Lot and such Owner is responsible for the cost of any repair or replacement of any sod, shrubs, trees, flowers and other landscaping, irrigation systems or other improvements on their Lot, another Lot or in any Common Areas that are damaged or destroyed as a result of any Permitted Owner/Lessee Lot Landscaping Activities. Declarant or the Board may at any time in their sole discretion promulgate Rules and Regulations prohibiting, limiting or regulating any or all Permitted Owner/Lessee Lot Landscaping Activities on Lots.

11. **Maintenance by Owners.** Except as expressly provided herein, including, without limitation, Villa Maintenance to be conducted by the Association on Villa Lots as provided in Section 10.2 above and Lot Landscaping and Irrigation Maintenance to be conducted on Lots by the Association as provided in Section 10.15 above, all portions of the Lots and Homes, including any driveways, sidewalks, walkways, porches, patios or courtyards, shall be the responsibility of the respective Owners, including, without limitation, maintenance of the elevation, grade and slope of the Lot, maintenance of the portion of the SWMS located on the Lot and repairing any damage to sidewalks, utilities or the SWMS resulting from any trees or landscaping on the Lot, maintenance, repair, and replacement, as necessary, of all pipes, lines, wires, conduits, or other apparatus which serve only the Lot, whether located within or outside the Lot’s boundaries (including all utility lines and courtyard drain and associated pipes serving only the Lot). Each Owner shall maintain his or her Lot and Home, including without limitation, all structural components, landscaping, driveways, garage doors, and any other improvements comprising the Lot or Home in first class, good, safe, clean, neat and attractive condition consistent with the general appearance of DEL WEBB SUNBRIDGE, except to the extent such maintenance responsibility is specifically the obligation of the Association pursuant to the terms of this Declaration including, without limitations, Villa Maintenance to be conducted by the Association pursuant to Section 10.2 above and Lot Landscaping and Irrigation Maintenance to be conducted by the Association as provided in Section 10.15 above, and (ii) any portion of any Lot which is Conservation Easement Property, which shall be governed by Section 27 below. In the event Lots and Homes are not maintained by the Owner of the Lot in accordance with the requirements of this Section 11, the Association may, but shall not be obligated to, perform the maintenance obligations on behalf of the Owner and recover all costs and expenses incurred by the Association in connection with same as an Individual Assessment against such Owner’s Lot pursuant to Section 17.2.6 below.

11.1 **Right of Association to Enforce.** Declarant hereby grants the Association an easement over each Lot for the purpose of insuring compliance with the requirements of this Section 11. In the event an Owner does not comply with this Section 11, the Association may perform the necessary maintenance and charge the costs thereof to the noncomplying Owner as an Individual Assessment. Without limiting the generality of the foregoing, in the event any Owner fails to maintain their Lot or Home in accordance with the requirements of the Governing Documents, including without limitation, this Section 11, the Association, after providing not less than ten (10) days written notice and an opportunity to cure such failure to such Owner, may, but shall not be obligated to, enter upon such Owner’s Lot to conduct any such requirement maintenance and shall charge the costs thereof to the Owner as an Individual Assessment. Notwithstanding the foregoing, the Association shall have the right, but not the obligation, to enter upon an Owner’s Lot to conduct any required maintenance or take such other action as required,

in the sole judgment of the Association, to bring such Owner's Lot and Home into compliance with the Governing Documents without prior notice or opportunity to cure to such Owner in situations in which the Association determines, in its sole discretion, that immediate action is required to remedy or prevent a hazardous condition or to preserve the community standards of DEL WEBB SUNBRIDGE, and the Association shall charge the costs thereof to the Owner as an Individual Assessment. The Association shall have the right to enforce this Section 11 by all necessary legal action. In the event that Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section 11, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, before trial, at trial and upon appeal.

11.2 Intentionally Deleted.

11.3 Owner Modifications to Lots or Improvements. No sod, topsoil, tree or shrubbery shall be removed from DEL WEBB SUNBRIDGE and there shall be no change in the plant landscaping, elevation, condition of the soil or the level of the land of such areas which results in any change in the flow and drainage of surface water which the Association, in its sole discretion, considers detrimental or potentially detrimental to person or property. No additional landscaping or improvements may be installed on any Lot without ARC approval pursuant to Section 10.15.4 above and Section 19 below. Owners who install additional landscaping or improvements to any Lot (including, without limitation, concrete or brick pavers) with or without the approval of the ARC that result in any change in the flow and/or drainage of surface water for such Lot or which require a modification of the Lot Irrigation System for such Lot shall be responsible for all of the costs of drainage problems or required modifications to the SWMS or Lot Irrigation System for such Lot resulting from such improvements or landscaping. Further, in the event that such Owner fails to pay for such required repairs or modifications, such Owner agrees to reimburse the Association for all expenses incurred in (i) removing any improvements or landscaping not approved by the ARC and (ii) fixing such drainage problems including, without limitation, removing excess water and repairing or modifying the SWMS or (iii) modifying such Lot Irrigation System and shall be subject to an Individual Assessment for same.

11.4 Weeds and Refuse. No weeds, underbrush, or other unsightly growth shall be permitted to be grown or remain upon the cleared portion of any Lot. No refuse or unsightly objects shall be allowed to be placed or allowed to remain upon any Lot.

11.5 Paved Surfaces. Each Owner shall be responsible to timely repair, maintain and/or replace the driveways, sidewalks, walkways and all other paved surfaces comprising part of a Lot, except to the extent same is the express maintenance obligation of the Association under this Declaration including, without limitation, Villa Maintenance to be conducted by the Association pursuant to Section 10.2. In the event the SSD or County or any of their subdivisions, agencies, and/or divisions must remove any portion of an Owner's driveway, sidewalk, walkway or other paved surface of a Lot not required to be maintained by the Association for the installation, repair, replacement or maintenance of utilities, then the Owner of the applicable Lot will be responsible to replace or repair such paved surfaces at such Owner's expense. Further, each Owner agrees to reimburse the Association any expense incurred in repairing any damage to such paved surfaces in the event that such Owner fails to make the required repairs, together with interest at the highest rate allowed by law. In the event an Owner does not comply with this Section, the Association

may perform the necessary maintenance and charge the costs thereof to the non-complying Owner as an Individual Assessment.

11.6 Water Intrusion. Florida experiences heavy rainfall and humidity on a regular basis. Each Owner is responsible for making sure his or her Home remains watertight including, without limitation, checking caulking around windows and seals on doors. Each Owner acknowledges that running air conditioning machinery with windows and/or doors open in humid conditions can result in condensation, mold and/or water intrusion. Declarant and Association shall not have liability under such circumstances for any damage or loss that an Owner may incur. FURTHER, GIVEN THE CLIMATE AND HUMID CONDITIONS IN FLORIDA, MOLDS, MILDEW, TOXINS AND FUNGI MAY EXIST AND/OR DEVELOP WITHIN HOMES. EACH OWNER IS HEREBY ADVISED THAT CERTAIN MOLDS, MILDEW, TOXINS AND/OR FUNGI MAY BE, OR IF ALLOWED TO REMAIN FOR A SUFFICIENT PERIOD MAY BECOME, TOXIC AND POTENTIALLY POSE A HEALTH RISK. BY ACQUIRING TITLE TO A HOME AND/OR LOT, EACH OWNER, FOR AND ON BEHALF OF THEMSELVES, THEIR LESSEES AND THE IMMEDIATE FAMILY MEMBERS OF THEMSELVES AND THEIR LESSEES, SHALL BE DEEMED TO HAVE ASSUMED THE RISKS ASSOCIATED WITH MOLDS, MILDEW, TOXINS AND/OR FUNGI AND TO HAVE RELEASED DECLARANT AND THE INDEMNIFIED PARTIES FROM ANY AND LIABILITY RESULTING FROM SAME.

11.7 Adjacent Common Area Roadway Tracts. Single Family Owners shall be responsible for the costs, charges and expenses incurred in connection with maintenance of the sidewalks located in the Common Area Roadway Tracts immediately adjacent to their Single Family Lots. The Association shall maintain irrigation facilities and maintain and irrigate the grass, trees and landscaping located in the Common Area Roadway Tracts immediately adjacent to all Lots as part of the Lot Landscaping and Irrigation Maintenance pursuant to Section 10.15 above. Maintenance of sidewalks, located in Common Area Roadway Tracts adjacent to Villa Lots shall be conducted by the Association as part of Villa Maintenance. No tree installed by the Declarant, Association or SSD in such Common Area Roadway Tracts shall be felled, removed, or cut down unless such tree represents a hazard to the Home or other improvements on the Lot, or to persons occupying or utilizing DEL WEBB SUNBRIDGE.

11.8 Party Walls. Each wall or fence, any part of which is placed on a dividing line between separate Lots as part of the original construction on the Lots shall constitute a "**Party Wall**." In addition to side lot lines, Party Walls may be placed on the dividing line that is located along the common rear lot lines of back to back Lots. Each adjoining Owner's obligation with respect to Party Walls shall be determined by this Declaration, except as otherwise required by Florida law.

11.8.1 Sharing Repair and Maintenance. Each Owner shall maintain the exterior surface of a Party Wall facing his Lot. Except as provided in this Section 11.8, the cost of reasonable repair shall be shared equally by adjoining Lot Owners.

11.8.2 Damage by One Owner. If a Party Wall is damaged or destroyed by the act of one adjoining Owner, their Lessees or their respective Immediate Family Members, Guests, licensees or agents (whether or not such act is negligent or otherwise culpable),

then that Owner shall immediately rebuild or repair the Party Wall to its prior condition without cost to the adjoining Owner and shall indemnify the adjoining Owner from any consequential damages, loss or liabilities. No Owner shall violate any of the following restrictions and any damage (whether cosmetic or structural) resulting from violation of any of the following restrictions shall be considered caused by the Owner causing such action or allowing such action to occur on such Owner's Lot:

11.8.2.1 No Owner shall allow sprinklers operated by the Owner to spray or other water sources to deliver water within one foot (1') of any Party Wall, excluding rainfall that falls directly on such area (i.e. an Owner shall not collect rainfall from other portions of the Lot and deliver it within one foot (1') of any Party Wall);

11.8.2.2 No Owner shall allow attachment of anything, including but not limited to any climbing plant or vine, to any Party Wall; and

The foregoing shall not be deemed to regulate or restrict the activities of the Association in (i) conducting Lot Landscaping and Irrigation Maintenance or (ii) maintaining and irrigating landscaping on Common Areas pursuant to the provisions of this Declaration.

11.8.3 Other Damage or Ordinary Wear and Tear. If a Party Wall is damaged or destroyed by any cause other than the act of one of the adjoining Owners, their Lessees or their respective Immediate Family Members, Guests or invitees (or must be maintained or replaced as a result of ordinary wear and tear and deterioration from lapse of time), then the adjoining Owners shall rebuild or repair, maintain or replace the Party Wall to its prior condition, equally sharing the expense; provided, however, that if a Party Wall is damaged or destroyed as a result of an accident or circumstances that originate or occur on a particular Lot (whether or not such accident or circumstance is caused by the action or inaction of the Owner of that Lot, or their Lessees or their respective Immediate Family Members, Guests or invitees) then in such event, the Owner of that particular Lot shall be solely responsible for the cost of rebuilding or repairing the Party Wall and shall immediately repair the Party Wall to its prior condition.

11.8.4 Association Right to Repair. In the event that the Owner or Owners responsible for rebuilding, repairing, maintaining or replacing a Party Wall as provided above fail to conduct such required work with respect to the Party Wall, the Association may, but shall not be obligated to, conduct any or all such rebuilding, repairing, maintenance or replacement with respect to such Party Wall and the Owner or Owners originally responsible for same shall reimburse the Association for all costs and expenses incurred by the Association in connection with same, and shall be subject to an Individual Assessment against their Lot or Lots for all such costs and expenses.

11.8.5 Right of Entry. Each Owner shall permit the Owners of adjoining Lots, or their representatives, to enter his Lot for the purpose of installations, alteration, or repairs to a Party Wall on the Lot of such adjoining Owners, provided that other than for emergencies, requests for entry are made in advance and that such entry is at a time reasonably convenient to the Owner of the adjoining Lot. An adjoining Owner making

entry pursuant to this Section shall not be deemed guilty of trespassing by reason of such entry. Such entering Owner shall indemnify the adjoining Owner from any consequential damages sustained by reason of such entry.

11.8.6 Right of Contribution. The right of any Owner to contribution from any other Owner under this Section 11.8 shall be appurtenant to the land and shall pass to such Owner's successors in title.

11.8.7 Consent of Adjoining Owner. In addition to meeting the requirements of this Declaration and of any applicable building code and similar regulations or ordinances, any Owner proposing to modify, alter, make additions to or rebuild (other than rebuilding in a manner materially consistent with the previously existing Party Wall) the Party Wall, shall first obtain the written consent of the adjoining Owner, which shall not be unreasonably withheld, delayed or conditioned.

11.9 Removal of Trees within Conservation Easement Property. Subject to the requirements set forth below, Owners may only remove a tree from Conservation Easement Property or Perimeter Buffer Easement (or similar term) within or adjacent to their Lots if (i) such tree, due to damage or disease, presents a potential danger to damage to persons or property on such Owner's Lot, (ii) such Owner obtains and complies with all required permits and approvals for such removal from the SFWMD, County and all other governmental agencies with jurisdiction over same and delivers copies of such permits and approvals to the Association, (iii) such Owner obtains the written approval of the Association for such tree removal, and (iv) such Owner engages a tree removal contractor that is from a list of approved contractors or is otherwise approved in writing by the Association, in its sole discretion, to remove such tree. Any such tree removal, including any required mitigation for or replanting for same, shall be conducted at the sole cost and expense of the Owner removing such tree.

11.10 Exterior Home Maintenance. Each Owner is solely responsible for the proper maintenance and cleaning of the exterior walls of his or her Home. Exterior walls are comprised in whole or in part of concrete block, framing, siding, hardy board or other finish material composed of or coated with stucco or cementitious coating (collectively, "**Stucco/Cementitious Finish**"). While Stucco/Cementitious Finish is high in compressive or impact strength, it is not of sufficient tensile strength to resist building movement. It is the nature of Stucco/Cementitious Finish to experience some cracking and it will expand and contract in response to temperature, sometimes creating minor hairline cracks in the outer layer of the stucco application. This is normal behavior and considered a routine maintenance item for the Owner. Each Owner is responsible to inspect the Stucco/Cementitious Finish to the exterior walls for cracking and engage a qualified professional to seal those cracks and repair the affected area. In addition, each Owner is responsible for inspecting the exterior paint and caulk material in the exterior wall system openings (i.e. windows, doors, hose bibs, etc.) for peeling, cracking or separating. If the inspection reveals any such items, the Owner is responsible for engaging a qualified professional to clean, repair, re-caulk and repaint those areas of the Home. Each Owner is responsible for all maintenance and repairs described in this Section 11.10, and they should be completed in a timely fashion to prevent any damage to the Home.

12. Use Restrictions. The following Use Restrictions shall apply to all Lots within DEL WEBB SUNBRIDGE, except for any Lots owned by the Declarant. Each Owner, Lessee, Immediate Family Member and their Guests and invitees must comply with the following:

12.1 Alterations and Additions. No material alteration, addition or modification to a Lot or Home, or material change in the appearance thereof, shall be made without the prior written approval thereof being first had and obtained from the ARC as required by this Declaration.

12.2 Animals. No animals of any kind shall be raised, bred or kept within DEL WEBB SUNBRIDGE for commercial purposes. Except as provided below, Owners may keep up to a total of three (3) domesticated pets at any one time as permitted by County ordinances and otherwise in accordance with the Rules and Regulations established by the Board from time to time. Notwithstanding the foregoing, pets may be kept or harbored in a Home only so long as such pets or animals do not constitute a nuisance. In addition, any individual pet or any type or breed of pet considered by the Board to constitute a nuisance or to be a threat to the safety of residents, guests or invitees of DEL WEBB SUNBRIDGE, their pets or members of the general public may be banned from DEL WEBB SUNBRIDGE by Board action if an individual pet or by Rules and Regulations adopted by the Board if a type or breed of pet. A determination by the Board that an animal or pet kept or harbored in a Home or type of breed or pet is a nuisance or constitutes a safety threat shall be conclusive and binding on all parties. Without limiting the generality of the foregoing, dog breeds or partial breeds that include pit bulls or other breeds deemed to be dangerous by the Board in its sole discretion are prohibited. All pets shall be walked on a leash. No pet shall be permitted outside a Home unless such pet is kept on a leash or within an enclosed portion of the yard of a Lot. No pet or animal shall be "tied out" on the exterior of the Home or in the Common Areas, or left unattended in a yard or on a balcony, porch, or patio. No dog runs or enclosures shall be permitted on any Lot. When notice of removal of any pet is given by the Board, the pet shall be removed within forty-eight (48) hours of the giving of the notice. The person walking the pet or the Owner are required to pick up, remove and properly dispose of litter deposited by their pets within DEL WEBB SUNBRIDGE. Each Owner shall be responsible for the activities of its pet.

12.2.1 All permitted pets must be caged or on a short leash at all times when they are within any portion of DEL WEBB SUNBRIDGE (except the Owner's Home or Lot). Pets must be on the grass before the pet is permitted to stop and relieve itself.

12.2.2 Animals that are typically kept in cages or containers wholly within the Home such as small caged birds, fish, lizards, turtles and hamsters may be maintained provided such animals are of a breed or variety commonly kept as household pets in similar buildings, are not kept or bred for any commercial purpose, and are kept in strict accordance with the Rules and Regulations outlined in this policy and in accordance with applicable law. If any such pets become a nuisance, the Board shall have the right, but not the obligation, to require their removal. Wild animals, exotic animals, farm animals and poisonous creatures are not allowed, including but not limited to any variety of pigs, skunks, tarantulas and similar animals and snakes.

12.2.3 Neither the Board, Declarant, nor the Association shall be liable for any personal injury, death or property damage resulting from a violation of the foregoing Rules

and Regulations governing pets and every Owner maintaining a pet within DEL WEBB SUNBRIDGE agrees to defend, indemnify and hold the Indemnified Parties harmless against any loss, claim, damage or liability of any kind or character whatsoever arising or growing out of the privilege of having a pet within DEL WEBB SUNBRIDGE. Any landscaping damage or other damage to the DEL WEBB SUNBRIDGE, caused by an Owner's pet must be promptly repaired by the Owner. The Association retains the right to effect said repairs and charge the Owner therefore as an Individual Assessment.

12.2.4 A violation of the provisions of this Section 12.2 shall entitle the Association and the Board to all of its rights and remedies available under the Declaration, Bylaws, Florida Statutes and any applicable Rules and Regulations, including, but not limited to, the right to fine Owners and/or to require any pet to be permanently removed from DEL WEBB SUNBRIDGE. This Section 12.2 shall also apply to Lessees who have pets.

12.3 Artificial Vegetation. Except as otherwise permitted by Florida law, no artificial grass, plants or other artificial vegetation, or rocks or other landscape devices, shall be placed or maintained upon the exterior portion of any Lot.

12.4 Vehicles. Except as provided in the following sentence, the following restrictions shall apply to all vehicles utilized or parked in DEL WEBB SUNBRIDGE. Notwithstanding any other provision in this Declaration to the contrary, the following restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by Declarant or its contractors, subcontractors, suppliers, consultants or agents or by the Association or its contractors or agents:

12.4.1 Parking. Owners', Lessees' and Immediate Family Members' vehicles shall not be parked in streets, private roadways or alleyways within DEL WEBB SUNBRIDGE and shall only be parked in areas designated for parking vehicles of Owners, Lessees and Immediate Family Members (and not any Guest or visitor parking) or in the garage or driveway of the respective Owners' Lot and shall not block the sidewalk. All such vehicles shall be parked parallel with the driveway so that the front or rear of the vehicle faces the garage. Vehicles shall not be parked on the portion of the driveway that is located between the sidewalk (or the location of the sidewalk if extended through the driveway) and the adjacent street. All parking spaces allocated to each Home shall be located on the Lot containing the Home. Such parking spaces shall be (i) with respect to Homes with a 2 car garage, two (2) parking spaces in the garage and two (2) parking spaces in the driveway and (ii) with respect to Homes with a 3 car garage, three (3) parking spaces in the garage and three (3) parking spaces in the driveway. Owners, Lessees and Immediate Family Members may have golf carts and motorcycles, but such golf carts and motorcycles must be parked within a garage. All Owners, Lessees and Immediate Family Members must register all vehicles with the Association. All parking within the Property shall be in accordance with Rules and Regulations adopted from time to time by the Board. All vehicles within DEL WEBB SUNBRIDGE must be operational, in good repair, must bear a current license and registration tag, as required pursuant to state law and must be in a good, clean and attractive condition. To the extent DEL WEBB SUNBRIDGE has any guest parking, Owners, Lessees and Immediate Family Members are prohibited from

In the case of joint ownership of a Lot or Home, the liability of such Owner shall be joint and several. The cost of correcting such damage shall be an Individual Assessment against the Owner and may be collected as provided herein for the collection of Assessments.

All Drainage Swale Easements are hereby dedicated to the Association. Each Lot Owner, including Declarant and any builders, shall be responsible for the maintenance, operation and repair of the Drainage Swales on their Lot. Such maintenance, operation and repair shall mean the exercise of practices, such as mowing, irrigation, maintenance and replacement of landscaping (to the extent same is not part of Villa Maintenance or Lot Landscaping and Irrigation Maintenance to be conducted by the Association) and erosion repair, which allow the Drainage Swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SFWMD. Filing, excavation, construction of fences or otherwise obstructing the surface water flow in Drainage Swales is prohibited. No alteration of any Drainage Swale, including alteration of the grade, elevation or slope of same, is permitted without prior approval of the Association, the County, the SFWMD and all other governmental agencies with jurisdiction over same. Any damage or alteration to any Drainage Swale, whether caused by natural or human induced phenomena, shall be repaired and the Drainage Swale returned to its former condition as soon as possible by the Owner of the Lot upon which the Drainage Swale is located. The Association may, but shall not be obligated to, maintain all Drainage Swales within Drainage Swale Easements as

an Operating Expense and is hereby granted an easement for same. The Association shall provide written notice to the Owners of Lots with Drainage Swales if the Association has elected to maintain such Drainage Swales. In the event the Association elects to maintain or repair any Drainage Swale as an Operating Expense, or in the event Lot Owners are responsible for maintenance and repair of Drainage Swales and fails to properly maintain and repair same, Owners of Lots shall be responsible for the cost of such maintenance, restoration or repair of any damage to or alteration of any such Drainage Swale or Drainage Swale Easement by such Owner, their Lessee or any Immediate Family Member, Guest or invitee of any Owner or Lessee and all costs incurred by the Association in connection with same shall be an Individual Assessment on such Owner's Lot. No Owner shall install any improvements or additional landscaping within any Drainage Swale Easement without the prior written approval of same by the ARC.

Association is hereby granted an easement over all of DEL WEBB SUNBRIDGE, including all Lots, for the purposes of: (i) constructing, maintaining, replacing and operating all Common Areas; (ii) performing any obligation the Association is obligated to perform under this Declaration, including Villa Maintenance and Lot Landscaping and Irrigation Maintenance; (iii) taking such actions as the Association deems necessary or advisable in fulfilling its obligations and exercising its rights under this Declaration; and (iv) performing any obligation of an Owner for which the Association intends to impose an Individual Assessment.

15.12 Blanket Easement in favor of the SSD. The SSD is hereby granted an easement over all of DEL WEBB SUNBRIDGE, including all Lots and Common Areas, for the purposes of: (i) constructing, managing, operating, maintaining, repairing, replacing, monitoring and preserving property, improvements and systems the SSD is required to maintain under the SSD Documents, including, but not limited to Lift Stations, water, sewer and reclaimed water lines and facilities, the SWMS, the Conservation Easement Property and Perimeter Walls/Fences (ii); performing any obligation the SSD is obligated to perform under the SSD Documents; and (iii) taking such actions as the SSD deems necessary or advisable in fulfilling its obligations and exercising its rights under the SSD Documents.

15.13 Duration. All easements created herein or pursuant to the provisions hereof shall be perpetual unless stated to the contrary.

16. Restrictions Affecting Occupancy and Alienation.

16.1 Restrictions on Occupancy. Subject to the rights reserved to Declarant in Section 16.2, the Lots within DEL WEBB SUNBRIDGE are intended for the housing of persons fifty-five (55) years of age or older. The provisions of this Section 16.1 are intended to be consistent with and are set forth in order to comply with the Fair Housing Amendments Act, 42 U.S.C. §3601 et seq. (1988), as amended, the exemption set out in 42 U.S.C. §3607(b)(1) and (b)(2)(c) and the regulations promulgated thereunder (collectively, as may be amended, the "Act") allowing discrimination based on familial status. Declarant or the Association, acting through the Board, shall have the power to amend this Section, without the consent of the Members or any person or entity except Declarant, for the purpose of maintaining the age restriction consistent with the Act, the regulations adopted pursuant thereto and any related judicial decisions in order to maintain the intent and enforceability of this Section. DEL WEBB SUNBRIDGE will continue to qualify and

be operated as housing for persons fifty-five (55) years of age and older pursuant to the Act and persons under the age of nineteen (19) years shall be prohibited from Occupying Homes in DEL WEBB SUNBRIDGE for a period of no less than thirty (30) years from the date of recording of this Declaration.

16.1.1 Each occupied Home shall at all times be Occupied by at least one person fifty-five (55) years of age or older; however, in the event of the death of a person who was the sole Occupant fifty-five (55) years of age or older of a Home, any Qualified Occupant may continue to Occupy the same Home as long as the provisions of the Act are not violated by such Occupancy.

16.1.2 No person under the age of nineteen (19) shall Occupy a Home. Anyone under the age of nineteen (19) is allowed to visit the Lots or Homes, provided that someone nineteen (19) or older supervises the person at all times.

16.1.3 Nothing in this Section shall restrict the ownership of or transfer of title to any Lot; provided, no Owner under the age of fifty-five (55) may Occupy a Home unless the requirements of this Section are met nor shall any Owner permit Occupancy of the Home in violation of this Section. Owners shall be responsible for including a statement that the Lots within DEL WEBB SUNBRIDGE are intended for the housing of persons fifty-five (55) years of age or older and that Occupancy by any person under the age of nineteen (19) is prohibited, as set forth in this Section, in conspicuous type in any Lease Agreement or other occupancy agreement or contract of sale relating to such Owner's Lot, which agreements or contracts shall be in writing and signed by the Lessee or purchaser and for clearly disclosing such intent to any prospective Lessee, purchaser, or other potential occupant of the Lot. Every Lease Agreement of a Lot or Home shall provide that failure to comply with the requirements and restrictions of this Section shall constitute a default under the Lease Agreement.

16.1.4 Any Owner may request in writing that the Board make an exception to the requirements for an Age-Qualified Occupant of this Section with respect to a Home on his or her Lot, based on documented hardship. The Board may, but shall not be obligated to, grant exceptions in its sole discretion, provided that all of the requirements of the Act and the Tavistock Deed Use Restriction (as defined in Section 16.8 below) would still be met, and further provided that no exception to Section 16.1.2 above shall be granted.

16.1.5 In the event of any change in Occupancy of any Home, as a result of a transfer of title, a lease or sublease, a birth or death, change in marital status, vacancy, change in location of permanent Home, or otherwise, the Owner of the Home shall immediately notify the Board in writing and provide to the Board the names and ages of all current Occupants of the Home and such other information as the Board may reasonably require to verify the age of each Occupant required to comply with the Act and the Tavistock Deed Use Restriction. In the event that an Owner fails to notify the Board and provide all required information within ten (10) days after a change in Occupancy occurs, the Association may levy monetary fines against the Owner and the Lot for each day after the change in Occupancy occurs until the Association receives the required notice and information, regardless of whether the Occupants continue to meet the requirements of this

Article, in addition to all other remedies available to the Association under this Declaration and Florida law.

16.2 Sales by Declarant. Notwithstanding the restriction set forth in this Section 16, Declarant reserves the right to sell Lots and Homes for Occupancy by Persons between forty-five (45) and fifty-five (55) years of age; provided, such sales shall not affect the Community's compliance with (a) all applicable State and Federal laws under which the Community may be developed and operated as an age-restricted community, including (i) requirements that a minimum percentage of Homes be Occupied by at least one Age-Qualified Occupant as required under the Act or any other such State and Federal laws, (ii) the prohibition on Occupancy of any Home by any person under the age of nineteen (19) as provided in Section 16.1.2 above and (b) the Tavistock Deed Use Restriction as set forth in Section 16.8 below.

16.3 Monitoring Compliance; Appointment of Attorney-in-Fact. The Association shall be responsible for maintaining records to support and demonstrate compliance with the Act and the Tavistock Deed Use Restriction. The Board shall adopt policies, procedures and rules to monitor and maintain compliance with this Section, the Act and the Tavistock Deed Use Restriction, including policies regarding visitors, updating of age records, the granting of exemptions to compliance and enforcement. The Association shall periodically distribute such policies, procedures and rules to the Owners and make copies available to Owners, their Lessees and Mortgagees upon reasonable request.

16.4 Enforcement. The Association may enforce this Section 16 in any legal or equitable manner available, as the Board deems appropriate, including, without limitation, conducting a census of the Occupants of Homes, requiring that copies of birth certificates or other proof of age for one new Age-Qualified Occupant per Home be provided to the Board on a periodic basis, in its sole discretion, taking action to evict the occupants of any Home which does not comply with the requirements and restrictions of this Section. Association's records regarding individual Members shall be maintained on a confidential basis and not provided except as legally required to governing authorities seeking to enforce the Act or Tavistock in monitoring compliance with and enforcing the Tavistock Deed Use Restriction. Each Owner shall fully and truthfully respond to any Association request for information regarding the occupancy of Home on his or her Lot which, in the Board's judgment, is reasonably necessary to monitor compliance with this Section. Each Owner hereby appoints the Association as its attorney in fact for the purpose of taking legal or equitable action to dispossess evict or otherwise remove the occupants of any Home on his or her Lot as necessary to enforce compliance with this Section.

16.5 Owner Compliance and Indemnity. Each Owner shall be responsible for ensuring compliance of its Lot with the requirements and restrictions of this Section and the Association rules adopted hereunder, by itself and by its Lessees and other occupants of its Lot or Home. Each Owner, by acceptance of title to a Lot or Home agrees to indemnify, defend and hold Declarant, any affiliate of Declarant and the Association harmless from any and all claims, losses, damages and causes of action which may arise from failure of such Owner's Lot to so comply. Such defense costs shall include, but not be limited to, attorney fees and costs.

16.6 Household Composition. The Association shall not interfere with the freedom of Members and Residents to determine the number of Qualified Occupants within a household,

except that it may limit the total of Persons entitled to occupy a Home based upon the size of the Home (based on such factors as the number of bedrooms), not to exceed the number permitted under current zoning ordinances and limit the number of occupants per household who have full privileges as Members to use of the Common Area.

16.7 School Impact Fee Exemption. Pursuant to the Osceola County Code of Ordinances, Chapter 24 (the “**Impact Fee Ordinance**”), The School Board of Osceola County, Florida (the “School Board”) is entitled to the collection of educational system impact fees (“**School Impact Fees**”) to require residential construction to contribute its fair share of the cost of improvements and additions to the educational system necessary to accommodate such growth. Section 24-42 of the Impact Fee Ordinance provides for certain exemptions to the educational system impact fee, including, without limitation, an exemption for residential development that qualifies and is intended to be operated as “housing for older persons,” as that term is defined in the Impact Fee Ordinance and by applicable federal law. It is the intent of the Declarant that DEL WEBB SUNBRIDGE be designated and operated as “housing for older persons” in compliance with the terms and provisions of the Act and to qualify for an exemption from payment of School Impact Fees to the School Board under the Impact Fee Ordinance in connection with the construction and occupancy of Homes in DEL WEBB SUNBRIDGE. If, within the thirty (30) year period from the date of the recording of the Declaration, DEL WEBB SUNBRIDGE is no longer being operated as housing for older persons, in compliance with Act, or persons under the age of nineteen (19) are allowed to occupy any Home within the DEL WEBB SUNBRIDGE, then DEL WEBB SUNBRIDGE, shall lose its impact fee exemption and the Association shall pay School Impact Fees in effect at the time of such change or non-compliance for all Homes within DEL WEBB SUNBRIDGE. Such School Impact Fees shall be an Operating Expense and may be the subject of a Special Assessment.

16.8 Tavistock Deed Use Restriction. Declarant purchased Phase 1 Property from Tavistock pursuant to that certain Special Warranty Deed recorded February 5, 2019 in Official Records Book 5472, Page 2457 of the Public Records and re-recorded February 6, 2019 in official Records Book 5472, Page 2734 of the Public Records (the “**Tavistock Deed**”). The Tavistock Deed imposed on the property described therein a use restriction as follows: the “**Tavistock Deed Use Restriction**”):

16.8.1 The Phase 1 Property is limited and restricted to the “Permitted Use” as described therein and described in Section 16.8.2 below (the “**Permitted Use**”) for a period of fifty (50) years after the date of recordation of the Phase 1 Deed.

16.8.2 The Permitted Use of the Phase 1 Property is limited to an age-restricted residential, gated community intended for housing for persons who are 55 years of age or older to include the product mix and lot types and sizes for single family detached homes and single-family attached villas, common areas, open spaces, roadways, Amenity Center, Model Center and other subdivision improvements specifically described on and otherwise consistent with the Site Plan approved by Tavistock as same may be amended from time to time and approved by Tavistock pursuant to the Development Agreement (the “**Tavistock Approved Site Plan**”).

16.8.3 The Permitted Use requires that at least eighty percent (80%) of the Homes within DEL WEBB SUNBRIDGE shall be occupied by at least one Age Qualified Occupant consistent with the Act.

16.8.4 Declarant shall develop DEL WEBB SUNBRIDGE in accordance with the Tavistock Approved Site Plan and the Association shall maintain a copy of the Tavistock Approved Site Plan as part of its official records. Proposed amendments to the Tavistock Approved Site Plan shall be submitted to Tavistock for approval pursuant to the Tavistock Development Agreement and executed by Declarant prior to Turnover and by the Association thereafter.

16.9 Effect of Conflicting Terms. In the event of any conflict between the terms, covenants and provisions of this Section 16 and the other terms, covenants or provisions of this Declaration, as same may be amended or supplemented, and the terms, covenants and provisions of the Governing Documents, Title Documents or other agreements or covenants affecting DEL WEBB SUNBRIDGE that may be hereinbefore or hereinafter entered into and/or recorded in the Public Records, the terms, covenants and provisions of this Section 16 shall control.

17. Assessments.

17.1 General. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner (whether or not so expressed in the deed), including any purchaser at a judicial sale, shall be deemed to have covenanted and agreed to pay to the Association at the time and in the manner required by the Board, assessments or charges as are fixed, established and collected from time to time by the Association (collectively, the "Assessments"). As Vacant Lots (as defined herein), Spec Lots (as defined herein) and VG Lots (as defined herein) are not improved or may not receive certain services, Declarant and any record title owner of a Vacant Lot, Spec Lot or VG Lot shall not be assessed uniformly with Lots containing completed Homes which are not Spec Lots or VG Lots.

17.2 Purpose of Assessments. The Assessments levied by the Association shall be used for, among other things, the purpose of operating and maintaining DEL WEBB SUNBRIDGE, and in particular, without limitation, for the improvement, operation, repair, maintenance and replacement of the Common Areas (including SSD Facilities maintained by the Association pursuant to an agreement for same with the SSD), including without limitation the Surface Water Management System and Conservation Easement Property (to the extent not maintained by the SSD) as well as any mitigation or preservation areas, including but not limited to work within Retention Areas, drainage structures and drainage easements and providing for Villa Maintenance through Villa Assessments and Lot Landscaping and Irrigation Maintenance through Individual Assessments as provided below. Assessments shall include the following categories of charges as and when levied and deemed payable by the Board:

17.2.1 Any periodic assessment (on such frequency as determined by the Board) or charge for the purpose of operating the Association and accomplishing any and all of its purposes, as determined in accordance herewith, including without limitation, payment of Operating Expenses and collection of amounts necessary to pay any deficits from prior years' operation, but excluding assessments for Reserves ("Installment Assessments");

17.2.2 Assessments against Villa Lots for all costs and expenses of Villa Maintenance (“**Villa Assessments**”), which shall be Individual Assessments and an additional Installment Assessments applicable against the Villa Lots only. Villa Assessments may vary based upon the costs and expenses of providing Villa Maintenance to individual Villa Lots.

17.2.3 Any special assessments for capital improvements, major repairs, emergencies, the repair or replacement of the Surface Water Management System, or nonrecurring expenses (“**Special Assessments**”);

17.2.4 Any specific fees, dues or charges to be paid for any special services, for any special or personal use of the Common Areas, or to reimburse the Association for the expenses incurred in connection with such service or use (“**Use Fees**”);

17.2.5 Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. The Board may, but shall have no obligation to, include a “**Reserve for Replacement**” in the Installment Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas, including any SSD Facilities maintained by the Association (the “**Reserves**”), including without limitation, Reserves for maintenance, repair and replacement of Recreational Facilities, Perimeter Walls/Fences, Surface Water Management System, and any other Common Area improvements or infrastructure operated or maintained by the Association. In addition, the Board shall establish separate Reserves for periodic Villa Maintenance which shall be funded by the Villa Assessments on Villa Lots and which may vary based upon the cost for periodic maintenance, repair or replacement of improvements for individual Villa Lots. Reserves shall be payable in such manner and at such times as determined by the Association, and may be payable in installments extending beyond the fiscal year in which the Reserves are established; and

17.2.6 Any specific assessment for costs incurred by the Association which amounts are by their nature applicable only to one or more Lots, but less than all Lots or amounts that vary from Lot to Lot, such as the cost of Lot Landscaping and Irrigation Maintenance (“**Individual Assessments**”). By way of example and not limitation, the cost of Lot Landscaping and Irrigation Maintenance for each Lot shall be an Individual Assessment against each Lot that varies based upon the size category of such Lot as provided in Section 10.15.5 above. There may also be Individual Assessments in varying amounts against an Owner’s Lot for the cost of maintaining Owner Installed Landscaping located on same. In addition, in the event an Owner fails to maintain their Lot or the exterior of their Home in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment.

17.2.7 Neighborhood Assessment. In the event that the Declarant determines to provide Common Area improvements or services which serve some Owners to the exclusion of others and therefore designates a Neighborhood, those benefiting from such additional Common Area improvements or services shall be assessed the cost thereof by the Association (“**Neighborhood Assessments**”). The Board shall prepare a budget for such costs and shall designate the Lots which shall be subject to payment of the Neighborhood Assessment therefore.

17.2.8 Emergency Assessments. The Association may also levy an emergency assessment (“**Emergency Assessment**”) at any time by a majority vote of the Board, for the purpose of defraying, in whole or in part, the cost of any extraordinary or emergency matters that affect the Common Areas, the Lots or Homes or Members of the Association, including but not limited to, after depletion of any applicable reserves, any unexpected expenditures not provided for by the budget or unanticipated increases in the amounts budgeted. Any Emergency Assessment levied hereunder shall be due and payable at the time and in the manner specified by the Board of Directors in the action imposing such Assessment.

17.3 Designation. The designation of Assessment type and amount shall be made by the Association. Prior to the Community Completion Date, any such designation must be approved by Declarant. Such designation may be made on the budget prepared by the Association. The designation shall be binding upon all Owners.

17.4 Allocation of Operating Expenses.

17.4.1 Commencing on the first day of the period covered by the annual budget, and until the adoption of the next annual budget, the Assessments for Operating Expenses and Reserves (if any) shall be allocated so that each Owner shall pay Operating Expenses, Special Assessments and Reserves based upon a fraction, the numerator of which is one (1) and the denominator of which is the total number of Lots in DEL WEBB SUNBRIDGE conveyed to Owners or any greater number determined by Declarant from time to time. Notwithstanding the foregoing, Villa Assessments and Reserves for Villa Maintenance shall be allocated only among the applicable Villa Lots. Declarant, in its sole and absolute discretion may change such denominator from time to time; provided, however, under no circumstances will the denominator be less than the number of Lots owned by Owners. In addition, (i) any Lot that does not have a Home constructed thereon as evidenced by a Certificate of Occupancy (a “**Vacant Lot**”), (ii) any Lot that has a Home constructed thereon but is owned by the Declarant (a “**Spec Lot**”) and (iii) any Lot with a Home used by Declarant in its Vacation Getaway program (a “**VG Lot**”) pursuant to Section 21.22 below also shall be assessed at ten percent (10%) of the Installment Assessment assessed to Lots with Homes constructed thereon and owned by Owners. The Vacant Lot Assessment, Spec Lot Assessment and VG Lot Assessment shall be additional income to the Association and Vacant Lots, Spec Lots and VG Lots shall not be included in the denominator used to determine each Owner’s pro rata share of the Operating Expenses and Reserves (if any), unless otherwise determined by the Declarant in its sole and absolute discretion. In no event, however, shall Declarant pay Special Assessments.

17.4.2 In the event the Operating Expenses as estimated in the budget for a particular fiscal year are, after the actual Operating Expenses for that period is known, less than the actual costs, then the difference shall, at the election of the Association: (i) be added to the calculation of Installment Assessments, as applicable, for the next ensuing fiscal year; or (ii) be immediately collected from the Owners as a Special Assessment. The Association shall have the unequivocal right to specially assess Owners retroactively on January 1st of any year for any shortfall in Installment Assessments, which Special Assessment shall relate back to the date that the Installment Assessments could have been made. After the Turnover Date, no vote of the Owners shall be required for such Special Assessment (or for any other Assessment) except to the extent specifically provided herein. Prior to the Turnover Date, a Special Assessment may be levied by the Association with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly called meeting of the Members.

17.4.3 Each Owner agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by other Owners or the Declarant of any sums due.

17.5 General Assessments Allocation. Installment Assessments shall be uniform for all Lots improved with a Home, except as provided in this Declaration, including, without limitation, Villa Assessments which are only applicable with respect to (and vary with respect to) Villa Lots. Special Assessments and Reserves shall be allocated equally to each Owner, except for Special Assessments and Reserves for Villa Maintenance, which shall be additional Special Assessments and Reserves allocated to each Owner of a Villa Lot and which may vary between individual Villa Lots. Notwithstanding anything to the contrary contained in the Governing Documents, but subject to the rights of Declarant pursuant to Section 17.8 of this Declaration, Vacant Lots, Spec Lots and VG Lots shall be assessed at ten percent (10%) of the Installment Assessments assessed to Lots with Homes constructed thereon and owned by Owners. This lesser Assessment amount reflects that such Vacant Lots, Spec Lots and VG Lots will not benefit from maintenance and other services provided by the Association. At such time as a Home is conveyed by the Declarant to an Owner, then the Vacant Lot, Spec Lot or VG Lot, as applicable, shall be deemed a fully assessed Lot and shall be responsible for one-hundred percent (100%) of Installment Assessments and Special Assessments, except as otherwise provided herein.

17.6 Use Fees and Individual Assessment. Except as hereinafter specified to the contrary, Use Fees and Individual Assessments shall be made against the Owners benefiting from, or subject to, the special service or cost as specified by the Association.

17.7 Commencement of First Assessment. Assessments shall commence as to each Owner on the day of the conveyance of title of a Home to such Owner. The record title owner of a Lot is jointly and severally liable with the previous record title owner of the Lot for all unpaid Assessments that came due up to the time of transfer of title. A record title owner of a Lot, regardless of how title to the Lot has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all Assessments that come due while such person or entity was the record title owner of the Lot. An Owner's liability for Assessments may not be avoided by waiver or suspension of the use or enjoyment of any Common Areas or by abandonment of the Lot upon which the Assessments are made.

17.8 Shortfalls and Surpluses. Each Owner acknowledges that because Installment Assessments, Special Assessments, and Reserves are allocated based on the formula provided herein, or upon the number of Lots conveyed to Owners in the prior fiscal year, it is possible that the Association may collect more or less than the amount budgeted for Operating Expenses. Prior to the Turnover, in lieu of payment of Installment Assessments on Homes or Lots owned by Declarant at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots, Spec Lots and VG Lots, owned by Class A Members, Declarant shall have the option to pay any Operating Expenses incurred by the Association that exceed the Assessments receivable from Owners and other income of the Association (the “**Deficit**”). Notwithstanding any other provision of this Declaration to the contrary, Declarant shall never be required to (i) pay assessments on Future Development Tracts, (ii) pay Assessments if Declarant has elected to fund the Deficit instead of paying Assessments on Homes or Lots owned by Declarant, (iii) pay Special Assessments or Reserves, or (iv) fund deficits due to delinquent Owners. Any surplus Assessments collected by the Association may be allocated towards the next year’s Operating Expenses or, in the Association’s sole and absolute discretion, to the creation or funding of Reserves, whether or not budgeted. Under no circumstances shall the Association be required to pay surplus Assessments to Owners. The Declarant may at any time give thirty (30) days prior written notice to the Association terminating its responsibility for the Deficit, and waiving its right to exclusion from Assessments. Upon giving such notice, or upon Turnover, whichever is sooner, each Lot owned by Declarant shall thereafter be assessed at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots, Spec Lots and VG Lots, owned by Class A Members. Declarant shall not be responsible for any Reserves or Special Assessments, even after the Turnover. Declarant shall be assessed only for Lots which are subject to the operation of this Declaration. Upon transfer of title of a Lot owned by Declarant, the Lot shall be assessed in the amount established for Lots owned by Owners other than the Declarant, prorated as of and commencing with, the month following the date of transfer of title.

THE DECLARANT DOES NOT PROVIDE A GUARANTEE OF THE LEVEL OF ASSESSMENTS. AS SUCH, THERE IS NO MAXIMUM GUARANTEED LEVEL OF ASSESSMENTS DUE FROM OWNERS. IN THE EVENT THE DECLARANT ELECTS TO DEFICIT FUND IN LIEU OF PAYING ASSESSMENTS ON THE SAME BASIS AS OTHER OWNERS, THE DECLARANT SHALL SPECIFICALLY ELECT TO FUND THE DEFICIT AS PROVIDED IN SECTION 720.308(1)(B), FLORIDA STATUTES. AS SUCH, THE PROVISIONS OF SECTIONS 720.308(2) THROUGH 720.308(6), FLORIDA STATUTES, ARE NOT APPLICABLE TO THE DECLARANT OR THE CALCULATION OF THE DEFICIT OR OTHER AMOUNTS DUE FROM THE DECLARANT.

17.9 Budgets. The initial budget prepared by Declarant is adopted as the budget for the period of operation until adoption of the first annual Association budget. Thereafter, annual budgets shall be prepared and adopted by the Association. Assessments shall be payable by each Owner as provided in this Declaration. THE INITIAL BUDGET OF THE ASSOCIATION IS PROJECTED (NOT BASED ON HISTORICAL OPERATING FIGURES). THEREFORE, IT IS POSSIBLE THAT ACTUAL ASSESSMENTS MAY BE LESS OR GREATER THAN PROJECTED.

17.10 Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

17.10.1 Installment Assessments shall be established by the adoption of a twelve (12) month operating budget by the Board. The budget shall be in the form required by Section 720.303(6), Florida Statutes. The Board may from time to time determine when the Installment Assessments will be collected by the Association (i.e. monthly, quarterly, or annually). Unless otherwise established by the Board, Installment Assessments for Operating Expenses shall be collected on a monthly basis.

17.10.2 Special Assessments and Individual Assessments may be established by the Association, from time to time, and shall be payable at such time or time(s) as determined by the Board. Until the Community Completion Date, no Special Assessment shall be imposed without the consent of Declarant.

17.10.3 Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including, a professional management company, Use Fees. The sums established shall be payable by the Owner utilizing the service or facility as determined by the Association.

17.11 Initial Contribution. The first purchaser of a Lot from the Declarant shall pay to the Association an initial contribution in an amount determined by the Board from time to time, subject to the prior written approval of such amount by the Declarant (the "**Initial Contribution**") at the time of closing of the conveyance. The funds derived from the Initial Contributions are deemed income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, existing and future Operating Expenses, capital improvements, support costs and start-up costs.

17.12 Resale Contribution. After the conveyance of a Lot in which an Initial Contribution is paid or payable as provided in Section 17.11 above, there shall be collected from the purchaser upon every subsequent conveyance of an ownership interest in a Home by an Owner a resale contribution in an amount determined by the Board from time to time (the "**Resale Contribution**"). The Resale Contribution shall not be applicable to conveyances from or to Declarant. The funds derived from the Resale Contributions are income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs.

17.13 Assessment Estoppel Certificates. No Owner shall sell or convey its interest in a Lot or Home unless all sums due to the Association have been paid in full and an estoppel certificate shall have been received by such Owner. Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of the Association, or its designees, and shall be open to inspection by any Owner. Within ten (10) business days of a written request therefor, there shall be furnished to an Owner an estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount that is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner requesting the estoppel certificate shall be required to pay Association or the Manager (as defined below) engaged by the Association a reasonable sum to cover the costs of examining records and preparing such estoppel certificate.

17.14 Payment of Home Real Estate Taxes. Each Owner shall pay all taxes and obligations relating to its Lot which, if not paid, could become a lien against the Lot that is superior to the lien for Assessments created by this Declaration.

17.15 Creation of the Lien and Personal Obligation. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Lot, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels of proceedings including appeals, collections and bankruptcy, shall be a charge and continuing lien in favor of the Association encumbering the Lot owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records stating the legal description of the Lot, name of the Owner, and the amounts due as of that date, but shall relate back to the date that this Declaration is recorded. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, and other costs and expenses provided for herein, shall be the personal obligation of the person or entity that was the record title owner of the Lot at the time when the Assessment became due, as well as the such record title owner's heirs, devisees, personal representatives, successors or assigns.

17.16 Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to bona fide first mortgage held by a Lender on any Lot, if the mortgage is recorded in the Public Records prior to the Claim of Lien. The lien for Assessments shall not be affected by any sale or transfer of a Lot, except in the event of a sale or transfer of a Lot pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise) of a bona fide first mortgage held by a Lender, in which event, the acquirer of title, its successors and assigns, shall be liable for Assessments which became due prior to such sale or transfer to the extent provided in Section 720.3085, Florida Statutes. However, any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners (including such acquirer of title) as a part of Operating Expenses. Any sale or transfer pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise pursuant to a foreclosure) shall not relieve the record title owner from liability for, nor the Lot from, the lien of any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure. A Lender shall give written notice to the Association if the mortgage held by such Lender is in default. Failure by a Lender to furnish a notice of default to the Association shall not result in liability of the Lender because such notice is given as a courtesy to the Association and the furnishing of such notice is not an obligation of any Lender to the Association. Association shall have the right, but not the obligation, to cure such default within the time periods provided in the mortgage held by such Lender. In the event Association makes such payment on behalf of a record title owner, the Association shall, in addition to all other rights reserved herein, be subrogated to all of the rights of the Lender with respect to such payment. All amounts advanced on behalf of a record title Owner pursuant to this Section shall be added to Assessments payable by such record title owner with appropriate interest.

17.17 Acceleration. In the event of a default in the payment of any Assessment, the Association may accelerate the Assessments then due for up to the next ensuing twelve (12) month

period. Each Assessment so accelerated shall be deemed, initially, equal to the amount of the then most current delinquent installment, provided however that if any such Assessments so accelerated would have been greater in amount by reason of a subsequent increase in the applicable budget, the Owner of the Lot whose Assessments were so accelerated shall continue to be liable for the balance due by reason of such increase and Special Assessments against such Lot shall be levied by the Association for such purpose.

17.18 Non-Payment of Assessments. If any Assessment is not paid within ten (10) days (or such other period of time established by the Board) after the due date, a late fee of Twenty-Five and no/100 Dollars (\$25.00) per month or five percent of the delinquent installments whichever is greater (or such greater amount established by the Board and permitted by applicable law), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Board), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate the Association for administrative costs, loss of use of money, and accounting expenses. Subject to providing any prior notice as may be required by law, if any, the Association may, at any time thereafter, bring an action at law against the record title owner personally obligated to pay the same, and/or foreclose the lien against the Lot, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use, the Common Areas or by abandonment of a Lot or Home. All payments on accounts shall be first applied to fines levied in accordance with the terms of this Declaration, interest accrued by the Association, then to any administrative late fee, then to costs and attorneys' fees, and then to the delinquent Assessment payment first due. The allocation of payment described in the previous sentence shall apply notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

17.19 Exemption. Notwithstanding anything to the contrary herein, Declarant, at Declarant's sole option, shall either (i) pay Installment Assessments for Operating Expenses on Lots and Homes owned by Declarant, or (ii) fund the Deficit, if any, as set forth in Section 17.8 herein. In addition, the Board shall have the right to exempt any portion of DEL WEBB SUNBRIDGE subject to this Declaration from the Assessments, provided that such part of DEL WEBB SUNBRIDGE exempted is used (and as long as it is used) for any of the following purposes:

17.19.1 Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; and

17.19.2 Any of DEL WEBB SUNBRIDGE exempted from ad valorem taxation by the laws of the State of Florida or exempted from Assessments by other provisions of this Declaration.

17.20 Collection by Declarant. If for any reason the Association shall fail or be unable to levy or collect Assessments, then in that event, Declarant shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to the Association to bear interest and to be

repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, including, but not limited to, recovery of attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy. Such remedies shall be deemed assigned to Declarant for such purposes. If Declarant advances sums, it shall be entitled to immediate reimbursement, on demand, from Association for such amounts so paid, plus interest thereon at the Wall Street Journal Prime Rate plus two percent (2%), plus any costs of collection including, but not limited to, reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy.

17.21 Rights to Pay Assessments and Receive Reimbursement. Association, Declarant and any Lender shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Lot or Home. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Association with regard to the amounts due.

17.22 Mortgagee Right. Each Lender may request in writing that Association notify such Lender of any default of the Owner of the Home subject to the Lender's mortgage which default is not cured within thirty (30) days after Association learns of such default. A failure by the Association to furnish notice to any Lender shall not result in liability of the Association because such notice is given as a courtesy to a Lender and the furnishing of such notice is not an obligation of the Association to Lender.

17.23 Collection from Lessees. If a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. All such payments made by a Lessee to the Association shall be credited against rent and other sums due from such Lessee to such Owner. So long as the Owner remains delinquent, future rent payments due to the Owner must be paid to the Association and shall be credited to the monetary obligations of the Owner to the Association; provided, however, if within fourteen (14) days from the written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive a credit for the prepaid rent for the applicable period of such prepaid rent.

18. Information to Lenders and Owners.

18.1 Availability. There shall be available for inspections upon request, during normal business hours or under other reasonable circumstances, to Owners and Lenders current copies of the Governing Documents.

18.2 Copying. Any Owner and/or Lender shall be entitled, upon written request, and at its cost, to a copy of the documents referred to above.

18.3 Notice. Upon written request by a Lender (identifying the name and address of the Lender and the name and address of the applicable Owner), the Lender will be entitled to timely written notice of:

18.3.1 Any condemnation loss or casualty loss which affects a material portion of a Home to the extent Association is notified of the same;

18.3.2 Any delinquency in the payment of Assessments owed by an Owner of a Home subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;

18.3.3 Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained hereunder; and

18.3.4 Any proposed action that specifically requires the consent of a Lender.

19. Architectural Control.

19.1 Architectural Review Committee. The ARC shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions relating to DEL WEBB SUNBRIDGE. The ARC shall consist of a minimum of three (3) members who shall initially be named by Declarant and who shall hold office at the pleasure of Declarant. Until the Community Completion Date, Declarant shall have the right to change the number of members on the ARC, and to appoint, remove, and replace all members of the ARC. Declarant shall determine which members of the ARC shall serve as its chairman and co-chairman. In the event of the failure, refusal, or inability to act of any of the members appointed by Declarant, Declarant shall have the right to replace any member within thirty (30) days of such occurrence. If Declarant fails to replace that member, the remaining members of the ARC shall fill the vacancy by appointment. From and after the Community Completion Date, the Board shall have the same rights as Declarant with respect to the ARC. Notwithstanding the foregoing, in the event Tavistock or an affiliate of Tavistock annexes any of the Additional Purchase Property into this Declaration as provided in Section 5.2, a separate and distinct ARC shall be established for the purposes of administering this Section 19 to the lands annexed by Tavistock or its affiliate (the "**Tavistock ARC**"). The Tavistock ARC shall abide by the same rules and requirements as are applicable to the ARC under this Declaration; except, prior to the Community Completion Date, the Tavistock ARC shall consist of a minimum of three (3) members who shall initially be named by Tavistock and who shall hold office at the pleasure of Tavistock. Until the Community Completion Date, Tavistock shall have the right to change the number of members on the Tavistock ARC, and to appoint, remove, and replace all members of the Tavistock ARC. Tavistock shall determine which members of the Tavistock ARC shall serve as its chairman and co-chairman. In the event of the failure, refusal, or inability to act of any of the members appointed by Tavistock, Tavistock shall have the right to replace any member within thirty (30) days of such occurrence. If Tavistock fails to replace that member, the remaining members of the Tavistock ARC shall fill the vacancy by appointment. Upon the Community Completion Date, the Tavistock ARC shall automatically cease to exist and the lands previously subject to the architectural control of the Tavistock ARC shall instead be subject to the architectural control of the ARC.

19.2 Membership. There is no requirement that any member of the ARC be a Member of the Association.

19.3 General Plan. It is the intent of this Declaration to create a general plan and scheme of development of DEL WEBB SUNBRIDGE. Accordingly, the ARC shall have the right to approve or disapprove all architectural, landscaping, and improvements within DEL WEBB SUNBRIDGE by Owners. The ARC shall have the right to evaluate all plans and specifications

as to consistency with the Architectural Guidelines, Permitted Use, Tavistock Approved Site Plan, harmony of exterior design, landscaping, location of any proposed improvements, relationship to surrounding structures, topography and conformity with such other reasonable requirements as shall be adopted by ARC. The ARC may impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes. Prior to the Community Completion Date, any additional standards or modification of existing standards shall require the consent of Declarant, which may be granted or denied in its sole discretion.

19.4 Master Plan. Declarant has established an overall Master Plan. However, notwithstanding the above, or any other document, brochures or plans, Declarant reserves the right to modify the Master Plan or any site plan at any time as it deems desirable in its sole discretion and in accordance with applicable laws and ordinances, subject, however, to compliance with the Permitted Use and Tavistock Approved Site Plan as long as the Tavistock Deed Use Restrictions are in effect. WITHOUT LIMITING THE FOREGOING, DECLARANT MAY PRESENT TO THE PUBLIC OR TO OWNERS RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS RESPECTING DEL WEBB SUNBRIDGE. SUCH RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS ARE NOT A GUARANTEE OF HOW DEL WEBB SUNBRIDGE WILL APPEAR UPON COMPLETION AND DECLARANT RESERVES THE RIGHT TO CHANGE ANY AND ALL OF THE FOREGOING AT ANY TIME AS DECLARANT DEEMS NECESSARY IN ITS SOLE AND ABSOLUTE DISCRETION.

19.5 Architectural Guidelines. Each Owner and its contractors and employees shall observe, and comply with, and all construction or installation or landscaping or improvements in DEL WEBB SUNBRIDGE shall be consistent with the Architectural Guidelines which now or may hereafter be promulgated by the Declarant or the ARC, as same may be amended from time to time. The Architectural Guidelines shall be effective from the date of adoption or amendment, as applicable; shall be specifically enforceable by injunction or otherwise: and shall have the effect of covenants as if set forth herein verbatim. The Architectural Guidelines shall not require any Owner to alter the improvements previously constructed in compliance with or exempt from compliance with the Architectural Guidelines then in effect at the time of construction or installation of same. Until the Community Completion Date, Declarant shall have the right to approve, adopt or amend the Architectural Guidelines in its sole discretion.

19.6 Quorum. A majority of the ARC shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the ARC. In lieu of a meeting, the ARC may act in writing.

19.7 Power and Duties of the ARC. No improvements shall be constructed on a Lot, no exterior of a Home shall be repainted, no landscaping, sign, or improvements erected, removed, planted, or installed upon on a Lot, nor shall any material addition to or any change, replacement, or alteration of the improvements as originally constructed by Declarant (visible from the exterior of the Home) be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and the location of same shall have been submitted to and approved in writing by the ARC.

19.8 Procedure. In order to obtain the approval of the ARC, each Owner shall observe the following:

19.8.1 Each applicant shall submit an application to the ARC with respect to any proposed improvement or material change in an improvement, together with the required application(s) and other fee(s) as established by the ARC. The applications shall include such information as may be required by the application form adopted by the ARC. The ARC may also require submission of samples of building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the ARC, such site plans, plans and specifications for the proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and surface water drainage plan showing existing and proposed design grades, contours relating to the predetermined ground floor finish elevation, pool plans and specifications and the times scheduled for completion, all as reasonably specified by the ARC.

19.8.2 In the event the information submitted to the ARC is, in the ARC's opinion, incomplete or insufficient in any manner, the ARC may request and require the submission of additional or supplemental information. The applicant shall, within fifteen (15) days thereafter, comply with the request.

19.8.3 No later than forty-five (45) days after receipt of all information required by the ARC for final review, the ARC shall approve or deny the application in writing. The ARC shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the ARC's sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon. In approving or disapproving such plans and specifications, the ARC shall consider the suitability of the proposed improvements, the materials of which the improvements are to be built, the site upon which the improvements are proposed to be erected, the harmony thereof with the surrounding area, the effect thereof on adjacent or neighboring property and the impact of same on the cost of Villa Maintenance and Lot Landscaping and Irrigation Maintenance and the impact of same on the Lot Irrigation System. In no event shall the ARC approve any plans and specifications that are inconsistent with the Permitted Use or Tavistock Approved Site Plan while the Tavistock Deed Restrictions are in effect. In the event the ARC fails to respond within said forty-five (45) day period, the plans and specifications shall be deemed disapproved by the ARC.

19.8.4 Construction of all improvements shall be completed within the time period set forth in the application and approved by the ARC.

19.8.5 In the event that the ARC disapproves any plans and specifications, the applicant may request a rehearing by the ARC for additional review of the disapproved plans and specifications. The meeting shall take place no later than forty-five (45) days after written request for such meeting is received by the ARC, unless applicant waives this time requirement in writing. The ARC shall make a final written decision no later than forty-five (45) days after such meeting. In the event the ARC fails to provide such written

decision within said forty-five (45) days, the plans and specifications shall be deemed disapproved.

19.8.6 Upon final disapproval (even if the members of the Board and the ARC are the same), the applicant may appeal the decision of the ARC to the Board within thirty (30) days of the ARC's written review and disapproval. Review by the Board shall take place no later than thirty (30) days subsequent to the receipt by the Board of the applicant's request therefor. If the Board fails to hold such a meeting within thirty (30) days after receipt of request for such meeting, then the plans and specifications shall be deemed disapproved. The Board shall make a final decision no later than sixty (60) days after such meeting. In the event the Board fails to provide such written decision within said sixty (60) days after such meeting, such plans and specifications shall be deemed disapproved. The decision of the ARC, or, if appealed, the Board, shall be final and binding upon the applicant, its heirs, legal representatives, successors and assigns.

19.9 Alterations. Any and all alterations, deletions, additions and changes of any type or nature whatsoever to then existing improvements or the plans or specifications previously approved by the ARC shall be subject to the approval of the ARC in the same manner as required for approval of original plans and specifications.

19.10 Variances. Association or ARC shall have the power to grant variances from any requirements set forth in this Declaration or from the Architectural Guidelines, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or otherwise affect the right to require strict compliance with the requirements set forth herein or in the Architectural Guidelines on any other occasion.

19.11 Permits. Each Owner is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction.

19.12 Construction Activities. The following provisions govern construction activities by Owners after consent of the ARC has been obtained:

19.12.1 Each Owner shall deliver to the ARC, if requested, copies of all construction and building permits as and when received by the Owner, as applicable. Each construction site in DEL WEBB SUNBRIDGE shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike and continuous basis. Roadways, easements, swales, Common Areas, and other such areas in DEL WEBB SUNBRIDGE shall be kept clear of construction vehicles, construction materials and debris at all times. No construction office or trailer shall be kept in DEL WEBB SUNBRIDGE and no construction materials shall be stored in DEL WEBB SUNBRIDGE, subject, however, to such conditions and requirements as may be promulgated by the ARC. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any Common Areas or other Lots or be placed anywhere outside of the Lot upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled and used, including, without limitation, gasoline and petroleum products, except in

compliance with all applicable federal, state and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in or within the construction or adjacent property. All construction activities shall comply with the Architectural Guidelines. If an Owner (or any of its contractors and employees) shall fail to comply in any regard with the requirements of this Section, the ARC may require that such Owner post security with the Association in such form and such amount deemed appropriate by the ARC in its sole discretion.

19.12.2 There shall be provided to the ARC, if requested, a list (name, address, telephone number and identity of contact person), of all contractors, subcontractors, materialmen and suppliers (collectively, "**Contractors**") and changes to the list as they occur relating to construction. The ARC shall have the right to require that each Contractor's employees check in at the designated construction entrances and to refuse entrance to persons and parties whose names are not registered with the ARC.

19.12.3 Each Owner is responsible for ensuring compliance with all terms and conditions of these provisions and of the Architectural Guidelines by all of its employees and Contractors. In the event of any violation of any such terms or conditions by any employee or Contractor, or, in the opinion of the ARC, the continued refusal of any employee or Contractor to comply with such terms and conditions, after five (5) days' notice and right to cure, the ARC shall have, in addition to the other rights hereunder, the right to prohibit the violating employee or Contractor from performing any further services in DEL WEBB SUNBRIDGE.

19.12.4 The ARC may, from time to time, adopt standards governing the performance or conduct of Owners, Contractors and their respective employees within DEL WEBB SUNBRIDGE. Each Owner and Contractor shall comply with such standards and cause its respective employees to also comply with same. The ARC may also promulgate requirements to be inserted in all contracts relating to construction within DEL WEBB SUNBRIDGE and each Owner shall include the same therein.

19.13 Inspection. There is specifically reserved to the Association and ARC and to any agent or member of either of them, the right of entry and inspection upon any portion of DEL WEBB SUNBRIDGE at any time within reasonable daytime hours, for the purpose of determining whether there exists any violation of the terms of any approval or the terms of this Declaration or the Architectural Guidelines.

19.14 Violation. Without limiting any other provision herein, if any improvement shall be constructed or altered without prior written approval, or in a manner which fails to conform with the approval granted, the Owner, as applicable, shall, upon demand of the Association or the ARC, cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The applicable Owner shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred by the Association or ARC. The costs shall be deemed an Individual Assessment and enforceable pursuant to the provisions of this Declaration. The ARC and/or Association are specifically

empowered to enforce the architectural and landscaping provisions of this Declaration and the Architectural Guidelines, by any legal or equitable remedy.

19.15 Court Costs. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the prevailing party shall be entitled to recover court costs, expenses and attorneys' fees and paraprofessional fees at all levels, including appeals, collections and bankruptcy, in connection therewith.

19.16 Certificate of Non-Compliance. In the event that any Owner fails to comply with the provisions contained herein, the Architectural Guidelines, or other Rules and Regulations promulgated by the ARC, the Association and/or ARC may, in addition to all other remedies contained herein, record a Certificate of Non-Compliance against the Lot stating that the improvements on the Lot fail to meet the requirements of this Declaration and that the Lot is subject to further enforcement remedies.

19.17 Certificate of Compliance. If requested by an Owner, prior to the occupancy of any improvement constructed or erected on any Lot by other than Declarant, or its designees, the Owner shall obtain a Certificate of Compliance from the ARC, certifying that the Owner, as applicable, has complied with the requirements set forth herein. The ARC may, from time to time, delegate to a member or members of the ARC the responsibility for issuing the Certificate of Compliance. The issuance of a Certificate of Compliance does not abrogate the ARC's rights set forth in this Section 19. The issuance of a Certificate of Compliance by the ARC with respect to any improvements shall not be deemed a representation that such improvements comply with any or all applicable health, safety or building codes applicable to such improvements or representation regarding the structural integrity, workmanship, materials, design, systems, safety or any other aspect or matter with respect to such improvements.

19.18 Exemption. Notwithstanding anything to the contrary contained herein, or in the Architectural Guidelines, any improvements of any nature made or to be made by Declarant, including without limitation, improvements made or to be made to the Common Areas or any Lot, shall not be subject to the review of the ARC, the Association, or the provisions of this Declaration or the Architectural Guidelines.

19.19 Exculpation. Declarant, Association, the directors or officers of the Association, the ARC, the members of the ARC, or any person acting on behalf of any of them, shall not be liable for any cost or damages incurred by any Owner or any other party whatsoever, due to any mistakes in judgment, negligence, or any action of Declarant, Association, ARC or their members, officers, or directors, in connection with the approval or disapproval of plans and specifications or the issuance of a Certificate of Non-Compliance or a Certificate of Compliance with respect to such Owner's Lot or any improvements constructed thereon. Each Owner agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Lot, that it shall not bring any action or suit against Declarant, Association or their respective directors or officers, the ARC or the members of the ARC, or their respective agents, in order to recover any damages caused by the actions of Declarant, Association, or ARC or their respective members, officers, or directors in connection with the provisions of this Section. Association does hereby indemnify, defend and hold Declarant, and the ARC, and each of their members, officers, and directors harmless from all

costs, expenses, and liabilities, including attorneys' fees and paraprofessional fees at all levels, including appeals, of all nature resulting by virtue of the acts of the Owners, the Association, ARC or their members, officers and directors. Declarant, Association, its directors or officers, the ARC or its members, or any person acting on behalf of any of them, shall not be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency and compliance thereof and for the quality of construction performed pursuant thereto.

20. Enforcement.

20.1 Right to Cure. Should any Owner do any of the following:

20.1.1 Fail to perform its responsibilities as set forth herein or in this Declaration or otherwise breach the provisions of this Declaration including, without limitation, any provision herein or therein benefiting SFWMD;

20.1.2 Cause any damage to any improvement or Common Areas;

20.1.3 Impede Declarant or Association from exercising its rights or performing its responsibilities hereunder; or

20.1.4 Undertake unauthorized improvements or modifications to a Lot or Common Areas; or

20.1.5 Impede Declarant from proceeding with or completing the development of DEL WEBB SUNBRIDGE, as the case may be;

Then Declarant and/or Association, where applicable, after reasonable prior written notice, shall have the right, through its agents and employees, to cure the breach, including, but not limited to, the entering upon the Lot and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred shall be assessed against the Owner, as applicable, as an Individual Assessment.

20.2 Non-Monetary Defaults. In the event of a violation by any Owner, other than the nonpayment of any Assessment or other monies, of any of the provisions of this Declaration, Declarant or Association shall notify the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, the party entitled to enforce same may, at its option:

20.2.1 Commence an action to enforce the performance on the part of the Owner, as applicable, or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief: and/or

20.2.2 Commence an action to recover damages: and/or

20.2.3 Take any and all action reasonably necessary to correct the violation or breach.

All expenses incurred in connection with the violation or breach, or the commencement of any action against any Owner, including reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy shall be assessed against the Owner, as applicable, as an Individual Assessment, and shall be immediately due and payable without further notice.

20.3 No Waiver. The failure to enforce any right, provision, covenant or condition in this Declaration, shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

20.4 Rights Cumulative. All rights, remedies, and privileges granted to Declarant, Association and/or the ARC pursuant to any terms, provisions, covenants or conditions of this Declaration, or Architectural Guidelines, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

20.5 Enforcement By or Against Other Persons. In addition to the foregoing, this Declaration or Architectural Guidelines may be enforced by Declarant and/or, where applicable, Owners, and/or the Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration or Architectural Guidelines shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Architectural Guidelines. SFWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Declaration which relate to the maintenance, operation and repair of SWMS.

20.6 Fines and Suspensions. Association may suspend, for reasonable periods of time, the rights of an Owner or an Owner's Lessee, and their respective Immediate Family Members, Guests and invitees, or both, to use the Common Areas and may levy reasonable fines, not to exceed the maximum amounts permitted by Section 720.305(2), Florida Statutes, against an Owner, Lessee, Immediate Family Member, Guest or invitee, for failure to comply with any provision of this Declaration including, without limitation, those provisions benefiting SFWMD and the Rules and Regulations and Architectural Guidelines.

20.6.1 A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing. Fines in the aggregate are not capped to any amount.

20.6.2 A fine or suspension may not be imposed without notice of at least fourteen (14) days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) persons (the "**Compliance Committee**") appointed by the Board who are not officers, directors or employees of the Association, or the spouse,

parent, child, brother, sister of an officer, director or employee. If the Compliance Committee does not by a majority vote approve a fine or suspension the same may not be imposed. The written notice of violation shall be in writing to the Owner, Lessee, Immediate Family Member, Guest or invitee and detail the infraction or infractions. Included in the notice shall be the date and time of the hearing of the Compliance Committee. If the Association imposes a fine or suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee. The notice and hearing requirements under this Section 20.6.2 do not apply to suspensions imposed due to an Owner's failure to pay monetary obligations due to the Association; however, any such suspension must be approved at a properly noticed meeting of the Association's Board of Directors.

20.6.3 The non-compliance shall be presented to the Compliance Committee acting as a tribunal, after which the Compliance Committee shall hear reasons why a fine or suspension should not be imposed. The hearing shall be conducted in accordance with the procedures adopted by the Compliance Committee from time to time. A written decision of the Compliance Committee shall be submitted to the Owner, Lessee, Immediate Family Member, Guest or invitee, as applicable, by not later than twenty-one (21) days after the meeting of the Compliance Committee. The Owner, Lessee, Immediate Family Member, Guest or invitee shall have a right to be represented by counsel and to cross-examine witnesses.

20.6.4 The Compliance Committee may impose a fine against the Owner in the amount of One Hundred and no/100 Dollars (\$100.00) (or any greater amount permitted by law from time to time) for each violation. Each day of noncompliance shall be treated as a separate violation and there is no cap on the aggregate amount the Compliance Committee may fine an Owner, tenant, Guest or invitee. Fines shall be paid not later than five (5) days after notice of the imposition of the fine. All monies received from fines shall be allocated as directed by the Board of Directors, including, without limitation, existing and future Operating Expenses, capital improvements, support costs and administrative costs. Any fine in excess of One Thousand Dollars (\$1,000.00) shall constitute a lien against the applicable Lot, and a fine shall further be lienable to the extent otherwise permitted under Florida law.

20.6.5 Notwithstanding the foregoing, the Compliance Committee may not suspend the right of any Owner, Lessee, Immediate Family Member, Guest or invitee to use those portions of the Common Areas used to provide access or utility services to any Lot or Home or impose a suspension which impairs the right of any Owner, Lessee or Immediate Family Member to have vehicular and pedestrian ingress to and egress from their Lot or Home, including, but not limited to, the right to park vehicles as permitted in this Declaration.

21. Additional Rights of Declarant.

21.1 Sales and Administrative Offices. Declarant shall have the perpetual right to take such action reasonably necessary to transact any business necessary to consummate the development of DEL WEBB SUNBRIDGE and sales and re-sales of Lots, Homes and/or other

properties owned by Declarant or others outside of DEL WEBB SUNBRIDGE. This right shall include, but not be limited to, the right to maintain models, sales offices and parking associated therewith, have signs on any portion of DEL WEBB SUNBRIDGE, including Common Areas and SSD Facilities, as applicable, employees in the models and offices without the payment of rent or any other fee, maintain offices in models and use of the Common Areas and SSD Facilities, as applicable, to show Lots or Homes. The sales office and signs and all items pertaining to development and sales remain the property of Declarant. Declarant shall have all of the foregoing rights without charge or expense. The rights reserved hereunder shall extend beyond the Turnover Date.

21.2 Modification. The development and marketing of DEL WEBB SUNBRIDGE will continue as deemed appropriate in Declarant's sole discretion, and nothing in this Declaration or Architectural Guidelines, or otherwise, shall be construed to limit or restrict such development and marketing. It may be necessary or convenient for the development of DEL WEBB SUNBRIDGE to, as an example and not a limitation, amend the Master Plan, modify the boundary lines of the Common Areas, grant easements, dedications, agreements, licenses, restrictions, reservations, covenants, rights-of-way, and to take such other actions which Declarant, or its agents, affiliates, or assignees may deem necessary or appropriate. Association and Owners shall, at the request of Declarant, execute and deliver any and all documents and instruments which Declarant deems necessary or convenient, in its sole and absolute discretion, to accomplish the same.

21.3 Promotional Events. Prior to the Community Completion Date, Declarant shall have the right, at any time, to hold marketing, special and/or promotional events within DEL WEBB SUNBRIDGE and/or on the Common Areas without any charge for use. Declarant, its agents, affiliates, or assignees shall have the right to market DEL WEBB SUNBRIDGE in advertisements and other media by making reference to DEL WEBB SUNBRIDGE, including, but not limited to, pictures or drawings of DEL WEBB SUNBRIDGE, Common Areas, Parcels and Homes constructed in DEL WEBB SUNBRIDGE. All logos, trademarks, and designs used in connection with DEL WEBB SUNBRIDGE are the property of Declarant, and Association shall have no right to use the same after the Community Completion Date except with the express written permission of Declarant.

21.4 Use by Prospective Purchasers. Prior to the Community Completion Date, Declarant shall have the right, without charge, to use the Common Areas, including the Recreational Facilities, for the purpose of entertaining prospective purchasers of Lots, Homes, or other properties owned by Declarant outside of DEL WEBB SUNBRIDGE.

21.5 Franchises. Declarant may grant franchises or concessions to commercial concerns on all or part of the Common Areas and shall be entitled to all income derived therefrom.

21.6 Management. The Declarant may contract with a third party ("Manager") for management of the Association and the Common Areas.

21.7 Easements. Until the Community Completion Date, Declarant reserves the right to grant, in its sole discretion, easements, permits and/or licenses for ingress and egress, drainage, utilities, maintenance, Telecommunications Services and other purposes over, under, upon and across DEL WEBB SUNBRIDGE so long as any said easements do not materially and adversely

interfere with the intended use of Homes previously conveyed to Owners. By way of example, and not of limitation, Declarant may be required to take certain action, or make additions or modifications to the Common Areas in connection with an environmental program. All easements necessary for such purposes are reserved in favor of Declarant, in perpetuity, for such purposes. Without limiting the foregoing, Declarant may relocate any easement affecting a Lot, or grant new easements over a Lot, after conveyance to an Owner, without the joinder or consent of such Owner, as applicable, so long as the grant of easement or relocation of easement does not materially and adversely affect the Owner's use of the Lot. As an illustration, Declarant may grant an easement for Telecommunications Systems, irrigation, drainage lines or electrical lines over any portion of a Lot so long as such easement is outside the footprint of the foundation of any residential improvement constructed on such Lot. Declarant shall have the sole right to any fees of any nature associated therewith, including, but not limited to, license or similar fees on account thereof. The Association and Owners will, without charge, if requested by Declarant: (i) join in the creation of such easements, etc. and cooperate in the operation thereof; and (ii) collect and remit fees associated therewith, if any, to the appropriate party. The Association will not grant any easements, permits or licenses to any other entity providing the same services as those granted by Declarant, nor will it grant any such easement, permit or license prior to the Community Completion Date without the prior written consent of Declarant which may be granted or denied in Declarant's discretion.

21.8 Right to Enforce. Declarant has the right, but not the obligation, to enforce the provisions of this Declaration and the Architectural Guidelines and to recover all costs relating thereto, including attorneys' fees and paraprofessional fees and cost at all levels of proceeding, including before trial, in mediation, arbitration and other alternative dispute, resolution proceedings, at all trial levels and appeals, collections and bankruptcy. Such right shall include the right to perform the obligations of the Association and to recover all costs incurred in doing so.

21.9 Additional Development. If Declarant withdraws portions of DEL WEBB SUNBRIDGE from the operation of this Declaration, Declarant may, but is not required to, subject to governmental approvals, create other forms of residential property ownership or other improvements of any nature on the property not subjected to or withdrawn from the operation of this Declaration. Declarant shall not be liable or responsible to any person or entity on account of its decision to do so or to provide, or fail to provide, the amenities and/or facilities which were originally planned to be included in such areas. If so designated by Declarant, owners or tenants of such other forms of housing or improvements upon their creation may share in the use of all or some of the Common Areas and other facilities and/or roadways that remain subject to this Declaration. The expense of the operation of such facilities shall be allocated to the various users thereof, if at all, as determined by Declarant.

21.10 Representations. Declarant makes no representations concerning development both within and outside the boundaries of DEL WEBB SUNBRIDGE including, but not limited to, the number, design, boundaries, configuration and arrangements, prices of all Parcels or Homes and buildings in all other proposed forms of ownership and/or other improvements on DEL WEBB SUNBRIDGE or adjacent to or near DEL WEBB SUNBRIDGE, including, but not limited to, the size, location, configuration, elevations, design, building materials, height, view, airspace, number

of homes, number of buildings, location of easements, parking and landscaped areas, services and amenities offered regarding the Common Areas and Recreational Facilities.

21.11 Access/Entrance/Exit Gates Open During Daytime Hours. Until the Community Completion Date, Declarant reserve a right and easement for access over and through the streets, private roadways, and sidewalks of DEL WEBB SUNBRIDGE for ingress and egress for Declarant's employees, agents, contractors, subcontractors, deliverymen, vendors, customers and invitees. At Declarant's sole option, until the Community Completion Date, all entrance or exit gates limiting access to DEL WEBB SUNBRIDGE shall be open every day, including weekends and holidays, during hours to be established by Declarant from time to time (the "**Declarant Operating Hours**").

21.12 Non-Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE GOVERNING DOCUMENTS, THE DECLARANT, THE ASSOCIATION AND THE INDEMNIFIED PARTIES SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF DEL WEBB SUNBRIDGE INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, LESSEES, LICENSEES, INVITEES, AGENTS, SERVANTS, CONTRACTORS, AND/OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

21.12.1 IT IS THE EXPRESS INTENT OF GOVERNING DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF DEL WEBB SUNBRIDGE HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF DEL WEBB SUNBRIDGE AND THE VALUE THEREOF:

21.12.2 ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN AGENCY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE STATE OF FLORIDA, THE COUNTY OR PREVENTS TORTIOUS ACTIVITIES;

21.12.3 THE PROVISIONS OF GOVERNING DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS SHALL BE APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY, OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON; AND

21.12.4 EACH OWNER (BY VIRTUE OF ITS ACCEPTANCE OF TITLE TO A HOME) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING A USE OF, ANY PORTION OF DEL WEBB SUNBRIDGE (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USE) SHALL BE BOUND BY THIS SECTION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND

CAUSES OF ACTION AGAINST ASSOCIATION, DECLARANT AND INDEMNIFIED PARTIES ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION, DECLARANT AND INDEMNIFIED PARTIES HAS BEEN DISCLAIMED IN THIS SECTION OR OTHERWISE.

21.13 Resolution of Disputes. BY ACCEPTANCE OF A DEED, EACH OWNER AGREES THAT THE GOVERNING DOCUMENTS ARE VERY COMPLEX; THEREFORE, ANY CLAIM, DEMAND ACTION, OR CAUSE OF ACTION, WITH RESPECT TO ANY ACTION, PROCEEDING, CLAIM COUNTERCLAIM, OR CROSS CLAIM, WHETHER IN CONTRACT AND/OR IN TORT (REGARDLESS IF THE TORT ACTION IS PRESENTLY RECOGNIZED OR NOT), BASED ON, ARISING OUT OF IN CONNECTION WITH OR IN ANY WAY RELATED TO GOVERNING DOCUMENTS, INCLUDING ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT, VALIDATION PROTECTION, ENFORCEMENT ACTION OR OMISSION OF ANY PARTY SHOULD BE HEARD IN A COURT PROCEEDING BY A JUDGE AND NOT A JURY IN ORDER TO BEST SERVE JUSTICE. DECLARANT HEREBY SUGGESTS THAT EACH OWNER UNDERSTAND THE LEGAL CONSEQUENCES OF ACCEPTING A DEED TO A HOME.

21.14 Venue. EACH OWNER ACKNOWLEDGES REGARDLESS OF WHERE SUCH OWNER (i) EXECUTED A PURCHASE AND SALE AGREEMENT, (ii) RESIDES, (iii) OBTAINS FINANCING OR (iv) CLOSED ON A HOME, EACH HOME IS LOCATED IN OSCEOLA COUNTY, FLORIDA. ACCORDINGLY, AN IRREBUTTABLE PRESUMPTION EXISTS THAT THE APPROPRIATE VENUE FOR THE RESOLUTION OF ANY DISPUTE LIES IN OSCEOLA COUNTY, FLORIDA. IN ADDITION TO THE FOREGOING, EACH OWNER AND DECLARANT AGREES THAT THE VENUE FOR RESOLUTION OF ANY DISPUTE LIES IN OSCEOLA COUNTY, FLORIDA.

21.15 Reliance. BEFORE ACCEPTING A DEED TO A HOME, EACH OWNER HAS AN OPPORTUNITY TO RETAIN AN ATTORNEY IN ORDER TO CONFIRM THE VALIDITY OF THIS DECLARATION. BY ACCEPTANCE OF A DEED TO A HOME, EACH OWNER ACKNOWLEDGES THAT HE OR SHE HAS SOUGHT AND RECEIVED SUCH AN OPINION OR HAS MADE AN AFFIRMATIVE DECISION NOT TO SEEK SUCH AN OPINION. DECLARANT IS RELYING ON EACH OWNER CONFIRMING IN ADVANCE OF ACQUIRING A HOME THAT THIS DECLARATION IS VALID, FAIR AND ENFORCEABLE, SUCH RELIANCE IS DETRIMENTAL TO DECLARANT AND ACCORDINGLY, AN ESTOPPEL AND WAIVER EXISTS PROHIBITING EACH OWNER FROM TAKING THE POSITION THAT ANY PROVISION OF THIS DECLARATION IS INVALID IN ANY RESPECT. AS A FURTHER MATERIAL INDUCEMENT FOR DECLARANT TO SUBJECT DEL WEBB SUNBRIDGE TO THIS DECLARATION AND/OR SELL A LOT OR HOME TO SUCH OWNER, EACH OWNER, BY ACCEPTANCE OF A DEED WITH RESPECT TO THEIR LOT OR HOME, SHALL BE DEEMED TO RELEASE, WAIVE, DISCHARGE, COVENANT NOT TO SUE, ACQUIT, SATISFY AND FOREVER DISCHARGE DECLARANT AND THE DECLARANT INDEMNIFIED PARTIES FROM ANY AND ALL LIABILITY, CLAIMS, COUNTERCLAIMS, DEFENSES, ACTIONS, CAUSES OF ACTION, SUITS, CONTROVERSIES, AGREEMENTS, PROMISES AND DEMANDS WHATSOEVER IN LAW OR IN EQUITY WHICH AN OWNER MAY HAVE IN THE FUTURE, OR WHICH ANY PERSONAL REPRESENTATIVE, SUCCESSOR, HEIR OR ASSIGN OF OWNER

HEREAFTER CAN, SHALL OR MAY HAVE AGAINST DECLARANT AND THE DECLARANT INDEMNIFIED PARTIES, FOR, UPON OR BY REASON OF ANY MATTER, CAUSE OR THING WHATSOEVER RESPECTING THIS DECLARATION, OR THE EXHIBITS HERETO. THIS RELEASE AND WAIVER IS INTENDED TO BE AS BROAD AND INCLUSIVE AS PERMITTED BY THE LAWS OF THE STATE OF FLORIDA.

21.16 Duration of Rights. The rights of Declarant sets forth in this Declaration shall, unless specifically provided to the contrary herein, extend for a period of time ending upon the earlier of: (i) the Community Completion Date or (ii) a relinquishment by Declarant in an amendment to the Declaration recorded in the Public Records.

21.17 Additional Covenants. The Declarant may record additional covenants, conditions, restrictions, and easements applicable to portions of DEL WEBB SUNBRIDGE, and may form condominium associations, sub-associations, or cooperatives governing such property. Any such instrument shall be consistent with the provisions of Section 4, and no person or entity shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of DEL WEBB SUNBRIDGE without Declarant's prior review and prior written consent. Evidence of Declarant's prior written consent shall be obtained in the form of a joinder executed by the Declarant. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Public Records.

21.18 Right to Approve Sales Materials. Prior to the Community Completion Date, all sales, promotional, and advertising materials for any sale of property in DEL WEBB SUNBRIDGE may be subject to the prior written approval of Declarant. Declarant shall deliver notice of Declarant's approval or disapproval of all such materials and documents within thirty (30) days of receipt of such materials and documents, and, if disapproved, set forth the specific changes requested. If Declarant fails to do so within such thirty (30) day period, Declarant shall be deemed to have waived any objections to such materials and documents and to have approved the foregoing. Upon disapproval, the foregoing procedure shall be repeated until approval is obtained or deemed to be obtained.

21.19 Use Name of DEL WEBB SUNBRIDGE and Del Webb Marks. No person or entity shall use the name "DEL WEBB SUNBRIDGE," its logo, or any derivative of such name or logo in any printed or promotional material without the Declarant's prior written approval. Until the Turnover Date, the Declarant shall have the sole right to approve the use of DEL WEBB SUNBRIDGE name and logo, and such right shall automatically pass to the Association after the Turnover Date. However, Owners may use the name DEL WEBB SUNBRIDGE in printed or promotional matter where such term is used solely to specify that particular property is located within DEL WEBB SUNBRIDGE. Del Webb Corporation is an affiliate of Declarant. Any use by the Association of names, marks, or symbols of Del Webb Corporation or any of its affiliates (collectively "**Del Webb Marks**") shall inure to the benefit of Del Webb Corporation and shall be subject to Del Webb Corporation's periodic review for quality control. The Association shall enter into license agreements with Del Webb Corporation, terminable with or without cause and in a form specified by Del Webb Corporation in its sole discretion, with respect to permissive use of certain Del Webb Marks. The Association shall not use any Del Webb Mark without Del Webb Corporation's prior written consent.

21.20 Density Transfers. If any party shall develop any portion of DEL WEBB SUNBRIDGE so that the number of Lots contained in such portion of DEL WEBB SUNBRIDGE is less than the allowable number of Lots allocated by governmental authorities to that particular Parcel, the excess allowable Lots not used by the such party (with respect to that Parcel) shall inure to the benefit of Declarant.

21.21 Equal Treatment. So long as Declarant owns any property described in Exhibit "1", neither the Association nor any other entity shall, without the prior written consent of Declarant, adopt any policy, rule, or procedure that:

21.21.1 limits the access of Declarant, its successors, assigns and/or affiliates or their personnel and/or guests, including visitors, to the Common Areas of the Association or to any property owned by any of them;

21.21.2 limits or prevents Declarant, its successors, assigns and/or affiliates or their personnel from advertising, marketing, or using the Association or its Common Areas or any property owned by any of them in promotional materials;

21.21.3 limits or prevents purchasers of new Homes constructed by Declarant, its successors, assigns and/or affiliates in DEL WEBB SUNBRIDGE (including purchasers qualifying under Section 16.2) from becoming Members of the Association or enjoying full use of its Common Areas subject to the Membership provisions of this Declaration and the Bylaws;

21.21.4 impacts the ability of Declarant, its successors, assigns and/or affiliates, to carry out to completion its development plans and related construction activities for DEL WEBB SUNBRIDGE, as such plans are expressed in the Master Plan, as such may be amended and updated from time to time. Policies, rules, or procedures affecting the provisions of existing easements established by Declarant and limiting the establishment by Declarant of easements necessary to complete DEL WEBB SUNBRIDGE shall be expressly included in this provision. Easements that may be established by Declarant shall include but shall not be limited to easements for development, construction and landscaping activities, access, drainage and utilities; or

21.21.5 impacts the ability of Declarant, its successors, assigns and/or affiliates to develop and conduct customer service programs and activities with respect to DEL WEBB SUNBRIDGE in a customary and reasonable manner.

The Association shall not exercise its authority over the Common Areas (including, but not limited to, any gated entrances and other means of access to DEL WEBB SUNBRIDGE) in a manner that interferes with the rights of Declarant set forth in this Declaration or to impede access to any portion of DEL WEBB SUNBRIDGE over the streets and other Common Areas within DEL WEBB SUNBRIDGE. The Association shall not condone, encourage it Members or participate in public assembly for the purpose of interfering with Declarant's business within DEL WEBB SUNBRIDGE or engage in any activity that presents a public health or safety risk.

21.22 Vacation Getaways. Declarant may, in its discretion, construct residential improvements and contract with third party providers for temporary occupancy in or adjacent to

DEL WEBB SUNBRIDGE and designate such improvements as within Declarants vacation program (the "Vacation Getaways"). Such Vacation Getaway units located outside of DEL WEBB SUNBRIDGE shall not be Lots, and their owners shall not be Members of the Association. Vacation Getaway units shall have access to the Common Area and Recreational Facilities, including the Community Amenity, in consideration of the payment of reasonable use fees as provided by an arrangement negotiated between Declarant and Association prior to the commencement of such program.

Owners of Vacation Getaway Homes located within DEL WEBB SUNBRIDGE shall be Members of the Association. Declarant may transfer or lease Vacation Getaway Homes and make Vacation Getaway Homes available for use by Declarant's guests. Occupants of the Vacation Getaway Homes and units, whether located within or outside of DEL WEBB SUNBRIDGE, shall have a non-exclusive easement for use, access and enjoyment in and to the Common Area, including but not limited to any Recreational Facilities and the Community Amenity. The Board shall assign Membership and Activity Cards or use privilege cards to Declarant on behalf of all Owners and guests of Vacation Getaway Homes located in DEL WEBB SUNBRIDGE or Vacation Getaway units located outside DEL WEBB SUNBRIDGE for the purpose of exercising such easement. Vacation Getaway Homes shall remain Vacation Getaway Homes until Declarant otherwise provides in written notice to the Owner of such Vacation Getaway Home and to the Association.

Notwithstanding any provision of this Declaration to the contrary, Vacation Getaway Homes within DEL WEBB SUNBRIDGE may not be leased or occupied in violation of the restrictions of Section 16.1.3 of this Declaration prohibiting Occupancy of a Home within DEL WEBB SUNBRIDGE by persons under the age of nineteen (19) years.

22. Refund of Taxes and Other Charges. Unless otherwise provided herein, Association agrees that any taxes, fees or other charges paid by Declarant to any governmental authority, utility company or any other entity which at a later date are refunded in whole or in part, shall be returned to Declarant in the event such refund is received by the Association.

23. Assignment of Powers. All or any part of the rights, exemptions and powers and reservations of Declarant, as the case may be, herein contained may be conveyed or assigned in whole or part to other persons or entities by an instrument in writing duly executed, acknowledged, and, at Declarant's option, recorded in the Public Records.

24. General Provisions.

24.1 Authority of Board. Except when a vote of the Membership of the Association is specifically required, all decisions, duties, and obligations of the Association hereunder may be made by the Board. The Association and Owners shall be bound thereby.

24.2 Severability. Invalidation of any of the provisions of this Declaration by judgment or court order shall in no way affect any other provision, and the remainder of this Declaration shall remain in full force and effect.

24.3 Execution of Documents. Declarant's plan of development for the Property including, without limitation, the creation of one (1) or more special taxing districts may

necessitate from time to time the execution of certain documents as required by the County or other governmental agencies. To the extent that said documents require the joinder of Owners, Declarant, by its duly authorized officers, may, as the agent or the attorney-in-fact for the Owners, execute, acknowledge and deliver such documents (including, without limitation, any consents or other documents required by the County or any governmental agencies in connection with the creation of any special taxing district); and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through its duly authorized officers, as their proper and legal attorneys-in-fact, for such purpose. Said appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot or any other portion of DEL WEBB SUNBRIDGE, to execute or otherwise join in any petition and/or other documents required in connection with a request for the County's creation of any special taxing district relating to DEL WEBB SUNBRIDGE or any portion(s) thereof.

24.4 Affirmative Obligation of the Association. In the event that Association believes that Declarant has failed in any respect to meet Declarant's obligations under this Declaration or has failed to comply with any of Declarant's obligations under law or the Common Areas are defective in any respect, Association shall give written notice to Declarant detailing the alleged failure or defect. Association agrees that once Association has given written notice to Declarant pursuant to this Section, Association shall be obligated to permit Declarant and its agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by Declarant to respond to such notice at all reasonable times. Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 8 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of Declarant to repair or address, in Declarant's sole option and expense, any aspect of the Common Areas deemed defective by Declarant during its inspections of the Common Areas. Association's failure to give the notice and/or otherwise comply with the provisions of this Section will damage Declarant.

24.5 Notices. Any notice required to be sent to any person, firm, or entity under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address at the time of such mailing.

24.6 Florida Statutes. Whenever this Declaration refers to the Florida Statutes, it shall be deemed to refer to the Florida Statutes as they exist on the date this Declaration is recorded except to the extent provided otherwise as to any particular provision of the Florida Statutes.

24.7 Construction Activities. ALL OWNERS, OCCUPANTS AND USERS OF DEL WEBB SUNBRIDGE ARE HEREBY PLACED ON NOTICE THAT (1) DECLARANT AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES AND/OR (2) ANY OTHER PARTIES WILL BE, FROM TIME TO TIME, CONDUCTING CONSTRUCTION ACTIVITIES, BLASTING, EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO DEL WEBB SUNBRIDGE, WHICH MAY CAUSE NOISE, DUST OR OTHER TEMPORARY DISTURBANCE. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY

PORTION OF DEL WEBB SUNBRIDGE, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (ii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO DEL WEBB SUNBRIDGE WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (iii) DECLARANT AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM DECLARANT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, AND (iv) ANY PURCHASE OR USE OF ANY PORTION OF DEL WEBB SUNBRIDGE HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING.

24.8 Title Documents. Each Owner by acceptance of a deed to a Lot acknowledges that such Lot is subject to certain land use and title documents recorded in the Public Records or issued by the County (collectively, the "Title Documents"). Declarant's plan of development for DEL WEBB SUNBRIDGE may necessitate from time to time the further amendment, modification and/or termination of the Title Documents. DECLARANT RESERVES THE UNCONDITIONAL RIGHT TO SEEK AMENDMENTS AND MODIFICATIONS OF THE TITLE DOCUMENTS. It is possible that a governmental subdivision or agency may require the execution of one or more documents in connection with an amendment, modification, and/or termination of the Title Documents. To the extent that such documents require the joinder of Owners, Declarant, by any one of its duly authorized officers, may, as the agent and/or the attorney-in-fact for the Owners, execute, acknowledge and deliver any documents required by applicable governmental subdivision or agency; and the Owners, by virtue of their acceptance of deeds, irrevocably nominate, constitute and appoint Declarant, through any one of its duly authorized officers, as their proper and legal attorney-in-fact for such purpose. This appointment is coupled with an interest and is therefore irrevocable. Any such documents executed pursuant to this Section may recite that it is made pursuant to this Section. Notwithstanding the foregoing, each Owner agrees, by its acceptance of a deed to a Lot: (i) to execute or otherwise join in any documents required in connection with the amendment, modification, or termination of the Title Documents; and (ii) that such Owner has waived its right to object to or comment on the form or substance of any amendment, modification, or termination of the Title Documents. Without limiting the foregoing, upon the Community Completion Date, Association shall assume all of the obligations of Declarant under the Title Documents unless otherwise provided by Declarant by amendment to this Declaration recorded by Declarant in the Public Records, from time to time, and in the sole and absolute discretion of Declarant.

24.9 Right to Contract for Telecommunications Services. Association shall have the right, but not the obligation, to enter into one or more contracts for the provision of one or more Telecommunications Services for all or any part of DEL WEBB SUNBRIDGE. Prior to the Community Completion Date, all contracts between a Telecommunications Provider and the

Association shall be subject to the prior written approval of Declarant. If any such contract is established, the fees for the Telecommunications Services payable to the Telecommunications Provider for such Telecommunications Services provided to all Homes shall be Operating Expenses and shall be included within the annual budget of the Association. Owners and Lessees may contract directly with such Telecommunications Provider for additional Telecommunications Services not provided for in contracts entered into by the Association and all such costs and expenses of same shall be the responsibility of such Owner or Lessee.

24.10 Notices and Disclaimers as to Telecommunications Systems. Declarant, the Association, or their successors, assigns or franchisees and any applicable DECLARANT Telecommunications Providers may enter into contracts for the provision of security services through any Telecommunications Systems. DECLARANT, THE ASSOCIATION, TELECOMMUNICATIONS PROVIDERS AND THEIR FRANCHISEES, DO NOT GUARANTEE OR WARRANT, EXPRESSLY OR IMPLIEDLY, THE MERCHANTABILITY OR FITNESS FOR USE OF ANY SUCH SECURITY SYSTEM OR SERVICES, OR THAT ANY SYSTEM OR SERVICES WILL PREVENT INTRUSIONS, FIRES OR OTHER OCCURRENCES, OR THE CONSEQUENCES OF SUCH OCCURRENCES, REGARDLESS OF WHETHER OR NOT THE SYSTEM OR SERVICES ARE DESIGNED TO MONITOR SAME; AND EVERY OWNER OR OCCUPANT OF A HOME SERVICED BY THE TELECOMMUNICATIONS SYSTEMS ACKNOWLEDGES THAT DECLARANT, THE ASSOCIATION OR ANY SUCCESSOR, ASSIGN OR FRANCHISEE OF DECLARANT, THE ASSOCIATION OR ANY OF THE OTHER AFORESAID ENTITIES AND ANY OPERATOR, ARE NOT INSURERS OF THE OWNER OR OCCUPANT'S PROPERTY OR OF THE PROPERTY OF OTHERS LOCATED ON THE PREMISES AND WILL NOT BE RESPONSIBLE OR LIABLE FOR LOSSES, INJURIES OR DEATHS RESULTING FROM SUCH OCCURRENCES. It is extremely difficult and impractical to determine the actual damages, if any, which may proximately result from a failure on the part of a security service provider to perform any of its obligations with respect to security services and, therefore, every Owner or occupant of a Home receiving security services agrees that Declarant, the Association or any successor, assign or franchisee thereof and any Telecommunications Provider assumes no liability for loss or damage to property or for personal injury or death to persons due to any reason, including, without limitation, failure in transmission of an alarm, interruption of security service or failure to respond to an alarm because of (a) any failure of the Owner's security system, (b) any defective or damaged equipment, device, line or circuit, (c) negligence, active or otherwise, of the security service provider or its officers, agents or employees, or (d) fire, flood, riot, war, act of God or other similar causes which are beyond the control of the security service provider. Every Owner or occupant of property obtaining security services through the Telecommunication Systems further agrees for himself, his grantees, Lessees and their respective Immediate Family Members, Guests, invitees and licensees that if any loss or damage should result from a failure of performance or operation, or from defective performance or operation, or from improper installation, monitoring or servicing of such system, or from negligence, active or otherwise, of the security service provider or its officers, agents, or employees, the liability, if any, of Declarant, the Association or any other Indemnified Party for loss, damage, injury or death sustained shall be limited to a sum not exceeding Two Hundred Fifty and No/00 (\$250.00) U.S. Dollars, which limitation shall apply irrespective of the cause or origin of the loss or damage and notwithstanding that the loss or damage results directly or indirectly from negligent performance, active or otherwise, or non-performance by Declarant, the Association, the Telecommunications Provider

or any Indemnified Party. Further, in no event will Declarant, the Association, any Indemnified Party, any Telecommunications Provider or any of their franchisees, successors or assigns, be liable for consequential damages, wrongful death, personal injury or commercial loss. In recognition of the fact that interruptions in cable television and other Telecommunication Services will occur from time to time, no person or entity described above shall in any manner be liable, and no user of any Telecommunications Services shall be entitled to any refund, rebate, discount or offset in applicable fees, for any interruption in Telecommunications Services, regardless of whether or not same is caused by reasons within the control of the Telecommunications Provider.

24.11 Enforcement of Governing Documents. Enforcement of the Governing Documents, including without limitation this Declaration, may be by proceeding at law for damages or in equity to compel compliance with the terms hereof or to prevent violation or breach of any of the covenants or terms herein. The Declarant, the Association, or any Owner may, but shall not be required to, seek enforcement of the Governing Documents.

24.12 Electronic or Video Communication. Wherever the Governing Documents require members' attendance at a meeting either "in person or by proxy," members may attend and participate at such meetings via telephone, real-time videoconferencing, or similar real-time electronic or video communication; provided, however, members may attend and participate in this manner only if a majority of the Board approved use of telephone, real-time videoconferencing, or similar real-time electronic or video communication for participation and attendance at meetings.

24.13 Electronic Transmission as Substitute for Writing. Wherever the Governing Documents require action by the Association to be taken in writing, such action may be taken by Electronic Transmission, with the exception of the following: (i) giving notice of a meeting called in whole or in part for the purpose of recalling and removing a member of the Board; and (ii) when levying fines, suspending use rights, requesting dispute resolution, or collecting payments for assessments and providing notice of lien claims.

25. Surface Water Management System.

25.1 Surface Water Management System. The Association shall be responsible for the maintenance, operation and repair of the SWMS, ditches, canals, lakes, and Retention Areas in DEL WEBB SUNBRIDGE. Maintenance of the SWMS shall mean the exercise of practices which allow the SWMS to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SFWMD. Nonexclusive easements therefor are hereby specifically reserved and created.

"REMOVAL" INCLUDES DREDGING, APPLICATION OF HERBICIDE, PULLING AND CUTTING.**

25.1.5 Nothing in this Section shall be construed to allow any person to construct any new water management facility, or to alter any SWMS or conservation areas, without first obtaining the necessary permits from all governmental agencies having jurisdiction, including SFWMD, the County, the Association and the Declarant.

25.1.6 SFWMD and the County have the right to take enforcement measures, including a civil action for injunction and/or penalties, against the Association to compel them to correct any outstanding problems with the SWMS or in mitigation or conservation areas under the responsibility or control of the Association.

25.2 Proviso. Any proposed amendment to the Governing Documents that alters the SWMS, beyond maintenance in its original condition, including mitigation or preservation areas, conservation areas and/or the water management portions of the Common Areas, must have the prior approval of the SFWMD. Notwithstanding any other provision in this Declaration, no amendment of the Governing Documents by any person, and no termination or amendment of this Declaration, will be effective to change the Association's responsibilities for the SWMS or any conservation areas, unless the amendment has been consented to in writing by SFWMD. Any proposed amendment which would affect the SWMS or any conservation areas must be submitted to SFWMD for approval and for a determination of whether the amendment necessitates a modification of the Permit. Any amendment affecting the SWMS or Conservation Easement Property will not be finalized until any necessary modification of the Permit is approved by SFWMD or the Association (or other permittee named in the Permit) is advised that a modification is not necessary.

25.3 Provision for Budget Expense. In the event DEL WEBB SUNBRIDGE has on site wetland mitigation (as defined in the regulations) that requires monitoring and maintenance, the Association shall include in its budget an appropriate allocation of funds for monitoring and

Any such Person entitled to use the Recreational Facilities is granted a non-exclusive license to use the Recreational Facilities subject to full compliance with all obligations imposed by the Governing Documents, including without limitation all Rules and Regulations. The granting of such rights shall not reduce or abate any Owner’s obligation to pay Assessments authorized pursuant to the terms of the Governing Documents, or give any Owner the right to avoid any of the provisions of the Governing Documents.

26.8 Membership and Activity Cards. At the discretion of the Board, Membership and Activity Cards may be issued to allow Members access to the Recreational Facilities.

It is the further purpose of the Conservation Easement to prevent the construction and operation of docks, piers, boardwalks, or other preemptive structures that would extend through the Conservation Easement Property onto adjacent sovereignty submerged lands except as approved in the Permit (or any modification thereto) or any Management Plan attached to the Permit (the “**Management Plan**”). Those wetland and upland areas included in any Conservation Easement which are to be preserved, enhanced, restored, or created pursuant to the Permit (or any modification thereto) and the Management Plan which has been approved in writing by the SFWMD, shall be retained and maintained in the preserved, enhanced, restored, or created condition required by the Permit (or any modification thereto).

27.3 Prohibited Acts and Uses. Except for activities that are permitted or required by the Permit (or any modification thereto) (which may include restoration, creation, enhancement, maintenance, and monitoring activities, or surface water management improvements) or other activities described in the Conservation Easement or in the Management Plan any activity on or use of the Conservation Easement Property inconsistent with the purpose of a Conservation Easement is prohibited. Without limiting the generality of the foregoing, the following activities and uses are expressly prohibited (except as authorized or required by the Permit (or any modification thereof) or in a Management Plan which has been approved in writing by the SFWMD):

27.3.1 constructing or placing buildings, roads, signs, billboards, or other advertising, utilities or other structures on or above the ground;

27.3.2 dumping or placing soil or other substances or material as landfill or dumping or placing of trash, waste or unsightly or offensive materials;

27.3.3 removing, trimming or destroying trees, shrubs, or other vegetation except:

27.3.3.1 The removal of dead trees and shrubs or leaning trees that could cause damage property is authorized;

27.3.3.2 The destruction and removal of noxious, nuisance or exotic invasive plant species as listed on the most recent Florida Exotic Pest Plant Council's List of Invasive Species is authorized;

No later than thirty (30) days before commencing any activities to implement the approved wildfire mitigation plan, the Owner of the Conservation Easement Property shall notify the SFWMD in writing of its intent to commence such activities. All such activities may only be completed during the time period for which the SFWMD approved the plan.

27.3.4 excavating, dredging, or removing loam, peat, gravel, soil, rock, or other material substances in such a manner as to affect the surface;

27.3.5 using the surface area of the Conservation Easement Property, except for purposes that permit the land or water area to remain predominantly in its natural, restored, enhanced or created condition;

27.3.6 activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation, including, but not limited to, ditching, diking, clearing and fencing;

27.3.7 acting upon or using the Conservation Easement Property in a manner detrimental to such retention of land or water areas;

27.3.8 acting upon or using the Conservation Easement Property in a manner detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archaeological, or cultural significance.

27.4 Reserved Rights. The owner of record title to the Conservation Easement Property reserves unto itself, and its successors and assigns, all rights accruing from its ownership of the Conservation Easement Property, including, without limitation, the right to engage in or permit or invite others to engage in all uses of the Conservation Easement Property that are not expressly prohibited herein and are not inconsistent with the Permit (or any modifications thereto), and the Management Plan, and the purposes of the Conservation Easement.

27.5 Rights of Easement Grantee. To accomplish the purposes stated herein, the Owner of record title to the Conservation Easement Property shall, grant the following rights to the Easement Grantee and Declarant:

27.5.1 To enter upon the Conservation Easement Property at reasonable times with any necessary equipment or vehicles to inspect, determine compliance with the covenants and prohibitions contained in the Conservation Easement, and to enforce the rights therein granted in a manner that will not unreasonably interfere with the use and quiet enjoyment of the Conservation Easement Property by the Owner thereof at the time of such entry; and

27.5.2 To proceed at law or in equity to enforce the provisions of the Conservation Easement and the covenants set forth therein, to prevent the occurrence of any of the prohibited activities set forth therein, and to require the restoration of such areas or features of the Conservation Easement Property that may be damaged by any activities or use that is inconsistent with the Conservation Easement.

27.6 Easement Grantee's Discretion. The Easement Grantee may enforce the terms of the Conservation Easement at its discretion, but if the Association, SSD, Declarant, or any Owner, breaches any term of the Conservation Easement and the Easement Grantee does not exercise its rights under the Conservation Easement, the Easement Grantee's forbearance shall not be construed to be a waiver by the Easement Grantee of such term, or of any subsequent breach of the same, or any other term of the Conservation Easement, or of any of the Easement Grantee's rights under the Conservation Easement. No delay or omission by the Easement Grantee in the exercise of any right or remedy upon any breach by the Association, SSD, Declarant or any Owner shall impair such right or remedy or be construed as a waiver. The Easement Grantee shall not be obligated to Declarant, or to any other person or entity, to enforce the provisions of the Conservation Easement.

27.7 Easement Grantee's Liability. The owner of the fee interest in the Conservation Easement Property shall retain all liability for any injury or damage to the person or property of third parties that may occur on the Conservation Easement Property. Neither Declarant, nor any Owner, nor any person or entity claiming by or through Declarant or any Owner, shall hold the Easement Grantee liable for any damage or injury to person or personal property that may occur on the Conservation Easement Property.

27.8 Riparian Rights. The Conservation Easement shall convey to Easement Grantee the grantor's riparian rights of ingress and egress for boat docks, piers, boardwalks, and other preemptive structures and activities associated with the Conservation Easement Property except as necessary to construct, use, and maintain the structures and activities, if any, approved in the Conservation Easement or Permit (or any modifications thereto) or Management Plan. The owner of the affected Conservation Easement Property shall specifically reserve the right to conduct limited vegetation removal and clearing necessary for constructing boat docks, piers, adjoining boardwalks, and other preemptive structures, if any, and activities described in the Conservation Easement or Permit (or any modifications thereto) or Management Plan. Such owner shall minimize and avoid, to the fullest extent possible, impact to any wetland or buffer areas within the Conservation Easement Property. This reservation does not release the Grantor from the duty of obtaining any necessary SFWMD, federal, state or local government permit authorizations or state-owned lands approved for construction of the structures.

27.9 Acts Beyond Declarant's, SSD's or Association's Control. Nothing contained in the Conservation Easement shall be construed to entitle the Easement Grantee to bring any action against Declarant, the SSD or the Association for any injury to or change in the Conservation Easement Property resulting from natural causes beyond Declarant's, SSD's or the Association's control, including, without limitation, fire, flood, storm and earth movement, or from any necessary action taken by Declarant, SSD or Association under emergency conditions to prevent, abate, or mitigate significant injury to the Conservation Easement Property or to persons resulting from such causes.

27.10 Recordation. Declarant shall record any Conservation Easement in a timely fashion and Declarant and the owners of any Lots or Common Areas encumbered by the Conservation Easement shall re-record it by separate instrument at any time the Easement Grantee may require to preserve its rights. The owners of any Lots or Common Areas encumbered by the Conservation Easement shall pay all recording costs and taxes necessary to record the Conservation Easement. Declarant will hold the Easement Grantee harmless from any recording costs or taxes necessary to record the Conservation Easement.

27.11 Successors. The covenants, terms, conditions, and restrictions of the Conservation Easement shall be binding upon, and inure to the benefit of, the parties hereto and their respective personal representatives, heirs, successors, and assigns and shall continue as a servitude running in perpetuity with the Conservation Easement Property.

27.12 Restrictive Covenants Affecting Conservation Easements. No Owner or other person shall cut, remove, destroy, or otherwise disturb any plant, shrub, tree, or other vegetation within any Conservation Easement Property, nor shall any person, including, but not limited to any Owner, Declarant, SSD and the Association, deposit dirt, fill, grass clippings, trash, rubbish, tree trimmings, building materials, or other waste within, or grade or alter such Conservation Easement Property without the prior written consent (as evidenced by any required permit or other official certification) of the Association, Declarant, SSD, the County, and the SFWMD. No alteration of or encroachment into Conservation Easement Property shall occur unless approved by the County, SFWMD or any other appropriate state or federal agencies with jurisdiction over same.

27.13 Conveyance to Association or SSD. In the future, Declarant may convey some or all of the Conservation Easement Property to the Association or the SSD. Upon any such conveyance by Declarant of all or a portion of such Conservation Easement Property as aforesaid, Declarant shall be automatically released from any obligations and liability under the Conservation Easement arising from and after the date of such conveyance as to the portion of the Conservation Easement Property conveyed by Declarant; provided, however, that no such conveyances shall relieve Declarant from any obligations under the Permit unless and until the Permit is transferred to the Association or SSD, as applicable.

In the event that any portions of DEL WEBB SUNBRIDGE are owned by the SSD, such facilities will be part of the infrastructure facilities owned by the SSD

(the “**SSD Facilities**”), but may constitute Common Areas under this Declaration if the Association undertakes to maintain same. EACH PERSON BY ACCEPTANCE OF A DEED TO A LOT HEREBY ACKNOWLEDGES AND AGREES THE SSD FACILITIES ARE NOT OWNED AND CONTROLLED BY THE ASSOCIATION, FURTHER WAIVES ANY CLAIM OR RIGHT TO HAVE ANY PORTION OF THE SSD FACILITIES BE CONSIDERED AS COMMON AREA OWNED OR CONTROLLED BY THE ASSOCIATION AND ACKNOWLEDGES ANY OPERATING OR MAINTENANCE OF SUCH SSD FACILITIES CONDUCTED BY THE ASSOCIATION WILL BE CONDUCTED PURSUANT TO AN AGREEMENT BETWEEN THE ASSOCIATION AND THE SSD ON SUCH TERMS AS ARE ACCEPTABLE TO THE SSD IN ITS DISCRETION.

28.1 Creation of the SSD. The SSD is an independent special district created pursuant to Chapter 189 of the Florida Statutes. Lots, Homes and other portions of DEL WEBB SUNBRIDGE are under the jurisdiction of the SSD. The SSD may be authorized to finance, fund, install, equip, extend, construct or reconstruct, without limitation, the following: water and sewer facilities, reclaimed water and irrigation facilities and systems, subdivision improvements, environmental mitigation, roadways, streetlights, transportation and parking facilities, signage, the SWMS, bridges, culverts, levees and embankments and other water management and control facilities, the Conservation Easement Property, utility lines, land acquisition, Perimeter Walls/Fences, parks and indoor or outdoor recreational, cultural and educational facilities, school buildings and related structures, electrical, sustainable or green infrastructure or facilities, communication systems and related infrastructure and facilities, miscellaneous utilities for DEL WEBB SUNBRIDGE and other infrastructure projects and services necessitated by the development of, and serving lands within the SSD, including, but not limited to, DEL WEBB SUNBRIDGE (the “**Public Infrastructure**”). The estimated design, development, construction and acquisition costs for these SSD Facilities may be funded by the SSD in one or more series of governmental bond financings utilizing special assessment bonds. The SSD may issue both long term debt and short term debt to finance the Public Infrastructure. The principal and interest on the special assessments bonds may be repaid through non ad valorem special assessments (the “**SSD Debt Service Assessments**”) levied on all benefiting properties in the SSD, which property has been found to be specially benefited by such Public Infrastructure. In addition to the bonds issued to fund the Public Infrastructure costs, the SSD may also impose non ad valorem special assessments to fund the operations of the SSD and the maintenance and repair of its Public Infrastructure and services (the “**SSD O&M Assessments**”) to the extent such operations, maintenance and repair are not undertaken by the Association.

28.2 SSD Assessments and Taxes. The SSD Assessments, including the SSD Debt Service Assessments and SSD O&M Assessments, if any, will not be taxes but, under Florida law, constitute a lien co-equal with the lien of state, County, municipal, and school board taxes and may be collected on the ad valorem tax bill sent each year by the Tax Collector of Osceola County and disbursed to the SSD. The homestead exemption is not applicable to the SSD Assessments. Because a tax bill cannot be paid in part, failure to pay the SSD Assessments or any other portion of the tax bill will result in the sale of tax certificates and could ultimately result in the loss of title to the property of the delinquent taxpayer through the issuance of a tax deed. In addition to SSD Assessments, the SSD is authorized to levy and assess an ad valorem tax on all taxable property in the SSD to construct, operate and maintain the SSD Facilities and to pay principal and interest on bonds of the SSD and provide for any sinking funds in connection with such bonds. Any future

SSD Assessments and/or other charges due with respect to the SSD Facilities are direct obligations of Owner and are secured by a lien against Owner's Lot and Home. Failure to pay such sums may result in loss of an Owner's Lot and Home.

28.3 Common Areas and Facilities Part of SSD. Portions of the Common Areas may become part of the SSD. In such event, Common Areas will become part of the SSD Facilities, will be part of the SSD and the SSD shall govern the use and maintenance of the SSD Facilities. Some of the provisions of this Declaration will not apply to such SSD Facilities, as the SSD Facilities will no longer be Common Areas once conveyed to the SSD. Any conveyance of Common Areas to the SSD shall in no way invalidate this Declaration. Declarant may decide, in its sole and absolute discretion, to convey additional portions of the Common Areas to the SSD or the Association. If conveyed to the SSD, such portions of the Common Areas shall thereafter be part of the SSD Facilities. The SSD may promulgate membership rules, regulations and/or covenants that may outline use restrictions for the SSD Facilities, including any recreational facilities owned or operated by the SSD, or the Association's responsibility to maintain the SSD Facilities, if any. Among other factors, the establishment of the SSD and the inclusion of SSD Facilities in the SSD obligates each Owner to become responsible for the payment of SSD Debt Service Assessments and SSD O&M Assessments for the construction and operation of the SSD Facilities as set forth in this Section.

28.4 Facilities Owned by SSD. The SSD Facilities may be owned and operated by the SSD or owned by the SSD and maintained by the Association. The SSD Facilities may be owned by a governmental entity other than the SSD. The SSD Facilities shall be used and enjoyed by the Owners on a non-exclusive basis, in common with such other persons, entities, and corporations that may be entitled to use the SSD Facilities under the SSD Documents, applicable laws and regulations, or otherwise.

28.5 SSD Facilities Maintenance. The SSD may contract with the Association for the maintenance, repair, and replacement, management and operation of the SSD Facilities, subject to any written agreement accepted by the Association.

28.6 Conveyance of SSD Tracts and Facilities to the Association as Common Areas. The SSD, at its option, after all long and short term debt to finance Public Infrastructure has been paid in full and all SSD Debt Service Assessments on DEL WEBB SUNBRIDGE have been paid in full, and subject to compliance with all applicable legal requirements, may transfer and convey to the Association any or all of the SSD Tracts and SSD Facilities (and associated easement rights in favor of the SSD with respect to same) (i) which the Association has been operating and maintaining pursuant to a maintenance agreement with the SSD or (ii) which the Association, in its sole discretion, agrees to accept for future operation and maintenance. Nothing herein shall obligate the SSD to transfer or convey any such SSD Tracts or SSD Facilities to the Association. If transferred and conveyed by the SSD to the Association, the Association shall accept such SSD Tracts and SSD Facilities and same shall become Common Areas owned and maintained by the Association pursuant to this Declaration.

28.7 Street Lighting Agreement. The SSD may enter into an agreement to provide street lighting throughout DEL WEBB SUNBRIDGE with utility provider or company on such terms as are acceptable to the SSD in its sole discretion (the "**Street Lighting Agreement**"). The cost of

providing street lighting to DEL WEBB SUNBRIDGE pursuant to the Street Lighting Agreement shall be paid through SSD O&M Assessments.

28.8 Additional Disclosure. THE SUNBRIDGE STEWARDSHIP DISTRICT MAY IMPOSE AND LEVY TAXES OR ASSESSMENTS, OR BOTH TAXES AND ASSESSMENTS, ON THIS PROPERTY. THESE TAXES AND ASSESSMENTS PAY THE CONSTRUCTION, OPERATION, AND MAINTENANCE COSTS OF CERTAIN PUBLIC FACILITIES AND SERVICES OF THE DISTRICT AND ARE SET ANNUALLY BY THE GOVERNING BOARD OF THE DISTRICT. THESE TAXES AND ASSESSMENTS ARE IN ADDITION TO COUNTY AND OTHER LOCAL GOVERNMENTAL TAXES AND ASSESSMENTS AND ALL OTHER TAXES AND ASSESSMENTS PROVIDED FOR BY LAW.

29. Tavistock Development Agreement. DEL WEBB SUNBRIDGE is subject to the Tavistock Development Agreement and the Tavistock Development Agreement Memorandum. Section 11 of the Tavistock Development Agreement and Section 5 of the Tavistock Development Agreement Memorandum provide that the Tavistock Development Agreement and Tavistock Development Agreement Memorandum shall automatically terminate as to each Lot conveyed to a Consumer with a completed Home without any further action being required by the parties thereto as of the date and time of recording of a deed in the Public Records whereby Declarant or its successors or assigns has conveyed a Lot and Home to a Consumer. Upon the conveyance of a Lot and Home in DEL WEBB SUNBRIDGE to a Consumer, the Tavistock Development Agreement and Tavistock Development Agreement Memorandum no longer encumber such Lot and Home and are not binding upon the Owner of same. Notwithstanding the foregoing, the Tavistock Development Agreement and Tavistock Development Agreement Memorandum shall remain as encumbrances on the balance of DEL WEBB SUNBRIDGE, including the Common Area Tracts, SSD Tracts, and upon Declarant and the Association, as applicable. A copy of the Tavistock Development Agreement will be maintained as a part of the official records of the Association and will be available for review and copying by Members in accordance with this Declaration and the policies and procedures of the Association with respect to official records. All authority to amend, modify or supplement the Tavistock Development Agreement and Tavistock Development Agreement Memorandum shall be held by Declarant before Turnover and by the Association thereafter. Specific terms, conditions and covenants of the Tavistock Development Agreement and Tavistock Development Agreement Memorandum include, but are not limited to, the following:

29.1 Communications Services. Section 6.3 of the Tavistock Development Agreement provides that Declarant shall cooperate with Tavistock to allow a communication provider or providers selected by Tavistock pursuant to the Tavistock Development Agreement to provide Communication Services (as such term is defined in the Tavistock Development Agreement) to the DEL WEBB SUNBRIDGE on an exclusive basis provided that the cost for such Communication Services shall be competitive as compared to other providers and services available in the Orlando market. Tavistock shall have the right, but not the obligation, at Tavistock's sole cost and expense, on behalf of itself or its affiliates, assignees or designees, to install within the DEL WEBB SUNBRIDGE a fiber-optic network where upon Tavistock may, or the Association shall be required to, charge a reasonable fee to Owners or its providers of such Communication Services for the use of such fiber. Said Section 6.3 also provides that the Association may be required to enter into an agreement with an exclusive communication services

provider for the provision of Communication Services within DEL WEBB SUNBRIDGE, subject to compliance with all applicable governmental authority requirements.

29.2 Community and Street Names. Sections 6.5 and 6.6 of the Tavistock Development Agreement provide that (i) the community name for DEL WEBB SUNBRIDGE shall not be changed unless the replacement name is submitted to and approved by Tavistock in its sole and absolute discretion and (ii) Tavistock's prior written approval shall be obtained for all names of all streets within the DEL WEBB SUNBRIDGE or any modifications to same.

29.3 Tavistock Right to Submit Additional Phases of Del Webb Sunbridge and Rights of Access to the Common Areas. As more particularly set forth in Section 6.8(e) of the Tavistock Development Agreement, in the event Declarant fails to acquire any portion of the Overall DWS Property and submit same to this Declaration, Tavistock may have the right, as more particularly set forth in said Section 6.8(e), to submit such portion of the Overall DWS Property to the Declaration as part of DEL WEBB SUNBRIDGE, and Declarant shall be required to join in and consent to same pursuant to its rights as Declarant under this Declaration. Tavistock may also obtain from Declarant a partial assignment of Declarant's rights under this Declaration as to the portions of the Overall DWS Property owned by Tavistock and submitted to this Declaration. In certain circumstances, as more particularly set forth in Section 8 of the Development Agreement, Tavistock, on satisfaction of the conditions and requirements with respect to same, shall have the right to require that purchasers of single family homes and residential units in any portion of the Overall DWS Property not purchased by Declarant and submitted to this Declaration to have rights of access to and use of the Common Areas, including the Community Amenity, subject to paying on a pro rata basis consistent with other Owners within DEL WEBB SUNBRIDGE, for the cost of operation, maintenance, repair and replacement of same.

29.4 Drainage Easements for Adjoining Property to be Developed by Tavistock or its Affiliates. As more particularly set forth in Section 6.8 of the Tavistock Development Agreement, Declarant from time to time may grant in favor of Tavistock or its designees drainage easements in such portions of DEL WEBB SUNBRIDGE as provided in the Tavistock Development Agreement for the benefit of adjoining property owned by Tavistock or affiliates of Tavistock upon such terms and provisions which shall be mutually agreed upon by Declarant and Tavistock provided that (i) no such use of such drainage easements by Tavistock or its affiliates shall cause an Adverse Impact (as defined in the Tavistock Development Agreement) to Declarant or DEL WEBB SUNBRIDGE and (ii) all use of any such drainage easements shall comply with all laws and permits applicable thereto.

29.5 North South Wall. As more particularly set forth in Section 6.10 of the Tavistock Development Agreement, Declarant shall install and the Association shall maintain a privacy wall pursuant along the North and South boundary of Overall DWS Property, or such portions thereof as are acquired by Declarant and submitted to this Declaration as approved by Tavistock pursuant to the Tavistock Development Agreement.

29.6 Limitation on Use of Community Amenity. As more particularly set forth in Section 8 of the Tavistock Developers Agreement, the Community Amenity shall only be made available for the use and benefit of Owners, Lessees and Occupants of Homes within DEL WEBB SUNBRIDGE or residential units in the Overall DWS Property as well as their respective

permitted guests and invitees and guests and invitees of Declarant, including, without limitation, participants in Declarant's Vacation Getaway program or any similar program to allow potential purchasers of Homes in DEL WEBB SUNBRIDGE to temporarily reside at Vacation Getaway Homes or units within or outside of DEL WEBB SUNBRIDGE as provided in Section 21.22 above.

Other terms, conditions and covenants of the Tavistock Development Agreement applicable with respect to DEL WEBB SUNBRIDGE are more particularly set forth in the Tavistock Development Agreement.

IN WITNESS WHEREOF, the undersigned, being Declarant hereunder, has hereunto set its hand and seal this 19th day of May, 2020.

BYLAWS

OF

DEL WEBB SUNBRIDGE HOMEOWNERS ASSOCIATION, INC. (A FLORIDA CORPORATION NOT FOR PROFIT)

1. Name and Location. The name of the corporation is DEL WEBB SUNBRIDGE COMMUNITY ASSOCIATION, INC. (the “**Association**”). The principal office of the corporation shall be located at 4901 Vineland Road, Suite 500, Orlando, Florida 32811, or at such other location determined by the Board of Directors (the “**Board**”) from time to time.

2. Definitions. The definitions contained in the AMENDED AND RESTATED COMMUNITY DECLARATION FOR DEL WEBB SUNBRIDGE (the “**Declaration**”) relating to the residential community known as DEL WEBB SUNBRIDGE, recorded, or to be recorded, in the Public Records of Osceola County, Florida, are incorporated herein by reference and made a part hereof. In addition to the terms defined in the Declaration, the following terms shall have the meanings set forth below:

“**Minutes**” shall mean the minutes of all Member and Board meetings, which shall be in the form required by the Florida Statutes. In the absence of governing Florida Statutes, the Board shall determine the form of the minutes.

“**Official Records**” shall mean all records required to be maintained by the Association pursuant to Section 720.303(4) of the Florida Statutes, as amended from time to time.

3. Members.

3.1 Voting Interests. Each Owner and the Declarant shall be a Member of the Association. No person who holds an interest in a Lot only as security for the performance of an obligation shall be a Member of the Association. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot. There shall be one (1) vote appurtenant to each Lot. Prior to the Turnover, the Declarant shall have Voting Interests equal to ten (10) votes per Lot owned, provided, however, as to land which is annexed or added pursuant to the terms of this Declaration or any Parcel designated as a Future Development Tract (or similar term) or set aside for future development under the Plat, Declarant shall be entitled to fifteen (15) votes per acre or fraction thereof contained within such parcel owned by Declarant until such time as the parcel is platted into Lots, whereupon Declarant shall be entitled to ten (10) votes per Lot in lieu of the votes per acre. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall have Voting Interest equal to one (1) vote for each Lot owned. For the purposes of determining who may exercise the Voting Interest associated with each Lot, the following rules shall govern:

3.1.1 Home Owned By Husband and Wife. Either the husband or wife (but not both) may exercise the Voting Interest with respect to a Lot. In the event the husband and wife cannot agree, neither may exercise the Voting Interest.

3.1.2 Trusts. In the event that any trust owns a Lot, the Association shall have no obligation to review the trust agreement with respect to such trust. By way of example, if the Lot is owned by Robert Smith, as Trustee, Robert Smith shall be deemed the Owner of the Lot for all Association purposes. If the Lot is owned by Robert Smith as Trustee for the Laura Jones Trust, then Robert Smith shall be deemed the Member with respect to the Lot for all Association purposes. If the Lot is owned by the Laura Jones Trust, and the deed does not reference a trustee, then Laura Jones shall be deemed the Member with respect to the Lot for all Association purposes. If the Lot is owned by the Jones Family Trust, the Jones Family Trust may not exercise its Voting Interest unless it presents to the Association, in the form of an attorney opinion letter or affidavit reasonably acceptable to the Association, the identification of the person who should be treated as the Member with respect to the Lot for all Association purposes. If Robert Smith and Laura Jones, as Trustees, hold title to a Lot, either trustee may exercise the Voting Interest associated with such Lot. In the event of a conflict between trustees, the Voting Interest for the Lot in question cannot be exercised. In the event that any other form of trust ownership is presented to the Association, the decision of the Board as to who may exercise the Voting Interest with respect to any Lot shall be final. The Association shall have no obligation to obtain an attorney opinion letter in making its decision, which may be made on any reasonable basis whatsoever.

3.1.3 Corporations. If a Lot is owned by a corporation, the corporation shall designate a person, an officer, employee, or agent who shall be treated as the Member who can exercise the Voting Interest associated with such Lot.

3.1.4 Partnerships. If a Lot is owned by a limited partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. By way of example, if the general partner of a limited partnership is a corporation, then the provisions hereof governing corporations shall govern which person can act on behalf of the corporation as general partner of such limited partnership. If a Lot is owned by a general partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. In the event of a conflict among general partners entitled to exercise a Voting Interest, the Voting Interest for such Lot cannot be exercised.

3.1.5 Multiple Individuals. If a Lot is owned by more than one individual, any one of such individuals may exercise the Voting Interest with respect to such Lot. In the event that there is a conflict among such individuals, the Voting Interest for such Lot cannot be exercised.

3.1.6 Liability of the Association. The Association may act in reliance upon any writing or instrument or signature, whether original or facsimile, which the Association, in good faith, believes to be genuine, may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument, and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so. So long as the Association acts in good faith, the Association shall have no liability or obligation with respect to the exercise of Voting Interests, and no election shall be invalidated (in the absence of fraud) on the basis that the Association permitted or denied any person the right to exercise a Voting Interest. In addition, the Board may impose additional requirements respecting the exercise of Voting Interests (e.g., the execution of a Voting Certificate).

3.2 Annual Meetings. The annual meeting of the Members (the “**Annual Members Meeting**”) shall be held at least once each calendar year on a date, at a time, and at a place to be determined by the Board.

3.3 Special Meetings of the Members. Special meetings of the Members (a “**Special Members Meeting**”) may be called by a majority of the Board, or upon written request of thirty percent (30%) of the Voting Interests of the Members. The business to be conducted at a Special Members Meeting shall be limited to the extent required by Florida Statutes.

3.4 Notice of Members Meetings. Notice of each Members meeting shall be given by, or at the direction of, any officer of the Board or any management company retained by the Association in any manner permitted by the Florida Statutes applicable to same. A copy of the notice shall be mailed to each Member entitled to vote, postage prepaid, not less than ten (10) days before the meeting (provided, however, in the case of an emergency, two (2) days’ notice will be deemed sufficient), unless otherwise required by Florida law. The notice shall be addressed to the Member’s address last appearing on the books of the Association. The notice shall specify the place, day, and hour of the meeting and, in the case of a Special Members Meeting, the purpose of the meeting. Alternatively, and to the extent not prohibited by the Florida Statutes, the Board may adopt from time to time, other procedures for giving notice to the Members of the Annual Members Meeting or a Special Members Meeting. By way of example, and not of limitation, such notice may be included in a newsletter sent to each Member.

3.5 Quorum of Members. Until the Turnover, a quorum shall be established by Declarant’s presence, in person or by proxy, at any meeting. From and after the Turnover, a quorum for purposes of conducting business shall be established by the presence, in person or by proxy, of the Members entitled to cast twenty percent (20%) of the total Voting Interests, subject to reduction as provided in Section 3.6 below. Notwithstanding any provision herein to the contrary, in the event that technology permits Members to participate in Member meetings and vote on matters electronically, then the Board shall have authority, without the joinder of any other party, to revise this provision to establish appropriate quorum requirements.

3.6 Adjournment of Members Meetings. If, however, a quorum shall not be present at any Members meeting, the meeting may be adjourned as provided in the Florida Statutes. In the absence of a provision in the Florida Statutes, the Members present shall have power to adjourn the meeting and reschedule it on another date. If any such meeting is adjourned and rescheduled for failure to meet quorum requirements, the quorum requirement for the rescheduled meeting shall be one-half (1/2) of the quorum requirement for the adjourned meeting.

3.7 Action of Members. Decisions that require a vote of the Members must be made by a concurrence of a majority of the Voting Interests present in person or by proxy, represented at a meeting at which a quorum has been obtained unless provided otherwise in the Declaration, the Articles, or these Bylaws.

3.8 Proxies. At all meetings, Members may vote their Voting Interests in person or by proxy. All proxies shall comply with the provisions of Section 720.306(8), Florida Statutes, as amended from time to time, be in writing, and be filed with the Secretary at, or prior to, the meeting. Every proxy shall be revocable prior to the meeting for which it is given.

3.9 Parliamentary Rules. Roberts' Rules of Order (latest edition) shall guide the conduct of Members meetings when not in conflict with the law, with the Declaration, or with these Bylaws. The presiding officer may appoint a Parliamentarian whose decision on questions of parliamentary procedure shall be final. Any question or point of order not raised at the meeting to which it relates shall be deemed waived.

4. Board of Directors.

4.1 Number. The affairs of the Association shall be managed by a Board consisting of no less than three (3) persons and no more than five (5) persons. Notwithstanding the foregoing sentence however, the Board elected by Members on the Turnover Date shall consist of three (3) persons and the Board elected by the Members at the first Annual Members Meeting after the Turnover Date and at each Annual Members Meeting thereafter shall consist of five (5) persons. Board members appointed or elected by Declarant need not be Members of the Association. Board members elected by Owners must be Members of the Association.

4.2 Pre-Turnover Director. Pursuant to Section 720.307(2), Florida Statutes Owners are entitled to elect one (1) member of the Board (the "**Pre-Turnover Director**") when fifty percent (50%) of all the Lots ultimately planned for DEL WEBB SUNBRIDGE are conveyed to Owners. At such time as the Owners are entitled to elect a Pre-Turnover Director, the Association shall send a written notice to all Owners requesting nominations for same. If more than one nomination is received, the Association shall schedule a Special Members Meeting for the election of the Pre-Turnover Director in accordance with these Bylaws. If no Owners are willing to serve as a Pre-Turnover Director, a replacement Director shall be selected pursuant to Section 4.4 hereof to serve until the next Annual Members Meeting, at which time nominations will again be solicited for a Pre-Turnover Director to be elected in conjunction with the Annual Members Meeting. The term of the Pre-Turnover Director shall expire at the second (2nd) Annual Members Meeting after the election of the Pre-Turnover Director.

4.3 Term of Office. The term of office for the Pre-Turnover Director shall end on the Turnover Date. Except with respect to the Pre-Turnover Director, the election of Directors shall take place after Declarant no longer has the authority to appoint a majority Board and shall take place on the Turnover Date. On the Turnover Date the Members shall elect three (3) Directors: one (1) Director for a term of one (1) year, one (1) Director for a term of two (2) years, and one (1) Director for a term of three (3) years. The candidate receiving the most votes shall serve as the Director for three (3) years; the candidate receiving the second highest number of votes shall serve as Director for two (2) years; and the candidate receiving the third highest of votes shall serve as Director for one (1) year. Provided, however, in the event Declarant exercises its right to elect a Post-Turnover Director (as such term is defined in Section 4.7 of these Bylaws), the Members shall elect two (2) Directors, with the candidate receiving the highest number of votes serving a term of three (3) years and the candidate receiving the second highest number of votes serving a term of two (2) years. Each Director's respective term shall end upon the election of new Directors at the Annual Members Meeting (except that the term of any Post-Turnover Director appointed by Declarant shall expire on the date designated by Declarant, on the date Declarant no longer holds at least five percent (5%) of the total number of Lots planned for DEL WEBB SUNBRIDGE out for sale, or on the date of the first Annual Members Meeting after Turnover, whichever first occurs [the "**Post Turnover Director Term Expiration Date**"]). At the first Annual Members Meeting

after Turnover, the number of the Directors shall expand from three (3) Directors to five (5) Directors. At such meeting there shall be an election for the two (2) new Directors and to replace the Director whose terms expires at such meeting. The candidates receiving the highest and second highest number of votes shall serve a term of two (2) years. The candidate receiving the third highest number of votes shall serve a term of one (1) year. At all such Annual Members Meetings thereafter, the Members shall elect the appropriate number of Directors to replace the Directors whose terms have expired, and such Directors shall serve for a term of two (2) years.

4.4 Removal and Replacement. Any vacancy created by the resignation or removal of a Board member appointed by Declarant may be replaced by Declarant. Declarant may replace or remove any Board member appointed by Declarant in Declarant's sole and absolute discretion. In the event of death, resignation or removal of a Director elected by the Members or the expiration of the term any Post Turnover Director on the Post Turnover Director Term Expiration Date (in each case a "Removed Director"), the remaining Directors may fill such vacancy and such replacement Director shall serve until the end of the term of the Removed Director or in the case of a replacement for the Post Turnover Director, until the next Annual Members Meeting. Directors may be removed with or without cause by the vote or agreement in writing of Members holding a majority of the Voting Interests.

4.5 Compensation. No Director shall receive compensation for any service rendered as a Director to the Association; provided, however, any Director may be reimbursed for actual expenses incurred as a Director.

4.6 Action Taken Without a Meeting. Except to the extent prohibited by law, the Board shall have the right to take any action without a meeting by obtaining the written approval of the required number of Directors. Any action so approved shall have the same effect as though taken at a meeting of Directors.

4.7 Appointment and Election of Directors. Until the Turnover, the Declarant shall have the unrestricted power to appoint a majority of the Directors of the Association. From and after the Turnover, or such earlier date determined by Declarant in its sole and absolute discretion, the Members shall elect all Directors of the Association at or in conjunction with the Annual Members Meeting. Notwithstanding the foregoing, from and after Turnover until the Post Turnover Director Term Expiration Date, Declarant, at Declarant's sole option, may elect one (1) member of the Board (the "**Post Turnover Director**"). Nothing herein shall require Declarant to elect or place any members on the Board after Turnover.

4.8 Election. Election to the Board shall be by secret written ballot, unless unanimously waived by all Members present. The persons receiving the most votes shall be elected. Cumulative voting is not permitted.

5. Meeting of Directors.

5.1 Regular Meetings. Regular meetings of the Board shall be held on a schedule adopted by the Board from time to time. Meetings shall be held at such place and hour as may be fixed, from time to time, by resolution of the Board.

5.2 Special Meetings. Special meetings of the Board shall be held when called by the President, or by any two (2) Directors. Each Director shall be given not less than two (2) days' notice except in the event of an emergency. Notice may be waived. Attendance shall be a waiver of notice. Telephone conference meetings are permitted.

5.3 Emergencies. In the event of an emergency involving immediate danger of injury or death to any person or damage to property, if a meeting of the Board cannot be immediately convened to determine a course of action, the President or, in his absence, any other officer or director, shall be authorized to take such action on behalf of the Association as shall be reasonably required to appropriately respond to the emergency situation, including the expenditure of the Association funds in the minimum amount as may be reasonably required under the circumstances. The authority of officers to act in accordance herewith shall remain in effect until the first to occur of the resolution of the emergency situation or a meeting of the Board convened to act in response thereto.

5.4 Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting, at which a quorum is present, or in writing in lieu thereof, shall be action of the Board. Directors may attend meetings telephonically. When some or all Directors meet by telephone conference, those Directors attending by telephone conference shall be counted toward obtaining a quorum and may vote by telephone. A telephone speaker shall be utilized at the noticed location of the meeting so that the conversation of those Directors may be heard by the Board, as well as any Member present at the meeting. Members may not attend Board meetings telephonically.

5.5 Open Meetings. Meetings of the Board shall be open to all Members except that meetings between the Board or a committee established by the Board and the Association's attorney to discuss proposed or pending litigation or meetings of the Board held for the purpose of discussing personnel matters are not required to be open to Members other than the Directors.

5.6 Voting. Board members shall cast votes in the manner provided in the Florida Statutes. In the absence of a statutory provision, the Board shall establish the manner in which votes shall be cast.

5.7 Notice of Board Meetings. Notices of meetings of the Board shall be posted in a conspicuous place on the Common Areas at least 48 hours in advance, except in an event of an emergency. Alternatively, notice may be given to Members in any other manner provided by Florida Statute. By way of example, and not of limitation, notice may be given in any newsletter distributed to the Members. For the purposes of giving notice, the area for notices to be posted selected by the Board shall be deemed a conspicuous place. Notwithstanding anything to the contrary herein, notice of any meeting of the Board at which the annual budget of the Association will be approved or at which an Assessment will be levied must be provided to all Members at least fourteen (14) days before the meeting, which notice shall include a copy of the proposed budget and a statement that Assessments will be considered at the meeting and the nature of the Assessments.

5.8 Parliamentary Rules. Roberts' Rules of Order (latest edition) shall guide the conduct of Board meetings when not in conflict with the law, with the Declaration, or with these Bylaws. The presiding officer may appoint a Parliamentarian whose decision on questions of parliamentary procedure shall be final. Any question or point of order not raised at the meeting to which it relates shall be deemed waived.

6. Powers and Duties of the Board.

Project Summary:

This Environmental Resource Permit authorizes Construction and Operation of a stormwater management (SWM) system serving 197.29 acres of residential development for a project known as Del Webb Sunbridge.

This application proposes construction of Phase 1 of the Del Webb residential development consisting of ten wet detention ponds for the required water quality treatment and attenuation prior to discharge from the site.

Issuance of this permit constitutes certification of compliance with state water quality standards in accordance with Rule 62-330.062, F.A.C.

Site Description:

The site is located north of U.S. 192, east of C.R. 15 (Narcoossee Road), south of Cyrils Drive, north of Jack Brack Road, east of Asher Road and west of Lake Myrtle in the Del Webb development in Osceola County.

The site is currently vacant with a mix of vegetation, including unimproved pastures, woodland pastures, forested wetlands and marsh land. Application No. 180212-331 for conceptual approval is being processed concurrently.

For information on wetland and surface water impacts, please see the Wetlands and Other Surface Water section of this permit.

Engineering Evaluation:**Water Quality:**

Water quality treatment is provided in 24.01 acres of wet detention ponds. The project provides 23.59 acre-feet of required water quality treatment volume based on 2.5 inches times the percent impervious coverage over the controlled basin areas.

Pursuant to Appendix E of Environmental Resource Permit Applicant's Handbook Volume II, the provided water quality treatment includes an additional 50% treatment volume above the requirements in Section 4.2 of Volume II as reasonable assurance that the project will not have an adverse impact on the downstream waterbody.

In addition to the required water quality treatment volume, the applicant provided site specific pollutant loading calculations demonstrating that the SWM system reduces the post development loading of pollutants, specifically phosphorus, to levels less than the loadings generated under the pre-development condition. The pollutant loading calculations are based upon the removal characteristics associated with the system.

The project includes an Erosion Control Plan (Exhibit 2) as additional reasonable assurance of compliance with water quality criteria during construction and operation.

Water Quantity:**Flood Plain/Compensating Storage**

As shown in Exhibit 6, adequate flood plain compensating storage is proposed to mitigate for the resulting flood plain impacts due to the proposed works for the construction of Phase I as shown in this application.

Discharge

As shown in Exhibit 5, the project discharge is within the allowable limit for the area.

Road Design

As shown in Exhibit 5, minimum road center line elevations have been set at or above the calculated design storm flood elevation.

Finished Floors

As shown in Exhibit 5, minimum finished floor elevations have been set at or above the calculated design storm flood elevation.

Certification, Operation, and Maintenance:

Pursuant to Chapter 62-330.310, F.A.C., Individual Permits will not be converted from the construction phase to the operation phase until construction completion certification of the project is submitted to and accepted by the District. This includes compliance with all permit conditions, except for any long term maintenance and monitoring requirements. It is suggested that the permittee retain the services of an appropriate professional registered in the State of Florida for periodic observation of construction of the project.

For projects permitted with an operating entity that is different from the permittee, it should be noted that until the construction completion certification is accepted by the District and the permit is transferred to an acceptable operating entity pursuant to Sections 12.1-12.3 of the Applicant's Handbook Volume I and Section 62-330.310, F.A.C., the permittee is liable for operation and maintenance in compliance with the terms and conditions of this permit.

In accordance with Section 373.416(2), F.S., unless revoked or abandoned, all SWM systems and works permitted under Part IV of Chapter 373, F.S., must be operated and maintained in perpetuity.

The efficiency of SWM systems, dams, impoundments, and most other project components will decrease over time without periodic maintenance. The operation and maintenance entity must perform periodic inspections to identify if there are any deficiencies in structural integrity, degradation due to insufficient maintenance, or improper operation of projects that may endanger public health, safety, or welfare, or the water resources. If deficiencies are found, the operation and maintenance entity is responsible for correcting the deficiencies in a timely manner to prevent compromises to flood protection and water quality. See Section 12.4 of the Applicant's Handbook Volume I for Minimum Operation and Maintenance Standards.

Land Use:

Please see Exhibit 5 for the Phase I of construction land use breakdown.

Environmental Evaluation:

Wetlands and Surface Waters

The project area contains 4 wetlands totaling 32.1 acres. Please see Exhibit 2 for wetland locations. The wetlands can be generally described as freshwater marsh and forested ecosystems. Additional wetland descriptions are located in the e-permitting file.

The project will result in impacts to 1.94 acres of wetlands as described in the table below. Exhibit 2 identifies the locations of the wetlands that will be impacted. Three of the proposed wetland impacts will be to wetland areas that are less than one half acre in size. The remaining impact will be occurring to an isolated wetland that may not remain ecologically viable in the post permit condition.

Secondary impacts include 0.21 acres.

To mitigate for the wetland impacts, the applicant will preserve and enhance 29.95 acres of wetland and 12.63 acres of upland as depicted in Exhibit 3. The amount of mitigation was determined by using (the Uniform Mitigation Assessment Method in Chapter 62-345, F.A.C. The final scores can be found in the permit file.

Wetland 1, along with upland buffer areas will be preserved on site under a conservation easement dedicated to the District.

There has been no enforcement activity associated with this application.

General Conditions for Individual Environmental Resource Permits, 62-330.350, F.A.C.

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under Chapter 373, F.S.
2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the Agency staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.
3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation, June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in subparagraph 62-330.050(9)(b)5., F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.
4. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the Agency a fully executed Form 62-330.350(1), "Construction Commencement Notice," (October 1, 2013), (<http://www.flrules.org/Gateway/reference.asp?No=Ref-02505>), incorporated by reference herein, indicating the expected start and completion dates. A copy of this form may be obtained from the Agency, as described in subsection 62-330.010(5), F.A.C., and shall be submitted electronically or by mail to the Agency. However, for activities involving more than one acre of construction that also require a NPDES stormwater construction general permit, submittal of the Notice of Intent to Use Generic Permit for Stormwater Discharge from Large and Small Construction Activities, DEP Form 62-621.300(4)(b), shall also serve as notice of commencement of construction under this chapter and, in such a case, submittal of Form 62-330.350(1) is not required.
5. Unless the permit is transferred under rule 62-330.340, F.A.C., or transferred to an operating entity under rule 62-330.310, F.A.C., the permittee is liable to comply with the plans, terms, and conditions of the permit for the life of the project or activity.
6. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:
 - a. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex- "Construction Completion and Inspection Certification for Activities Associated With a Private Single-Family Dwelling Unit"[Form 62-330.310(3)]; or
 - b. For all other activities- "As-Built Certification and Request for Conversion to Operational Phase" [Form 62-330.310(1)].
 - c. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.
7. If the final operation and maintenance entity is a third party:

- a. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.4 of Volume I) as filed with the Florida Department of State, Division of Corporations, and a copy of any easement, plat, or deed restriction needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.
 - b. Within 30 days of submittal of the as-built certification, the permittee shall submit "Request for Transfer of Environmental Resource Permit to the Perpetual Operation and Maintenance Entity" [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.
8. The permittee shall notify the Agency in writing of changes required by any other regulatory agency that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.
 9. This permit does not:
 - a. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in Chapter 62-330, F.A.C.;
 - b. Convey to the permittee or create in the permittee any interest in real property;
 - c. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or
 - d. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.
 10. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under Chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.
 11. The permittee shall hold and save the Agency harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.
 12. The permittee shall notify the Agency in writing:
 - a. Immediately if any previously submitted information is discovered to be inaccurate; and
 - b. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with Rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.
 13. Upon reasonable notice to the permittee, Agency staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.
 14. If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, stone tools, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The permittee or

other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section (DHR), at (850)245-6333, as well as the appropriate permitting agency office. Project activities shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and the proper authorities notified in accordance with section 872.05, F.S. For project activities subject to prior consultation with the DHR and as an alternative to the above requirements, the permittee may follow procedures for unanticipated discoveries as set forth within a cultural resources assessment survey determined complete and sufficient by DHR and included as a specific permit condition herein.

16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.
17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the Agency will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.

Special Conditions

1. The construction authorization for this permit shall expire on the date shown on page 2.

The location of the elevation reference must be noted on or with the certification report.
10. Prior to any future construction, the permittee shall apply for and receive an Individual ERP. As part of the permit application, the applicant for that phase shall provide documentation verifying that the proposed construction is consistent with the design of the master stormwater management system, including the land use and site grading assumptions.
11. Floodplain compensating storage shall be constructed and operational prior to the placement of any fill in the basin between the average wet season water table elevation and the 100-year flood elevation that would adversely affect the rights of others.
12. Prior to initiating construction activities associated with this Environmental Resource Permit (ERP), the permittee is required to hold a pre-construction meeting with field representatives, consultants, contractors, District Environmental Resource Compliance (ERC) staff, and any other local government entities as necessary.

The purpose of the pre-construction meeting is to discuss construction methods, sequencing, best management practices, identify work areas, staking and roping of preserves where applicable, and to facilitate coordination and assistance amongst relevant parties.

To schedule a pre-construction meeting, please contact ERC staff from the Orlando Service Center at (407) 858-6100 or via e-mail at: pre-con@sfwmd.gov . When sending a request for a pre-construction meeting, please include the application number, permit number, and contact name and phone number.

In the event it is later determined that there are encumbrances or interests in the easement which the District determines are contrary to the intent of the easement, the permittee shall be required to provide release or subordination of such encumbrances or interests.
14. A maintenance program shall be implemented in accordance with Exhibit No. 4 for the preserved wetland and upland areas on a regular basis to ensure the integrity and viability of those areas as permitted. Maintenance shall be conducted in perpetuity to ensure that the conservation areas are maintained free from Category 1 exotic vegetation (as defined by the Florida Exotic Pest Plant Council at the time of permit issuance) immediately following a maintenance activity. Maintenance in perpetuity shall also insure that conservation areas, including buffers, maintain the species and coverage of native, desirable vegetation specified in the permit. Coverage of exotic and nuisance plant species shall not exceed 10% of total cover between maintenance activities. In addition, the permittee shall manage the conservation areas such that exotic/nuisance plant species do not dominate any one section of those areas.
15. Prior to construction, and in accordance with the work schedule herein, a baseline monitoring report for Del Webb Sunbridge Phase I shall be submitted as described in Exhibit 4.
16. Permanent physical markers designating the preserve status of the wetland preservation areas and buffer zones shall be placed at the intersection of the buffer and each lot line. These markers shall be maintained in perpetuity.
17. The District reserves the right to require remedial measures to be taken by the permittee if monitoring or other information demonstrates that adverse impacts to onsite or offsite wetlands, upland conservation areas or buffers, or other surface waters have occurred due to project related activities.
18. If monitoring reports or other information show the preserved wetlands have been negatively affected by the permitted development in a manner that is irreversible (such as impounding the wetland and drowning the existing vegetation or a reduction in the hydroperiod resulting in the transition of wetlands into upland/transitional habitat), the permittee shall be required to submit a remediation plan within 30 days of notification by the District's Environmental

Resource Compliance staff of such conditions. The remediation plan may include onsite or offsite mitigation as necessary to address any deficiencies.

19. A monitoring program for the Del Webb Sunbridge Phase I wetland mitigation area shall be implemented in accordance with Exhibit No. 4. The monitoring program shall extend for a period of five years with annual/semi-annual reports submitted to District Environmental Resource Compliance staff. Success criteria for vegetative coverage for the mitigation areas are identified below: At the end of the first annual monitoring period, the mitigation areas shall support a minimum of 30 percent coverage of native, desirable, obligate and facultative wetland species. The target coverage at the end of the second annual monitoring period is a minimum of 50%. At the end of the third annual monitoring period and thereafter, the coverage of such species shall be maintained at a minimum of 80%. The targeted species shall include a diverse representation of the species identified in Exhibit No. 3. If any one species is determined by District staff to have attained a monoculture status to the detriment of the establishment of other appropriate species, the permittee shall submit a remedial plan for corrective action to District staff within 30 days of notification of such conditions.
20. Activities associated with the implementation of the mitigation, monitoring and maintenance plan(s) shall be completed in accordance with the work schedule. Any deviation from these time frames must be coordinated with the District's Environmental Resource Compliance staff, and may require a minor modification to this permit. Such requests must be made in writing and shall include (1) reason for the change, (2) proposed start/finish and/or completion dates; and (3) progress report on the status of the project development or mitigation effort.
21. Silt screens, hay bales, turbidity screens/barriers or other such sediment control measures shall be utilized during construction. The selected sediment control measure shall be installed landward of the upland buffer zones around all protected wetlands and shall be properly "trenched" etc., in accordance with Exhibit No. 2. All areas shall be stabilized and vegetated immediately after construction to prevent erosion into the wetlands and upland buffer zones.
22. The wetland conservation areas and upland buffer zones and/or upland preservation areas shown on Exhibit No. 2 may in no way be altered from their natural or permitted state. Activities prohibited within the conservation areas include, but are not limited to: (a) construction or placing of buildings, roads, signs, billboards or other advertising, utilities or other structures on or above the ground; (b) dumping or placing soil or material as landfill or dumping or placing of trash, waste, or unsightly or offensive materials; (c) removal or destruction of trees, shrubs, or other vegetation - with the exception of exotic and nuisance vegetation removal; (d) excavation, dredging, or removal of loam, peat, gravel, soil, rock, or other material substances in such manner as to affect the surface; (e) surface use except for purposes that permit the land or water area to remain predominantly in its natural condition; (f) activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation, including but not limited to ditching, diking or fencing; (g) acts or uses detrimental to such retention of land or water areas; and (h) acts or uses detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archaeological, or cultural significance.

NOTICE OF RIGHTS

As required by Sections 120.569 and 120.60(3), Fla. Stat., the following is notice of the opportunities which may be available for administrative hearing or judicial review when the substantial interests of a party are determined by an agency. Please note that this Notice of Rights is not intended to provide legal advice. Not all of the legal proceedings detailed below may be an applicable or appropriate remedy. You may wish to consult an attorney regarding your legal rights.

RIGHT TO REQUEST ADMINISTRATIVE HEARING

A person whose substantial interests are or may be affected by the South Florida Water Management District's (SFWMD or District) action has the right to request an administrative hearing on that action pursuant to Sections 120.569 and 120.57, Fla. Stat. Persons seeking a hearing on a SFWMD decision which affects or may affect their substantial interests shall file a petition for hearing with the Office of the District Clerk of the SFWMD, in accordance with the filing instructions set forth herein, within 21 days of receipt of written notice of the decision, unless one of the following shorter time periods apply: (1) within 14 days of the notice of consolidated intent to grant or deny concurrently reviewed applications for environmental resource permits and use of sovereign submerged lands pursuant to Section 373.427, Fla. Stat.; or (2) within 14 days of service of an Administrative Order pursuant to Section 373.119(1), Fla. Stat. "Receipt of written notice of agency decision" means receipt of written notice through mail, electronic mail, or posting that the SFWMD has or intends to take final agency action, or publication of notice that the SFWMD has or intends to take final agency action. Any person who receives written notice of a SFWMD decision and fails to file a written request for hearing within the timeframe described above waives the right to request a hearing on that decision.

If the District takes final agency action which materially differs from the noticed intended agency decision, persons who may be substantially affected shall, unless otherwise provided by law, have an additional Rule 28-106.111, Fla. Admin. Code, point of entry.

Any person to whom an emergency order is directed pursuant to Section 373.119(2), Fla. Stat., shall comply therewith immediately, but on petition to the board shall be afforded a hearing as soon as possible.

A person may file a request for an extension of time for filing a petition. The SFWMD may, for good cause, grant the request. Requests for extension of time must be filed with the SFWMD prior to the deadline for filing a petition for hearing. Such requests for extension shall contain a certificate that the moving party has consulted with all other parties concerning the extension and that the SFWMD and any other parties agree to or oppose the extension. A timely request for an extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

FILING INSTRUCTIONS

A petition for administrative hearing must be filed with the Office of the District Clerk of the SFWMD. Filings with the Office of the District Clerk may be made by mail, hand-delivery, or e-mail.
